The Lost Boy Duncan Staff,2012-08-31 THE BOOK BEHIND THE MAJOR BBC SERIES Now updated and including previously unseen photographs. 'As close to the definitive book on the subject as we are ever likely to read' Manchester Evening News The Lost Boy is the compelling story of some of the twentieth-century's most notorious crimes. Over more than twenty years, Duncan Staff has undertaken an exhaustive, and sensitive, exploration into all aspects of the murders committed by Ian Brady and Myra Hindley and their long-felt aftermath. In a major new series for the BBC, The Moors Murders: A Search for Justice, he presents newly discovered documents and recordings of the infamous child serial killers. The series seeks to expose past errors while also uncovering startling new evidence which could be used to find the body of the final missing victim, Keith Bennett. This updated edition of Duncan Staff's book tells the full story of his investigation into what happened - the nearest to a definitive book on the subject we will ever read.

Magic Words Lance Parkin,2013-11-07 For over three decades comics fans and creators have regarded Alan Moore as a titan of the form. With works such as V for Vendetta, Watchmen and From Hell, he has repeatedly staked out new territory, attracting literary plaudits and a mainstream audience far removed from his underground origins. His place in popular culture is now such that major Hollywood players vie to adapt his books for cinema. Yet Moore's journey from the hippie Arts Labs of the 1970s to the bestseller lists was far from preordained. A principled eccentric, who has lived his whole life in one English town, he has been embroiled in fierce feuds with some of the entertainment industry's biggest corporations. And just when he could have made millions ploughing a golden rut he turned instead to performance art, writing erotica, and the occult. Now, as Alan Moore hits sixty, it's time to go in search of this extraordinary gentleman, and follow the peculiar path taken by a writer quite unlike any other.

Pulling Newspapers Apart Bob Franklin,2008-03-07 Pulling Newspapers Apart: Analysing Print Journalism explores contemporary UK national and local newspapers at a significant and pivotal moment in their development when some pundits are busily, if mistakenly, announcing their demise. The book offers a detailed examination of features which previous studies have tended to neglect, such as editorial formats, aspects of newspaper design, newspaper contents as well as the content of newspapers which is not generated by in house journalists.

Ian Brady Alan Keightley, 2017-05-22 Since May 1966 when Ian Brady and Myra Hindley were sentenced to life imprisonment at Chester Assizes the British public has been absorbed and horrified by the Moors Murders. Ian Brady has often been aptly described as 'the most evil man alive' or 'the Daddy of the Devils', while Myra Hindley, Britain's first female serial killer, became the most hated woman in Britain. Here is the definitive account, drawing on exclusive, never-before-seen material. It changes forever our understanding of the Moors couple and their heinous crimes. Why did they do it? What actually happened? Unlikely as it may appear to those detectives, psychiatrists, authors, criminologists, journalists and the victims' families, who have all sought in their own ways for decades to discover it, this book is possibly as near as we shall ever get to understanding how the victims died. It proves beyond question that the parents of the victims were right all along in their claims about Hindley's part in the murders. Did Brady give an account to anyone of his life, Myra Hindley and their crimes before he died? Yes, he did - here it is.

Taking It On the Chin Tom Pendry, 2016-03-17 Surely one of the most colourful characters ever to have graced the Palace of Westminster, Tom Pendry has been a boxer, a bruiser and a scholar, whose political career as an agent, candidate, Labour MP and peer has spanned over sixty years. As well as introducing key legislation, his time in Parliament saw him famously kick-start Tony Blair's political career, lead the first anti-apartheid demonstration at a cricket match of an all-white South African side, and head up the successful fight to keep sport on Radio 5. During this time, he also took up the constituency case of a local GP complaining of cuts in drugs funding - Harold Shipman, Britain's most prolific serial killer. Well-known within the Labour Party as 'the best Sports Minister we never had', Pendry once dislocated his own shoulder showing Muhammad Ali how to punch, almost knocking out the world heavyweight champion's wife in the process. Full of revealing anecdotes and candid descriptions of colleagues, his memoirs throw new light on successive governments and great, epoch-making events, and are a mixture of light and shade, irreverent wit and deeply serious intent.

Settings Tim Allen,2008 I had in mind a kind of anti prose poem that would look and smell like one but give a different taste and have a different texture. One way of doing this was by making the conclusion of each Set flat and deflationary, almost deliberately poor in the sense that they never approached closure, either artificially or in actuality.
