**How to Communicate in American English** Salim Khan Anmol,2020-11-10 How to Communicate in American English - New Edition is a recently launched book of Sakha Global Books Inc. publication to hold good command over English language. This is an excellent resource for all students who wish to learn, write and speak English language from zero level to an advanced level. A perfect English resource for self-study, the series follows a guided-learning approach that gives students access to a full answer key with model answers. Developed by experienced IELTS tutors, the series takes into account the specific language needs of learners at this level. A lower-level exam practice book designed to improve the level of students who plan to take the IELTS test in the future. The Best Proven Way to Learn and Speak English This book does not just tell you what is required but also gives details and exercises for success. If you follow the book and do the exercises, you will quickly see your speaking improve. You will be given the knowledge and resources, but you must use the methods if you want to improve your English speaking. This book has been divided into sections and each section has been further divided into lessons. have been given, wherever necessary. Also, exercises are given at the end of every lesson for practice and solutions at the end of the book. Salient Features of the Book: • Self-Sufficient, Self-Study Book. • Detailed Explanation of English Grammar Topics. • Easy tools for Written and Spoken English. • Complete Guide to Error-free usage of English in day-to-day life. • Easy to Grasp Language for better understanding. This book has been designed to help you learn English in an easy and proper way. This is a clearly structured introductory English learning book intended to offer readers an advanced fluency in both spoken and written English. English pronunciations are given in easy way helping the readers to understand the complexities of English pronunciation. A lot of students have studied English for years but still aren't able to speak English on an advanced level. They have tried many methods, attending classes, learning how to pronounce every single word and even getting a private English tutor to improve their spoken English, yet they still have a hard time pronouncing English words correctly or feeling too nervous to speak. - Author, Salim Khan Anmol

English Grammar Roger Berry, 2018-04-27 Routledge English Language Introductions cover core areas of language study and are one-stop resources for students. Assuming no prior knowledge, books in the series offer an accessible overview of the subject, with activities, study questions, sample analyses, commentaries and key readings – all in the same volume. The innovative and flexible 'two-dimensional' structure is built around four sections – introduction, development, exploration and extension – which offer self-contained stages for study. Each topic can also be read across these sections, enabling the reader to build gradually on the knowledge gained. English Grammar: provides a wide-ranging introduction to English grammar, drawing on a variety of international authentic texts, including newspapers, novels and academic texts, to help learners understand concepts and theories in more depth; is written in clear, concise prose in order to present basic concepts and key terms in an accessible way to learners with little or no background in grammar instruction; emphasises the autonomy of the learner through activities and exercises which are suited to both native speakers and learners of English alike; includes a selection of readings from key academics in the field including Michael Halliday, Michael McCarthy, Caroline Coffin and John Sinclair. Drawing on the strengths of the original textbook, this second edition features: new readings from Christian Jones, Daniel Waller and Thomas E. Payne; revised questions, suggestions and issues to consider; and a brand new companion website featuring interactive audio files of authentic spoken English, links to further reading and new grammar tasks. Written by an experienced teacher and researcher, this accessible textbook is an essential resource for all students of English language and linguistics.

**From Words to Grammar** Roger Berry, 2015-06-12 From Words to Grammar is a different introduction to grammar for students. Taking a word-based approach to grammar, this innovative book introduces the subject through the analysis of over a hundred of the most commonly used English words. Each unit focuses on a different word class, using an analysis of specific words which includes: an introduction to the grammar of each word; examples of real world usage featuring that word; exercises with answers. This unique approach not only introduces students to grammar but also provides them with an understanding of how grammar works in everyday English. Written by an experienced teacher and author, From Words to Grammar is ideal for all students of English Language.

Oxford Guide to English Grammar John Eastwood, 1994 The Oxford Guide to English Grammar is a systematic account of

grammatical forms and the way they are used in modern standard English. It is designed for learners at intermediate and advanced levels and for teachers, and is equally suitable for quick reference to details or for the more leisured study of grammatical topics. The emphasis is on meaning in the choice of grammatical pattern, and on the use of patterns in texts and in conversations.
