

Elly Griffiths The Crossing Places

Elly Griffiths (pseud. van Domenica De Rosa.)

The Crossing Places Elly Griffiths, 2009-08-06 Start right here! Discover the Dr Ruth Galloway Mysteries and become obsessed with one of the most popular crime series in Britain. 'Galloway now seems as real as Marple and Morse' The Times Dr Ruth Galloway is called in when a child's bones are discovered near a prehistoric site on the north Norfolk salt marshes. Are they the remains of a local girl who disappeared ten years earlier - or are the bones much older? DCI Harry Nelson refuses to give up the hunt for the missing girl. Since she vanished, someone has been sending him creepy anonymous notes about ritual sacrifice. He knows that Ruth's expertise and experience could help him finally to put this case to rest. But when a second child goes missing, Ruth finds herself in danger from a killer who knows she's getting ever closer to the truth.
***** What readers are saying about The Crossing Places 'Captivating! A quick, thrilling read that ends making you want to read Book 2 immediately!' 5* Reader Review 'I really enjoyed this book, the story kept me gripped to the end! Would definitely recommend it' 5* Reader Review 'Ruth is such an empathetic character, clever and warm yet she has human weaknesses' 5* Reader Review 'I envy those coming to the Ruth Galloway series by Elly Griffiths. They are in for a total treat' 5* Reader Review 'Atmospheric and character-driven, I'd no sooner finished this first book in the Dr Ruth Galloway series than I was reaching for the second' 5* Reader Review

The Crossing Places Elly Griffiths, 2010-02-02 When a child's bones are found near an ancient henge in the wild saltmarshes of Norfolk's north coast, Ruth Galloway, a university lecturer in forensic archaeology, is asked to date them by DCI Harry Nelson. He thinks they may be the bones of a child called Lucy who has been missing for ten years. It's a cold case he has never been able to forget, in part because he's received creepy letters about Lucy—quoting Shakespeare and the Bible, in addition to referencing ritual and sacrifice—ever since her disappearance. When Ruth proves that the bones are those of an Iron Age girl who died over two thousand years ago, she supposes that this is the end of the story. She's wrong: it's just the beginning of a nightmare. The Crossing Places is a gripping story about how the past, even the distant past, can have a deadly hold on the present. It marks the beginning of a stunning new mystery series, and the debut of an intelligent, salty-tongued sleuth who is all the more likeable for being vulnerable in ways she's the last to recognize.

The Crossing Places Elly Griffiths, 2009 Summoned by Detective Chief Inspector Harry Nelson to help the investigation of bones found near England's Saltmarsh region, archaeologist Ruth Galloway discovers that the remains are bizarrely linked

to a case involving a disturbed anonymous letter-writer and a missing child.

The Crossing Places Elly Griffiths (pseud. van Domenica De Rosa.), 2010 Forensisch archeologe Ruth Galloway probeert met behulp van de wetenschap en politieonderzoek jaren oude moorden alsnog op te lossen.

Crossing Places Elly Griffiths, 2009-05-07

A Room Full of Bones Elly Griffiths, 2012 When a curator is found murdered, Ruth Galloway and Detective Inspector Nelson track down links between the murder, Aborigine skulls, and a drug-smuggling operation that forces Ruth to question her loyalties.

The House at Sea's End Elly Griffiths, 2011-05-03 The dry humour and intelligence of Elly Griffiths's Ruth Galloway mysteries, set in Norfolk, England, are fresh air in a genre dominated by surly male detectives and gun-totin' female PIs. In the third novel in the Ruth Galloway series, shoreline erosion at the village of Broughton Sea's End has revealed the skeletons of six men, their arms bound. From the mineral content of their bones, forensic archaeologist Ruth Galloway can tell that they were all Germans. Most likely, DCI Harry Nelson reckons, they were killed by the local Home Guard when they tried to land during the Second World War. This is just the first complication in a story brimming with surprise twists, not all of them stemming from these murders. Ruth is a new mum of a daughter she adores but whose existence is raising eyebrows and is testing Ruth's assumption that she can be a mum, a professional archaeologist, a teacher, and an adjunct to a murder investigation all at the same time. *The House at Sea's End* is smart, witty, complex, intriguing, generous — much like its protagonist.

The Janus Stone Elly Griffiths, 2011 Investigating the discovery of a murdered child on a demolition site, pregnant archaeologist Ruth Galloway teams up with Detective Harry Nelson to discern the victim's identity before realizing that she is being targeted by a dangerous assailant.

