Never Trust a Gemini Freja Nicole Woolf,2023-05-09 Cat Phillips has her head in the stars, but her romantic fantasies may ruin her shot at real-life love in this sweet and funny lesbian story. It's Libra Season, and Cat Phillips is ready to run headfirst into love. The only problem is that her crush is on her best friend, Alison Bridgewater, who is more interested in chatting with boys. Maybe Cat should take this as a sign to get over Alison, even if that means dating the musically challenged Jamie Owusu. After all, a new boyfriend is the best cleanse, at least according to Cat's friends. Unfortunately, having a boyfriend is a lot harder than Cat expected. And then Morgan Delaney swoops in with her green glasses, enigmatic smile, and talent for teasing Cat in ways that make her feel überlicious. But Morgan is a Gemini, and there's no way that's in Cat's horoscope. Will Cat finally get the girl of her dreams? Or is there a chance there's more to life than Alison Bridgewater? The stars align for the cast of this energetic romp full of comedic misunderstandings and sparkling language.

Space Truckers Michael D'Ambrosio,2022-04-06 When Mike Colby, a lonely mercenary, is hired by his ex-wife Gemini to meet with an old alien enemy for an unlikely alliance, he thought the hardest thing ahead of him was preventing an invasion. Unfortunately, things get a whole lot worse when Gemini betrays both Mike and one of her own captains, the feisty Tisch Mallory, who rescues him against her orders, to the aliens. Meanwhile, Tisch uses Mike's past relationship with Gemini against him, despite his loyalty to her. Stuck in the middle of a feud between the two women, the aliens are the least of

Mike's concerns. Caught in a war between rival shipping corporations, life on a small, outdated freighter, the Blue Eagle, is anything but boring.

Jacqueline Kennedy Caroline Kennedy,2025-05-01 To mark John F. Kennedy's centennial, celebrate the life and legacy of the 35th President of the United States. In 1964, Jacqueline Kennedy recorded seven historic interviews about her life with John F. Kennedy. Now, for the first time, they can be read in this deluxe, illustrated eBook. Shortly after President John F. Kennedy's assassination, with a nation deep in mourning and the world looking on in stunned disbelief, Jacqueline Kennedy found the strength to set aside her own personal grief for the sake of posterity and begin the task of documenting and preserving her husband's legacy. In January of 1964, she and Robert F. Kennedy approved a planned oral-history project that would capture their first-hand accounts of the late President as well as the recollections of those closest to him throughout his extraordinary political career. For the rest of her life, the famously private Jacqueline Kennedy steadfastly refused to discuss her memories of those years, but beginning that March, she fulfilled her obligation to future generations of Americans by sitting down with historian Arthur Schlesinger, Jr., and recording an astonishingly detailed and unvarnished account of her experiences and impressions as the wife and confidante of John F. Kennedy. The tapes of those sessions were then sealed and later deposited in the John F. Kennedy Presidential Library and Museum upon its completion, in accordance with Mrs. Kennedy's wishes. The resulting eight and a half hours of material comprises a unique and compelling record of a tumultuous era, providing fresh insights on the many significant people and events that shaped JFK's presidency but also shedding new light on the man behind the momentous decisions. Here are JFK's unscripted opinions on a host of revealing subjects, including his thoughts and feelings about his brothers Robert and Ted, and his take on world leaders past and present, giving us perhaps the most informed, genuine, and immediate portrait of John Fitzgerald Kennedy we shall ever have. Mrs. Kennedy's urbane perspective, her candor, and her flashes of wit also give us our clearest glimpse into the active mind of a remarkable First Lady. In conjunction with the fiftieth anniversary of President Kennedy's Inauguration, Caroline Kennedy and the Kennedy family are now releasing these beautifully restored recordings on CDs with accompanying

transcripts. Introduced and annotated by renowned presidential historian Michael Beschloss, these interviews will add an exciting new dimension to our understanding and appreciation of President Kennedy and his time and make the past come alive through the words and voice of an eloquent eyewitness to history.

Burglars Can't Be Choosers Lawrence Block, 2004-02-24 Bernie Rhodenbarr is a personable chap, a good neighbor, a passable poker player. His chosen profession, however, might not sit well with some. Bernie is a burglar, a good one, effortlessly lifting valuables from the not-so-well-protected abodes of well-to-do New Yorkers like a modern-day Robin Hood. (The poor, as Bernie would be the first to tell you, alas, have nothing worth stealing.) He's not perfect, however; he occasionally makes mistakes. Like accepting a paid assignment from a total stranger to retrieve a particular item from a rich man's apartment. Like still being there when the cops arrive. Like having a freshly slain corpse lying in the next room, and no proof that Bernie isn't the killer. Now he's really got his hands full, having to locate the true perpetrator while somehow eluding the police -- a dirty job indeed, but if Bernie doesn't do it, who will?
