Daniels' Orchestral Music David Daniels, David W. Oertel, David A. Rahbee, 2022-06-30 Daniels' Orchestral Music is the gold standard for all orchestral professionals—from conductors, librarians, programmers, students, administrators, and publishers, to even instructors—seeking to research and plan an orchestral program, whether for a single concert or a full season. This sixth edition, celebrating the fiftieth anniversary of the original edition, has the largest increase in entries for a new edition of Orchestral Music: 65% more works (roughly 14,050 total) and 85% more composers (2,202 total) compared to the fifth edition. Composition details are gleaned from personal inspection of scores by orchestral conductors, making it a reliable one-stop resource for repertoire. Users will find all the familiar and useful features of the fifth edition as well as significant updates and corrections. Works are organized alphabetically by composer and title, containing information on duration, instrumentation, date of composition, publication, movements, and special accommodations if any. Individual appendices make it easy to browse works with chorus, solo voices, or solo instruments. Other appendices list orchestral works by instrumentation and duration, as well as works intended for youth concerts. Also included are significant anniversaries of composers, composer groups for thematic programming, a title index, an introduction to Nieweg charts, essential bibliography, internet sources, institutions and organizations, and a directory of publishers necessary for the orchestra professional. This trusted work used around the globe is a must-have for orchestral professionals, whether conductors or orchestra librarians, administrators involved in artistic planning, music students considering orchestral conducting, authors of program notes, publishers and music dealers, and instructors of conducting.

Rachmaninoff Piano Concerto No. 2 - Score and Sound Masterworks Series ,2009-07-01 inch....this work is likely to become a standart work very quickly and is to be recommended to all schools where recorder studies are undertaken inch. (Oliver James, Contact Magazine) A novel and comprehensive approach to transferring from the C to F instrument. 430 music examples include folk and national songs (some in two parts), country dance tunes and excerpts from the standard treble repertoire of Bach, Barsanti, Corelli, Handel, Telemann, etc. An outstanding feature of the book has proved to be Brian Bonsor's brilliantly simple but highly effective practice circles and recognition squares designed to give, in only a few minutes, concentrated practice on the more usual leaps to and from each new note and instant recognition of random notes. Quickly emulating the outstanding success of the descant tutors, these books are very popular even with those who normally use tutors other than the Enjoy the Recorder series.

Reimagining Sergei Rachmaninoff's Piano Concerto No. 2 in C Minor, Op. 18 Allegro Scherzando for Wind Band Rebecca Cichy,2021 A wind band transcription of Sergei Rachmaninoff's Piano Concerto No. 2 in C Minor, Op. 18, Allegro Scherzando offered ample opportunity to experiment with different tone colors and orchestrations, as it was a work that translated well to the wind band medium. In the transcription, the integrity and character of the original work for solo piano and orchestra remained intact through a transformation to a solo piano and reduced wind band instrumentation. The continual demand for quality wind band repertoire and the recent need for reduced-instrumentation repertoire due to the COVID-19 pandemic were both addressed through this transcription. Additionally, wind band repertoire is lacking a substantial representation of works transcribed by females. As a female composer, arranger, and transcriber, I felt an immense amount of responsibility to represent females in a positive light in the field of wind band transcriptions and to promote, advocate, and support fellow and future female transcribers.

Rachmaninov - Concerto No. 2 in C Minor, Op. 18, 2006-07 (Music Minus One). Equally renowned as composer and pianist, Rachmaninov dazzled the world with his piano concerto in C minor. It is immensely popular to this day. Brilliant and powerful with the beautiful lyric theme that became the popular song Full Moon and Empty Arms, it is here presented in a lovely recording, sans your part, the solo piano. This deluxe 2-CD set includes a luxuriant 96-page, newly engraved score, plus a second slow-tempo practice accompaniment to help you get up to speed. The digital stereo compact disc features a complete performance of the concerto with orchestra and soloist Frederick Moyer and a second performance minus you, the soloist; and the second compact disc contains a full-speed version of the complete version as well as a special -12% slow-tempo version of the accompaniment for practice purposes. The concerto is voluminously indexed for your practice and performance convenience. Performed by Frederick Moyer, piano Accompaniment: East West Quantum Leap Orchestra
