Second Star to the Right: Essays on Leadership in Star Trek Jason A. Kaufman, Aaron M. Peterson, 2025-07-22 'Star Trek' provides an opportunity to explore the final frontier of leadership through its nearly six decades of series and films. With its basis in Enlightenment thinking (reason coupled to compassion) and its encouragement of diversity in its myriad forms, 'Star Trek' offers guidance on how to improve the human condition that has application in leadership across academic and professional fields. Leaders are constantly called upon to solve problems, direct institutional growth, and, on occasion, even solve humanitarian crises. Leadership development need not be complicated or overly staid. It should be engaging. 'Star Trek' provides us a venue through which to make it so. This book explores the application of 'Star Trek' to the practice of leadership across a diverse array of professional and academic fields. 'Second Star to the Right: Essays on Leadership in Star Trek' provides a set of exceptional chapters from a diverse range of scientists, professionals, writers, and thinkers. It will help you to utilize the wealth of 'Star Trek' canon applied across a robust array of fields to broadly inform the practice of leadership for a better world.

Typically Jewish Nancy Kalikow Maxwell, 2019-03-01 Is laughter essential to Jewish identity? Do Jews possess special radar for recognizing members of the tribe? Since Jews live longer and make love more often, why don't more people join the tribe? "More deli than deity" writer Nancy Kalikow Maxwell poses many such questions in eight chapters—"Worrying," "Kvelling," "Dying," "Noshing," "Laughing," "Detecting," "Dwelling," and "Joining"—exploring what it means to be "typically Jewish." While unearthing answers from rabbis, researchers, and her assembled Jury on Jewishness (Jewish friends she roped into conversation), she—and we—make a variety of discoveries. For example: Jews worry about continuity, even though Rabbi Mordechai of Lechovitz prohibited even that: "All worrying is forbidden, except to worry that one is worried." Kvell-worthy fact: About 75 percent of American Jews give to charity versus 63 percent of Americans as a whole. Since reciting Kaddish brought secular Jews to synagogue, the rabbis, aware of their captive audience, moved the prayer to the end of the service. Who's Jewish? About a quarter of Nobel Prize winners, an estimated 80 percent of comedians at one point, and the winner of Nazi Germany's Most Perfect Aryan Child Contest. Readers will enjoy learning about how Jews feel, think, act, love, and live. They'll also schmooze as they use the book's "Typically Jewish, Atypically Fun" discussion guide.

Lethal Engagement Teyla Branton,2015-03-14 Guard, Protect, and Above All, Stay Alive Two months after the announcement that rocked the entire world, Mari Jorgenson is going undercover to protect the man who has become the face of the Unbounded. What's not to like? Expensive clothes, a great disguise, a chance to play with knives—and all with a Renegade partner she might just be falling for. Mari can't think of a better assignment for practicing her shifting ability. But when everything goes horribly wrong on the first day, it will take everything she has—and more—if she and her friends are to keep humanity's best hope for peace alive long enough to unite the world. Along the way, Mari glimpses within herself a darkness that threatens to turn her into the very evil she is fighting. Join Mari, Keene, Jace, Cort, and other Renegades from the main Unbounded series as Mari shifts through an adventure that will ultimately set the stage for the greatest and final battle with the Emporium. Praise for the UNBOUNDED series: Enough paranoid twists and turns to keep the reader turning pages . . . the author has clearly thought through the nuances of the story's theme and engineered a few surprising plot twists that elevate it . . . above the level of the average thriller. -Publishers Weekly "Excellent and well written!" "I recommend reading the entire series" "Thoroughly enjoyable" "High action and adventure" "Teyla Branton belongs right alongside Patricia Briggs, Kim Harrison, Jennifer Estep, and Kelly Armstrong." G3 Tim Cork,2013-04-01 Give, Give, and Give again -- that is Tim Cork's formula for personal and professional success. The first gift is to you -- when you get really good at you, everyone around you benefits. The second is leadership -- the gift of raising other people's game. And the third is netgiving -- connecting with others to help them succeed. As the author puts it,

Netgiving takes the work out of networking. Full of quick-hit pearls of wisdom, G3 is as practical as it is entertaining and inspirational.
