A Slow Poisoned Love Kunal Chawla,2018-02-22 Alisha, a beautifully flawed teenager, tries to save Vivaan from his mediocrity and pulls him into a world of her own – a world full of cigarettes, alcohol, friends and too many ambitions. A world which is unusually weird for Vivaan. He tries to be part of Alisha's world during which he makes her his whole world. An enchanting tale of unconditional love and an honest heartbreak follows.

Sad Love Carrie Jenkins,2022-05-16 As a woman with a husband and other partners, philosopher Carrie Jenkins knows that love is complicated. Love is most often associated with happiness, satisfaction and pleasure. But it has a darker side we ignore at our peril. Love is often an uncomfortable and difficult feeling. The people we love can let us down badly. And the ways we love are often quite different to the romantic ideals society foists upon us. Since we are inevitably disappointed by love, wouldn't we be better off without it? No, says Carrie Jenkins. Instead, we need a new philosophy of love, one that recognizes that the pain and suffering love causes are a natural, even a good part of what makes love worthwhile. What Jenkins calls "sad love" offers no bogus "happy ever afters". Rather, it tries to find a way properly to integrate heartbreak and disappointment into the lived experience of love. It's time we liberated love. Also available as an audiobook.

Sad Love MJ Fields,2024-04-24 The Blue Valley series is not your typical love story. It is a journey through one's past ... maybe even a story resembling someone close to you. It's our story. Welcome to the college years ... Love has not been easy for Tessa Ross and Lucas Links, but they have managed to overcome situations that so many others in their lives haven't. And through all of their difficulties, neither have ever denied the love they have for one another. But sometimes love isn't enough. What new joys, pains, and decisions will they make as they take their first steps into adulthood? This is love, not a fairy tale.

Warning: Highly Emotional! This book contains volatile characters in real-life situations that may be triggering to some readers.

How to Love Your Daughter Hila Blum,2024-07-16 “A stone-cold masterwork of psychological tension. Its final pages had me holding my breath.” —Flynn Berry, New York Times Book Review The seemingly inexplicable estrangement between a woman and her grown daughter opens up a troubling question: What damage do we do in the blindness of love? Thousands of miles from home, a woman stands on a dark street, peeking through well-lit windows at two little girls. They are the grandchildren she’s never met, daughters of the daughter she has not seen in years. At the center of this mesmerizing story is the woman’s quest to understand how a relationship that began in bliss—a mother besotted with her only child—arrived at a point of such unfathomable distance. Weaving back and forth in time, she unravels memories and long-buried feelings, retracing the infinite acts of parental care, each so mundane and apparently benign, that in ensemble may have undermined what she most treasured. With exquisite psychological precision, Blum traces the seemingly insignificant missteps and deceptions of family life, where it’s possible to cross the line between protectiveness and possession without even seeing it—and uncertain whether, or how, we can find our way back.

Atmosphere of Love André Maurois,1929 Philippe Marcenat, fils de grands bourgeois conventionnels et rigides, s'éprend passionnément de la ravissante Odile Malet et l'épouse malgré l'hostilité de ses parents. Son mariage est un échec. Remarié à Isabelle de Cheverny, qui est le contraire absolu d'Odile, et bien que l'aimant profondément, c'est lui maintenant qui fait subir à Isabelle les tourments qu'il a éprouvés jadis. Histoire d'un double échec conjugal, Climats, roman d'une finesse psychologique exceptionnelle, écrit dans une langue admirable, est l'ouvrage le plus célèbre et le plus représentatif du talent de romancier d'André Maurois.