Ruth Galloway Series Elly Griffiths, 2015-12-01 Looking for a new mystery series to suck you in? Dive into the inaugural novels of the captivating Ruth Galloway mysteries with this starter pack. Archaeologist Dr. Ruth Galloway turns amateur sleuth once Detective Chief Inspector Nelson calls her for help when a child's bones are found on a desolate beach. Gone are the days of digging up artifacts and living alone with her cats—Ruth is pulled into the world of shadowy murders, resurfaced bones, historical mysteries, twisted secrets, and a dash of romance. *THE CROSSING PLACES* Join Dr. Ruth Galloway in her first foray into the world of forensic archaeology when a child's bones are found on a beach. Ruth is called in to help decipher whether they are the remains of Lucy Downey, a little girl who went missing a decade ago and whose abductor continues to taunt Detective Chief Inspector Nelson with bizarre letters containing references to ritual sacrifice, Shakespeare, and the Bible. Then a second girl goes missing and Nelson receives a new letter—exactly like the ones about Lucy. Is it the same killer? Or a copycat murderer, linked in some way to the site near Ruth's remote house? *THE JANUS STONE* It's been only a

few months since archaeologist Ruth Galloway found herself entangled in a missing persons case, barely escaping with her life. But when construction workers demolishing a large old house in Norwich uncover the bones of a child beneath a doorway—minus its skull—Ruth is once again called upon to investigate. Is it a Roman-era ritual sacrifice, or is the killer closer at hand? **THE HOUSE AT SEA'S END** Just back from maternity leave, forensic archaeologist Ruth is finding it hard to juggle motherhood and work when she is called in to investigate human bones that have surfaced on a remote Norfolk beach. The bones—six men with their arms bound—it turns out, date back to World War II, a desperate time on this stretch of coastland. Elly Griffiths's work has been praised by the Associated Press as “must-reads for fans of crime fiction.” The e-book includes *The Crossing Places*, *The Janus Stone*, and *The House at Sea's End*.

The Postscript Murders Elly Griffiths, 2021-03-02 This droll romp is a latter-day Miss Marple.” —Washington Post Murder leaps off the page when crime novelists begin to turn up dead in this intricate new novel by internationally best-selling author Elly Griffiths, a literary mystery perfect for fans of Anthony Horowitz and Agatha Christie. The death of a ninety-year-old woman with a heart condition should not be suspicious. Detective Sergeant Harbinder Kaur certainly sees nothing out of the ordinary when Peggy's caretaker, Nataalka, begins to recount Peggy Smith's passing. But Nataalka had a reason to be at the police station: while clearing out Peggy's flat, she noticed an unusual number of crime novels, all dedicated to Peggy. And each psychological thriller included a mysterious postscript: PS: for PS. When a gunman breaks into the flat to steal a book and its author is found dead shortly thereafter—Detective Kaur begins to think that perhaps there is no such thing as an unsuspicious death after all. And then things escalate: from an Aberdeen literary festival to the streets of Edinburgh, writers are being targeted. DS Kaur embarks on a road trip across Europe and reckons with how exactly authors can think up such realistic crimes . . .

The Stone Circle Elly Griffiths, 2019-05-07 In this delightfully creepy mystery, Ruth Galloway—whom #1 New York Times bestselling author Louise Penny calls “a captivating amateur sleuth”—is haunted by a ghost from her past, just as her future lands on shaky ground. ¶ “Its patented combination of mysterious circumstances, police procedure, and agonizing relationship problems will keep you reading, and feeling, all night.” —Kirkus Reviews (starred review) ¶ Ruth's partner in crime, DCI Nelson, has been receiving threatening letters. They are anonymous, yet reminiscent of ones he has received in the past, from the person who drew him into a case that's haunted him for years. At the same time, Ruth receives a letter purporting to be from that very same person—her former mentor, and the reason she first started working with Nelson. But the author of those letters is dead. Or is he? The past is reaching out for Ruth and Nelson, and its grip is deadly.

The Dark Angel Elly Griffiths, 2018-05-15 In this highly atmospheric mystery, Ruth Galloway—whom #1 New York Times bestselling author Louise Penny calls “a captivating amateur sleuth”—has her summer vacation disrupted by a murder in a medieval Italian town where dark secrets are buried as deep as bones. When archaeologist Angelo Morelli asks Ruth

Galloway to come to the Italian countryside to help identify bones found in picturesque Fontana Liri, she jumps at the chance to go—and brings her daughter along for what she assumes will be a working vacation. Upon arriving, Ruth hears murmurs of Fontana Liri's strong resistance movement during World War II, and begins to sense that the townspeople are harboring an age-old secret. But how, if at all, could this chapter in history be connected to the human remains that Angelo has unearthed? Just as she's getting her footing in the dig, DCI Nelson appears, unexpectedly and for no clear reason. When Ruth's findings lead her and her crew to a modern-day murder, their holiday turns into anything but as they race to find out what darkness is lurking in this seemingly peaceful place. . .and who may be on their trail.

