Dan McCollam

The Healing Gifts of the Spirit Agnes Sanford, 1984-08-15 This practical guide to spiritual healing blends insightful spiritual reflection and the wisdom of hard-won experience in a reliable and inspiring handbook for developing our innate capacity for richer living and richer giving through the healing gifts of the Spirit. Many years ago, Agnes Sanford was cured of acute depression by a minister who believed in the healing power of prayer. Subsequently, she herself became very active and successful in healing others of mental and physical ailments by drawing upon the same resources for inner well-being. In *The Healing Gifts of the Spirit*, she shares the simple, practicable ways of self-help she discovered, and gives step-by-step advice on how to help others. She discusses not only her own cure but also the gift of healing in general and its growing recognition in the contemporary church. She devotes a chapter to the gift of miracles, and another -- especially interesting -- to the gift of tongues. Her exploration of these topics is richly inspiring, offering readers one of the most detailed, informative discussions of the nature, dynamics, and potential rewards of these unique manifestations of God's presence. At the same time, she demonstrates how anyone can draw upon this healing power for good in the world. As evidence of how these gifts can -- and do -- reveal themselves, the author cites many examples from observation and personal encounters with the healing power of the Spirit.

Your Soul's Gift Robert Schwartz, 2012-04-11 In his groundbreaking first book, *Your Soul's Plan*, Robert Schwartz brought the idea of pre-birth planning into the mainstream. Now, his brilliant sequel *Your Soul's Gift* delves even deeper by exploring the pre-birth planning of spiritual awakening, miscarriage and abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. Working with a team of gifted mediums, Schwartz brings forth great love and wisdom from the other side to explain why such experiences are planned and the deep, soul-level healing they can create. Through the stories in *Your Soul's Gift* you can: -Develop greater self-love as you become aware of the tremendous

courage it takes for you to plan a life on Earth and to live the life you planned -Emerge from victim consciousness to know yourself as the powerful creator of your life -Forgive those who have hurt you and create a lasting inner peace -Understand the qualities you came into this lifetime to cultivate and express -See profound purpose in experiences that once appeared to be meaningless suffering -Develop a heartfelt knowing of your infinite worth, beauty, magnificence, and sacredness as an eternal soul.

The Healing Gift David Freud,2010-10-01 A few very special people qualify as medical intuitives, and Linda Freud is one of them. When Linda's husband, David, bought her a silver pendulum on a chain, she made an amazing discovery-she could find answers to problems depending on the direction the pendulum moved but she wasn't the one moving it! The couple learned that the pendulum was being guided by angels, giving Linda the power to diagnose and cure body/mind/spirit problems. To harness this power, David set up a massive database organized by physical, emotional, and spiritual conditions and their cures. With Linda's gift of angelic information, she is able to identify complex causes of acute and chronic illnesses to channel powerful remedies. After introductory chapters on the discovery of Linda's gift, healing philosophy, *The Healing Gift* is organized into four parts. The first part describes common physical problems, including genetically inherited disorders, heavy metal toxicity from dental amalgams, illnesses caused by environmental toxins, and metabolic and dietary issues that cause disease. The second part describes emotional healing, including treating depression naturally and the

effects of stress. The third part delves into metaphysics and reincarnation, and the fourth part describes the angelic network that Linda channels. Testimonials of complex cases that Linda diagnosed and cured provide examples in several chapters of how she works. This edition is in two volumes. The second volume ISBN is 9781459612778.

The Twelve Gifts for Healing Charlene Costanzo, 2004-02-03 A wonderful and compassionate illustrated gift book that will inspire readers to triumph over adversity of any kind. Understanding Spiritual Gifts Sam Storms, 2020-09-01 What are spiritual gifts? Storms has spent several decades teaching on the topic of the spiritual gifts and equipping believers in the faithful practice of God's gifts. Yet there remains a great deal of confusion about the nature of the gifts and how they best function in the body of Christ. In this comprehensive guide to the spiritual gifts, Storms addresses the many bizarre and misleading interpretations while confronting the tendency to downplay the urgency of spiritual gifts for Christian living and ministry. He explains how spiritual gifts--both the more miraculous and the everyday--are given to build up the body of Christ. God has graciously provided these manifestations of the Spirit so that believers might encourage, edify, strengthen, instruct, and console one another, all with a view to an ever-increasing, incremental transformation into the image of Jesus Christ. Throughout this guide, Sam Storms unpacks the glorious truth that there is a supernatural and divine energy or power that fills and indwells the body and soul of every Christian believer. *Understanding Spiritual Gifts* is useful as a reference to address common questions about the gifts, but it also serves as a training manual for using and exercising the gifts in ministry. It is perfect for any individual or group who wants to grow in their understanding of spiritual gifts for today.

Forgiveness Cheryl Carson, 1996-01-01 The more we have been hurt, the more we deserve to forgive. Forgiveness is an act of self-love, a healing gift we give ourselves. It is a restoration to wholeness for those who suffer from the actions of others. It is relieving ourselves of the destructive burden that resentment and anger lay upon us.
