

So That Happened Katie Bailey

Katie Bailey

So That Happened: A Romantic Comedy Katie Bailey, 2022-05-31 I spent the night with a hot, grumpy stranger in an airport hotel. No, not like that. Get your mind out of the gutter. It was just sleeping. And... maybe a little cuddling. Long story short, I embarrassed the heck out of myself. But at least I never have to see him again. Except the universe is clearly out to get me, because Monday morning, I arrive at my new job and who's the first person I see? Hot stranger himself: Liam Donovan. AKA my new boss. AKA Annie, you are so freaking screwed. While the HR rulebook doesn't explicitly say you can't share a bed with your boss, I can read between the lines. And I need this job. Which is why I have to pretend that night never happened. Luckily for me, sexy as Liam-excuse me, Mr. Donovan-is, he's surly, rude and totally not my type. Or so I keep telling myself. Because I'm starting to think there's a warm, gooey cinnamon roll with extra frosting lurking beneath that impressive, muscular form. I promised I'd never choose between my career and love. But when a scandal threatens to break, that promise could prove impossible to keep... So That Happened is a laugh-out-loud funny, swoony, closed door romantic comedy. Expect some mild language and suggestive jokes coupled with tons of chemistry and tension, but no explicit scenes.

Chosen C. M. Reber, 2011-04 The first thing you must understand is that your destiny has been tied up in ours since long before you were even born... Katie is a typical seventeen year old girl, despite watching the tragic murder of her father when she was a child. Now a Junior in high school, she has only to worry about the troubles of homework and fitting in. But when she starts having strange, frightening nightmares featuring her long-lost father as the main star, the normal life she has fought to maintain begins to slowly unravel. Suddenly, she finds herself struggling to come to grips with both her heartbreaking past and the new questions that her nightmares have brought to the surface. While searching for the answers to the daunting mystery of her dreams, a random accident sends her life spinning out of control. Without warning, the teenage girl from Brooklyn finds herself in the world of Ysryia --known only to an unlucky few --filled with magic, mystery, and a terrible secret. Here, Katie uncovers the startling truth about her father's fate, and learns she must fight for a cause

she never knew she was destined for. With not only the fate of her lost father, but that of two entire worlds, resting solely on her shoulders, she has no choice but to accept the calling forced upon her --but now she must find a way to live up to everyone's overwhelming expectations, while trying to win over those who are not so quick to believe that she is the answer everyone is looking for.