Gothic Travel through Haunted Landscapes Lucie Armitt, Scott Brewster, 2022-12-06 This book argues that the process and experience of travel in Gothic literature provides a unique and transformative perspective on the relationship between fear and recurring cultural preoccupations from the late eighteenth century to the present, ranging from concerns about climate change or the presence of the unseen to the negotiation of cultural difference and the apprehension produced by various modes of modern transport and unknown/unknowable terrain. The book follows travellers who take many fictional forms – tourists, commuters, walkers, explorers, as well as the 'armchair tourist' or reader – as they encounter fascinating, strange and often disconcerting weathers, climates, landscapes and topographies. Gothic travel epitomises the wonder, excitement, suspicion or incomprehension that arises from journeys through familiar and unfamiliar terrain. While exposure to the wild, elemental or primitive could produce the elevation of the sublime in early Gothic, increasingly the experience of travel raised unsettling questions about people, places and environments that lay beyond established frames of knowledge. Gothic travellers are haunted, never alone, and the experience of journeying through these landscapes provokes fears that may shadow them even after they have returned to 'home' ground. *Climates of Fear* reveals the persistent ways in which Gothic narratives of travel confront fears about the environment, surveillance, (im)migration and the foreign. These abiding concerns speak loudly to the present time, however, when the encroachments on our immediate surroundings – from climate change, digital communication and geopolitical dislocation – seem at once remote and intimate, invisible yet urgent. Thus the book also asks whether recent portrayals of Gothic journeys now pose different questions to the reader.

The Stranger Diaries Elly Griffiths, 2019-03-05 International Bestseller Winner of the Edgar Award for Best Novel This lively whodunit keeps you guessing until the end. —People Death lies between the lines when the events of a dark story start coming true in this haunting modern Gothic mystery, perfect for fans of *Magpie Murders* and *The Lake House*. Clare Cassidy is no stranger to murder. A high school teacher specializing in the Gothic writer R. M. Holland, she even teaches a course on him. But when one of Clare's colleagues is found dead, with a line from Holland's iconic story "The Stranger" left by her body, Clare is horrified to see her life collide with her favorite literature. The police suspect the killer is someone Clare knows. Unsure whom to trust, she turns to her diary, the only outlet for her suspicions and fears. Then one day she notices

something odd. Writing that isn't hers, left on the page of an old diary: Hallo Clare. You don't know me. Clare becomes more certain than ever: "The Stranger" has come to terrifying life. But can the ending be rewritten in time?

The Ghost Fields Elly Griffiths, 2015-05-19 The chilling discovery of a downed World War II plane with a body inside leads Ruth and DCI Nelson to uncover a wealthy family's secrets in this Ruth Galloway mystery. It's a blazing hot summer in Norfolk when a construction crew unearths a downed American fighter plane from World War II with a body inside. Forensic archeologist Ruth Galloway determines that the skeleton couldn't possibly be the pilot, and DNA tests identify the man as Fred Blackstock, a local aristocrat long presumed dead—news that seems to frighten his descendants. Events are further complicated by a TV company that wants to make a film about Norfolk's deserted air force bases, the so-called ghost fields, which the Blackstocks have converted into a pig farm. As production begins, Ruth notices a mysterious man loitering at Fred Blackstock's memorial service. Then human bones are found on the family's pig farm and the weather quickly turns. Can the team outrace a looming flood to find the killer?

The Midnight Hour Elly Griffiths, 2021-12-07 The Brighton police force is on the hunt for another killer, but this time they have some competition—a newly formed all-women's private eye firm, led by none other than the police chief's wife. Newly minted PI Emma Holmes and her partner Sam Collins are just settling into their business when they're chosen for a high-profile case: retired music-hall star Verity Malone hires them to find out who poisoned her husband, a theater impresario. Verity herself has been accused of the crime. The only hitch—the Brighton police are already on the case, putting Emma in direct competition with her husband, police superintendent Edgar Stephens. Soon Emma realizes that Verity's life intersects closely with her own—most notably in their mutual connection, Max Mephisto, who has returned to England from America with his children and famous wife, Hollywood star Lydia Lamont. Lydia, desperately bored in the countryside, catches wind of what Emma and Sam are up to and offers her services. What secret does Lydia know about Verity's past? The team of female PIs circle closer to the killer, with the Brighton police hot on their tail. The clues suggest they're looking for a criminal targeting the old music-hall crew. How long will it be before that trail leads straight back to Max?

