**Edward Leo Lyman**

Blood of the Prophets Will Bagley, 2012-09-06 The massacre at Mountain Meadows on September 11, 1857, was the single most violent attack on a wagon train in the thirty-year history of the Oregon and California trails. Yet it has been all but forgotten. Will Bagley's *Blood of the Prophets* is an award-winning, riveting account of the attack on the Baker-Fancher wagon train by Mormons in the local militia and a few Paiute Indians. Based on extensive investigation of the events surrounding the murder of over 120 men, women, and children, and drawing from a wealth of primary sources, Bagley explains how the murders occurred, reveals the involvement of territorial governor Brigham Young, and explores the subsequent suppression and distortion of events related to the massacre by the Mormon Church and others.

**American Zion** Betsy Gaines Quammen, 2020-03-25 A deep, fascinating dive into a uniquely American brand of religious zealotry that poses a grave threat to our national parks, wilderness areas, wildlife sanctuaries, and other public lands. It also happens to be a delight to read. —JON KRAKAUER *American Zion* is the story of the Bundy family, famous for their armed conflicts in the West. With an antagonism that goes back to the very first Mormons who fled the Midwest for the Great Basin, they hold a sense of entitlement that confronts both law and democracy. Today their cowboy confrontations threaten public lands, wild species, and American heritage. BETSY GAINES QUAMMEN is a historian and conservationist. She received a doctorate in Environmental History from Montana State University in 2017, her dissertation focusing on Mormon settlement and public land conflicts. After college in Colorado, caretaking for a bed and breakfast in Mosier, Oregon, and serving breakfasts at a cafe in Kanab, Utah, Betsy has settled in Bozeman, Montana, where she now lives with her husband, writer David Quammen, three huge dogs, an overweight cat, and a pretty big python named Boots.

**The Whites Want Every Thing** Will Bagley, 2019-10-17 American Indians have been at the center of Mormon doctrine from its very beginnings, recast as among the Children of Israel and thereby destined to play a central role in the earthly triumph of the new faith. The settling of the Mormons among the Indians of what became Utah Territory presented a different story—a story that, as told by the settlers, robbed the Native people of their voices along with their homelands. *The Whites Want Everything* restores those Native voices to the history of colonization of the American Southwest. Collecting a wealth of documents from varied and often-suppressed sources, this volume allows both Indians and Latter-day Saints to tell

their stories as they struggled to determine who would control the land and resources of North America's Great Basin. Journals, letters, reports, and recollections, many from firsthand participants, reveal the complexities of cooperation and conflict between Native Americans and Mormon Anglo-Americans. The documents offer extraordinarily wide-ranging and detailed perspectives on the fight to survive in one of Earth's most challenging environments. Editor Will Bagley, a scholar of Mormon history and the American West, provides cultural, historical, and environmental context for the documents, which include the Indians' own eloquent voices as preserved in the region's remarkable archives. In all these accounts, we see how some of western North America's most colorful historical characters recorded their adventures and regarded their painful stories—and how, in doing so, they bring light to a dark chapter in American history. Ranging from initial encounters through the 1850–1872 war against Native tribes, to recitations of Mormon millennial dreams continued long after Brigham Young's death in 1877, this is history as it happened, not as some might wish it had, at long last returning the original owners of today's Utah, Nevada, and Colorado to their rightful place in history.

**Hamblin** Hartt Wixom, 1996 Now from the torn pages of Hamblin's own journals and diaries, found in an old, weathered saddle bag, the real story of Jacob Hamblin comes to life. Read about this frontier explorer who spent more time with warring Indians than Daniel Boone or Kit Carson. Come to know the man who at the peril of his own life, when ordered by superiors to kill captive Indians, said: You'll have to shoot me first. Feel the suspense as angry Navajos prepare to burn Jacob Hamblin at the stake. Colonize the West. Encircle the Grand Canyon. Cross the Colorado River. Explore the unknown with the man who held special powers to resolve the needs of both his people and the Indians. Live the adventure of Jacob Hamblin—a modern look at the frontier life and the legend.

Excavating Mormon Pasts Newell C. Bringhurst, Lavina Fielding Anderson, 2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association Excavating Mormon Pasts assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue. It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored. It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty-first century.

**The J. Golden Kimball Stories** Eric Alden Eliason, 2007 The sharp wit of a free-thinking Mormon folk hero In *The J. Golden Kimball Stories*, beloved and iconoclastic Mormon humorist J. Golden Kimball (1853–1938) speaks on death, marriage, love, hell, God, and everything in between. Compiled by Eric A. Eliason from previously unpublished archival resources, this collection of stories, anecdotes, and jokes captures the irreverent comedy and independent thinking that made Kimball so beloved both in and out of his Mormon community. Arranged thematically and framed by short contextual introductions, each

chapter presents a colorful portrait of Kimball on topics including tricks, cussing, ministering, chastising, and repentance. A comprehensive introductory essay places Kimball in the context of Mormon history and folklore scholarship.

**San Bernardino** Edward Leo Lyman, 1996 From the beginning Young had misgivings about the colony. Particularly perplexing was the mix of atypical Latter-day Saints who gravitated there. Among these were ex-slave holders; inter-racial polygamists; horse-race gamblers; distillery proprietors; former mountain men, prospectors, and mercenaries; disgruntled Polynesian immigrants; and finally Apostle Amasa M. Lyman, the colony's leader, who became involved in spiritualist seances.
