The Lord of the Rings Chris Smith,2003 A tour through all of the major and minor conflicts that occur during the three parts of The Lord of the Rings movie trilogy. Battles, armour, weaponry, cultures and creatures: all are covered and explained, together with photos and illustrations and specially commissioned battle plans. filmed. The only problem is that the furious pace of the films means that the viewer barely has time to enjoy the visual spectacle of one particular action scene before they are hurtled headlong into another conflict. This title provides all the background that is absent from the films, taking the reader on a detailed tour through all of the major and minor conflicts that occur during the three parts of story. It explains the history behind each battle and examines the strategy used by both forces. Mines of Moria, Helm's Deep and the climactic battle of the Pelennor Fields at Minas Tirith - is illustrated by a specially commissioned battle plan that reveals exactly how the battle was fought. The book also describes in detail each of the many different races and armies that appear in the trilogy: Men, Elves, Dwarves, all the different races of Orcs, and the various allies of both the Fellowship and

Mordor. Each will be discussed at length - how they fight, why they are fighting, what armour they wear and what weapons they use. These will enable the reader to get as close to a marauding Orc as they could ever wish, without suffering the consequences.

The Return of the King John Ronald Reuel Tolkien, 2001 As the armies of the Dark Lord gather, Aragorn joins with the Riders of Rohan, Merry and Pippin escape into the Fangorn Forest and meet the Ents, Gandalf returns, and Sam and Frodo are separated after Frodo is captured by the Orcs.

The "Lord of the Rings" Alison Sage, David Brawn, 2004 The official children's pictorial storybook covering all three Lord of the Rings movies. A full-colour photo guide packed with stunning pictures of the key characters, creatures and places in the film. Discover the origins of the Ring, find out about each of the Nine Companions and their characters, see how the Fellowship was formed, and follow the Companions as they embark on their quest to destroy the One Ring. As the armies of the Dark Lord Sauron come together, Gandalf and the rest of the Fellowship are drawn into the epic War of the Ring, while Aragorn must decide whether or not to fulfil his destiny and claim his place as King of Gondor. This exciting and colourful introduction for younger readers to the film and the 'Greatest Adventure Story Ever Written' is packed with over 250 photographs from the film, including many published in this edition for the very first time.

The Return of the King Editorial Editorial World, J. R. R. Tolkien, 2015-06-09 As the Shadow of Mordor grows across the land, the Companions of the Ring have become involved in separate adventures. Aragorn, revealed as the hidden heir of the ancient Kings of the West, has joined with the Riders of Rohan against the forces of Isengard, and takes part in the desperate victory of the Hornburg. Merry and Pippin, captured by Orcs, escape into Fangorn Forest and there encounter the Ents. Gandalf has miraculously returned and defeated the evil wizard, Saruman. Sam has left his master for dead after a battle with the giant spider, Shelob; but Frodo is still alive - now in the foul hands of the Orcs. And all the while the armies of the Dark Lord are massing as the One Ring draws ever nearer to the Cracks of Doom. A triumphant close . . . a grand piece of work, grand in both conception and execution. An astonishing imaginative tour de force. - Daily Telegraph
