summary: Chapter 1 Hazel Grace Lancaster has thyroid cancer that has metastasized into her lungs. The tumors are no
longer growing because of an experimental drug, but she will never fully recover. Hazel is watching television when her
mother makes her get up and go to her cancer support group. Hazel dislikes the group, but her mother makes her attend
because she thinks she needs to socialize more. She arrives just before the group begins. Isaac, her friend, talks about the
surgery he will have a in a few weeks. He had cancer in one eye and that eye was removed. However, the cancer is now in his
other eye and he will have to have that eye removed, as well. As added support, Isaac brought his friend, Augustus Waters, to
the support group. Augustus, a very good looking young man, is also a cancer survivor. He had osteosarcoma that required
the removal of his leg. After support group, Hazel and Augustus wait outside for her mother. Isaac is with his girlfriend,
Monica, making out on the far side of the church. Augustus asks Hazel to come to his house to watch V for Vendetta with
him. He thinks she looks like Natalie Portman as she was in that movie. However, Hazel refuses when Augustus pops a
cigarette into his mouth until he tells her that it is just a metaphor. She finds it so amusing, the irony of putting something
that causes cancer into this mouth but not giving it the power to cause cancer, that she agrees to go to his home. Chapter 2
Augustus is a terrible driver because he cannot feel the gas pedal under his fake leg. Hazel makes him admit the only reason
he has a driver's license is because the examiner felt sorry for him. She calls it a Cancer Perk. They share their cancer

stories. At Augustus' house, Hazel meets his parents. Then they go downstairs to his bedroom. Augustus tells Hazel that he used to play basketball, but before he was diagnosed he realized it was pointless, the act of constantly throwing a ball into a basket. Then he asks her what she likes to do. She tells him about her favorite book, *An Imperial Affliction*. He agrees to read it if she will read his favorite book, *The Price of Dawn*. Augustus and Hazel go into the living room to watch the movie. Hazel thinks the movie is a guy-thing. Augustus drives her home and asks her to call him later. She promises to call when she finishes the book....

Perils of Protection Susan Honeyman, 2018-12-18 Winner of the Children's Literature Association's 2020 Honor Book Award Unrecognized in the United States and resisted in many wealthy, industrialized nations, children's rights to participation and self-determination are easily disregarded in the name of protection. In literature, the needs of children are often obscured by protectionist narratives, which redirect attention to parents by mythologizing the supposed innocence, victimization, and vulnerability of children rather than potential agency. In *Perils of Protection: Shipwrecks, Orphans, and Children's Rights*, author Susan Honeyman traces how the best of intentions to protect children can nonetheless hurt them

when leaving them unprepared to act on their own behalf. Honeyman utilizes literary parallels and discursive analysis to highlight the unchecked protectionism that has left minors increasingly isolated in dwindling social units and vulnerable to multiple injustices made possible by eroded or unrecognized participatory rights. Each chapter centers on a perilous pattern in a different context: “women and children first” rescue hierarchies, geographic restriction, abandonment, censorship, and illness. Analysis from adventures real and fictionalized will offer the reader high jinx and heroism at sea, the rush of risk, finding new families, resisting censorship through discovering shared political identity, and breaking the pretenses of sentimentality.

Christian Co, KY, 1991-06-15 Christian County had published a county history in 1841 by Perin and again another by

Charles Meachem in 1930. Both of these histories had a limited biography section in them. Under the leadership of president Lon Bostick, the Genealogical Society of Christian County and the many devoted people of the county at large, gave untiringly of their time and knowledge to compile and have published a third history of Christian County in 1986 which is primarily a family history with much social history. The people responded well with material and the book was getting so large that we had to stop receiving family histories. This left many without the opportunity to get their families recorded. Late in 1990, Lon had a job started and was not complete therefore the Odd Fellows of Green River Lodge #54 of Hopkinsville and Jewel Rebekah Lodge #14 (the auxiliary of the Odd Fellows) met and voted to compile and have published a continuation of Volume I of the Family Histories to be titled Edition I of Family Histories of Christian County.