The Night Hawks Elly Griffiths, 2021-06-29 A USA Today Bestseller There's nothing Ruth Galloway hates more than amateur archaeologists, but when a group of them stumble upon Bronze Age artifacts alongside a dead body, she finds herself thrust into their midst—and into the crosshairs of a string of murders circling ever closer. Ruth is back as head of archaeology at the University of North Norfolk when a group of local metal detectorists—the so-called Night Hawks—uncovers Bronze Age artifacts on the beach, alongside a recently deceased body, just washed ashore. Not long after, the same detectorists uncover a murder-suicide—a scientist and his wife found at their farmhouse, long thought to be haunted by the Black Shuck, a humongous black dog, a harbinger of death. The further DCI Nelson probes into both cases, the more intertwined they become, and the closer they circle to David Brown, the new lecturer Ruth has recently hired, who

seems always to turn up wherever Ruth goes.

Smoke And Mirrors Elly Griffiths, 2016-10-18 “Another great series.” — San Jose Mercury News “A dazzlingly tricky mystery.” — Kirkus Reviews “A tremendous skein of red herrings, sharp and thorough police work, [and] mysterious connections.” — Bookgasm It’s Christmastime in Brighton, and the city is abuzz about magician Max Mephisto’s star turn in Aladdin. But the holiday cheer is lost on DI Edgar Stephens. He’s investigating the murder of two children, Annie and Mark, who were found in the woods alongside a trail of candy—a horrifying scene eerily reminiscent of “Hansel and Gretel.” Edgar has plenty of leads. Annie, a dark child, wrote gruesome plays based on the Grimms’ fairy tales. Does the key to the case lie in her final script? Or does the macabre staging of the bodies point to the theater and the capricious cast of Aladdin? Edgar enlists Max’s help in penetrating the shadowy world of the theater. But is this all just classic misdirection? “Excellent . . . Evoking both the St. Mary Mead of Agatha Christie and the theater world of Ngaio Marsh.” — Booklist

Her Last Secret P L Kane, 2020-01-08 ‘THE PLOT TWIST! all I wanted to do was to go back to read!!!’ NetGalley reviewer

The Lantern Men Elly Griffiths, 2020-07-14 Forensic archaeologist Ruth Galloway changed her life—until a convicted killer tells her that four of his victims were never found, drawing her back to the place she left behind. Everything has changed for Ruth Galloway. She has a new job, home, and partner, and she is no longer north Norfolk police’s resident forensic archaeologist. That is, until convicted murderer Ivor March offers to make DCI Nelson a deal. Nelson was always sure that March killed more women than he was charged with. Now March confirms this and offers to show Nelson where the other bodies are buried—but only if Ruth will do the digging. Curious, but wary, Ruth agrees. March tells Ruth that he killed four more women and that their bodies are buried near a village bordering the fens, said to be haunted by the Lantern Men, mysterious figures holding lights that lure travelers to their deaths. Is Ivor March himself a lantern man, luring Ruth back to Norfolk? What is his plan, and why is she so crucial to it? And are the killings really over?

Elly Griffiths The Crossing Places Introduction

In today's digital age, the availability of Elly Griffiths The Crossing Places books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Elly Griffiths The Crossing Places books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Elly Griffiths The Crossing Places books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes.

By accessing Elly Griffiths The Crossing Places versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Elly Griffiths The Crossing Places books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched

for specific terms, making them highly practical for studying or referencing. When it comes to accessing Elly Griffiths The Crossing Places books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Elly Griffiths The Crossing Places books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that

provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Elly Griffiths The Crossing Places books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-

improvement. So why not take advantage of the vast world of Elly Griffiths The Crossing Places books and manuals for download and embark on your journey of knowledge?

FAQs About Elly Griffiths The Crossing Places Books

1. Where can I buy Elly Griffiths The Crossing Places books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple

- Books, Kindle, and Google Play Books.
3. How do I choose a Elly Griffiths The Crossing Places book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
 4. How do I take care of Elly Griffiths The Crossing Places books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
 5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
 6. How can I track my reading

progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Elly Griffiths The Crossing Places audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local

Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read Elly Griffiths The Crossing Places books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
