Out of the Shadows Patrick J Carnes, 2009-06-21 With the revised information and up-to-date research, *Out of the Shadows* is the premier work on sex addiction, written by a pioneer in its treatment. Sex is at the core of our identities. And when it becomes a compulsion, it can unravel our lives. *Out of the Shadows* is the premier work on this disorder, written by a pioneer in its treatment. Revised and updated to include the latest research--and to address the exploding phenomenon of cybersex addiction--this third edition identifies the danger signs, explains the dynamics, and describes the consequences of sexual addiction and dependency. With practical wisdom and spiritual clarity, it points the way out of the shadows of sexual compulsion and back into the light and fullness of life.

Facing the Shadow Patrick Carnes, 2010 Rev. ed. of: *Facing the shadow* / Barbara K. Schwartz and Gregory M.S. Canfield; illustrations incorporated by Alyce M. Kullas. c1996.

Summary of Patrick Carnes, Ph.D.'s *Out of the Shadows* Everest Media, 2022-07-24T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 Hefner was forty-five, and had been with hundreds of photogenic women since starting his magazine, but he enjoyed female companionship more than ever. He was a sex junkie with an insatiable habit. #2 Del's life was a mess. He was a lawyer, and while he was very successful, his public visibility was creating a problem because he was also a sexual addict. He would initiate relationships with women, feeling that he was in love, but would desperately wish to be free after the initial sexual contact. #3 Del's story is one of constant predicaments. His addictive behavior put him in situations where he was vulnerable to tremendous consequences. His degradation was only exceeded by the violation of his own principles. #4 Sexual addiction is similar to other forms of addiction. It is a pathological relationship with a mood-altering chemical. The addict substitutes a sick relationship with an event or a process for a healthy relationship with others.

Don't Call It Love Patrick Carnes, 2013-12-18 Dr. Patrick Carnes is a creative, pioneering, and courageous human being. His books are changing the lives of thousands! I lost three marriages, all because of affairs. I became suicidal because of multiple intense involvements. I spent money on sex when I needed it for children's clothes. I lost promotion opportunities and a special scholarship because my co-workers found out about my sex life. Every day they face the possibility of destruction, risking their families, fiances, jobs, dignity, and health. They come from all walks of life: ministers, physicians,

therapists, politicians, executives, blue-collar workers. Most were abused as children--sexually, physically or emotionally--and saw addictive behavior in their early lives. Most grapple with other addictions as well, but their fiercest battle is with the most astounding prevalent secret disorder in America: sexual addiction. Here is a ground-breaking work by the nation's leading professional expert on sexual addiction, based on the candid testimony of more than one thousand recovering sexual addicts in the first major scientific study of the disorder. This essential volume includes not only the revealing findings of Dr. Carne's research with recovering addicts but also advice from the addicts and co-addicts themselves as they work to overcome their compulsive behavior. Positive, hopeful, and practical, *Don't Call It Love* is a landmark book that helps us better understand all addictions, their causes, and the difficult path to recovery.

Contrary to Love Patrick J Carnes, 2009-09-29 This resource identifies the stages and progression of sex addiction, including assessment, intervention, and treatment methods. Public humiliation, broken families, and ruined careers are just some of the tragic results when sex behavior is out of control. And as the media reports each new case, we ask ourselves the disturbing question, Why? In this sequel to *Out of the Shadows*, author and leading expert in the field of sex addiction, Patrick Carnes adds new insight and findings, building on his original descriptive framework. Stages and progression of the illness are identified. Family structure, bonding, and boundaries are examined in depth. Finally, assessment, intervention, and treatment methods are outlined, with the goal--and the hope--of ultimate recovery. A resource for therapists who treat those with sexual addiction as well as recovering addicts.

In the Shadows of the Net Patrick J Carnes, David L. Delmonico, Elizabeth Griffin, 2009-07-30 The much-anticipated second edition of the breakthrough book about recovering from online sexual addiction. As the Internet becomes a more powerful, imposing force in our lives, indeed becoming difficult to avoid, the potential for related problems also increases. This includes troubles of a sexual nature. When accessing porn no longer requires even a trip to the store, when we can view and participate in sexual activities anonymously, when younger and younger children are being exposed to sex online, when virtual interactions take over, limiting and even destroying real-time relationships, we are in crisis. Compulsive online sexual behavior is a real and growing problem. Yet the situation is not without hope. For those who are seeing signs of significant online problems in themselves or a loved one, this updated second edition of *In the Shadows of the Net* provides answers, understanding, and tools for recovery. With the latest statistics, discussion of recent technologies and devices, and new thinking on developing a healthy relationship with the Internet and avoiding relapse, this book offers authoritative, professional advice for achieving lasting, healthy change and healing.
