Ruby Spencer's Whisky Year Rochelle Bilow, 2023-02-14 One of... BuzzFeed's Romance Books To Look Out For In 2023 Paste Magazine's Most Anticipated Contemporary Romance Books of 2023 When a thirty-something American food writer moves to a Scottish village for one year to fulfill her dream of writing a cookbook she finds more than inspiration—she meets a handsome Scotsman she can't resist. Ruby Spencer is spending one year living in a small cottage in a tiny town in the Scottish Highlands for three reasons: to write a bestselling cookbook, to drink a barrelful of whisky, and to figure out what comes next. It's hard to know what to expect after an impulse decision based on a map of Scotland in her Manhattan apartment—but she knows it's high time she had an adventure. The moment she sets foot in Thistlecross, the verdant scenery, cozy cottages, and struggling local pub steal her heart. Between designing pop-up suppers and conversing with the colorful locals, Ruby starts to see a future that stretches beyond her year of adventure. It doesn't hurt that Brochan, the ruggedly handsome local handyman, keeps coming around to repair things at her cottage. Though Ruby swore off men, she can't help fantasizing what a roll in the barley might be like with the bearded Scot. As Ruby grows closer to Brochan and the tightly held traditions of the charming village, she discovers secret plans to turn her beloved pub into an American chain restaurant. Faced with an impossible choice, Ruby must decide between love, loyalty, and the Highlands way of life.

Effie Olsen's Summer Special Rochelle Bilow, 2024-04-30 These childhood best friends swore they'd never speak again. But a surprise summer reunion changes everything when it gives them the chance to turn up the heat. Effie Olsen thought she'd never live on the tiny Maine island where she grew up, but she's returning from sixteen years as a professional chef in far-flung countries for one summer and one summer only. Her hometown boasts one of the best restaurants in the US, and lucky for her, Brown Butter needs a sous chef. Effie's eager for a chance at redemption after her last job went up in flames, but reluctant to set down roots in a place that reminds her of the ghosts of her past. Until, that is, she runs into Ernie Callahan, her onetime best friend who now works in the very same restaurant. Early morning swims and late-night games of truth or dare with Ernie remind her of what she's been missing while traveling the world. He knows her better than anyone, and it doesn't hurt that his smile lights her up brighter than the lighthouses dotting the craggy coastline. But their restaurant has a secret that's bursting at the seams, and if Effie doesn't keep it, her job will vanish into the foggy Maine air. As summer draws to a close, her dream job and the perfect guy are both within reach. Her salty seaside hometown might be the key to

Effie's sweet ending...if she can learn to let her heart lead the way in time.
