Migrant and Refugee Integration in Mexico Nuty Cárdenas-Alaminos,Karla Valenzuela-Moreno,Liliana Meza

González,2024-07-25 Although Mexican emigration to the United States is still relevant, it has also become a return, transit, and recipient country for thousands of refugees. Now, many of these migrants, refugees, and their families stay on Mexican soil territory, trying to integrate within Mexican society. This book brings together leading experts in Mexico and covers the political dimension of integration for migrants in Mexico analyzing integration policies, civil society efforts, and public opinion from various angles. In this context, many questions arise. Among the most relevant: What has the federal government done to assist these migrant groups, who often arrive in conditions of great vulnerability? What policies have been implemented at the subnational level of government to adequately integrate these population groups? What actions have been implemented by other local actors, such as civil society organizations? What do Mexicans think about newcomers? Migrant and Refugee Integration in Mexico will be of interest to students and scholars across a range of disciplines including international relations, development studies, anthropology, international studies, sociology, and Latin American studies.

¿Legitimidad o reconocimiento? Las investigadoras del SNI. Retos y propuestas ,2015-02-05 Este libro plantea una pregunta cuya respuesta implica ejercitar el pensamiento para la comprensión de lo que sucede en el ámbito de la investigación hecha por mujeres en México. La pregunta “¿legitimidad o reconocimiento?” sugiere la necesidad de construir espacios de oportunidad legítimos que promuevan la participación de las mujeres en el desarrollo de la ciencia y la innovación tecnológica mexicanas. ¿Es la legitimidad de la actividad investigadora de las mujeres en el marco del Sistema Nacional de Investigadores una batalla cultural que aún no concluye? ¿Falta abrir ventanas de visibilidad e inclusión para las propuestas de generación y aplicación del conocimiento diseñadas por las investigadoras? Tal parece que el carácter legítimo del quehacer investigador de las académicas y científicas nacionales exige una mayor equidad y el cambio cultural que propicie la inclusión de las mujeres investigadoras que rompa los muros de contención, derribe los techos de cristal y trascienda los pisos lodosos que impiden el desarrollo armónico de las mujeres.

Diario oficial de la federación Mexico,1997

Peritaje contable en la impartición de justicia Carlos Rubén Álvarez Campos,Colegio de Contadores Públicos de México,Comisión de apoyo al ejercicio de la peritación,Alberto Manuel Castañeda Niebla,Griselda Funes Rosellón,Dalia Ernestina Granados Ramos,Gerardo Héctor López Ramírez,Demetrio Filadelfo Navarro García,Héctor Ortega de la Torre,Miguel Ríos Rayón,Alberto Cecilio Rivas Landín,María Guadalupe Briseño Ponce,María del Carmen Rubio Rubio,María de Lourdes Pinzón Escalante,Ricardo Landin Quinto,Maribel Ballesteros Celaya,Viridiana González Díaz,Guadalupe González Lobato,Alberto Gutiérrez Rojas,2019 Pocos son los textos que abordan el estudio del dictamen pericial contable y la forma en que ha de fundamentarse y presentarse ante las autoridades judiciales del país. La presente obra examina la relevancia de este dictamen y pone de relieve el papel que juegan los Contadores Públicos en el desempeño de esta actividad, como peritos en controversias civiles, mercantiles, familiares, fiscales, laborales, penales, administrativas, entre otras. Asimismo, este libro da a conocer la experiencia profesional de un grupo de peritos, adscritos a la Comisión de Apoyo al Ejercicio de la Peritación del Colegio de Contadores Públicos de México, quienes analizan el marco legal que sustenta la labor de los peritos, con la finalidad de brindar las bases jurídicas para la elaboración y la rendición del dictamen pericial contable, y que este sea un

elemento para los jueces en la emisión de sus sentencias. La obra incluye diversos casos prácticos, en los que se da cuenta de la presentación del perito contable ante la autoridad judicial y de los documentos base, pruebas y cuestionarios que fundamentan el dictamen pericial en materia contable. Peritaje contable en la impartición de justicia es un apoyo para Contadores y abogados, incluso para funcionarios de los tres niveles de gobierno (federal, estatal y municipal) que necesiten la prueba pericial contable, pues esta permite tener información financiera y económica, transparente y técnica, útil para la resolución de las controversias jurídicas con apego a la ley.
