

Social Studies By Fran Lebowitz

Fran Lebowitz

Social Studies Fran Lebowitz,1981 The author is by turns ironic, facetious, deadpan, sarcastic, wry, and wisecracking.

The Fran Lebowitz Reader Fran Lebowitz,1994-11-08 In the vein of Lebowitz's acclaimed Netflix limited series, Pretend It's a City—The Fran Lebowitz Reader brings together two of the famed author's bestsellers, Metropolitan Life and Social Studies. In elegant, finely honed prose (The Washington Post Book World), Lebowitz limns the vicissitudes of contemporary urban life—its fads, trends, crazes, morals, and fashions. By turns ironic, facetious, deadpan, sarcastic, wry, wisecracking, and waggish, Fran Lebowitz is always wickedly entertaining.

New York Magazine ,1981-09-14 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

New York Magazine ,1981-09-14 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. America in Quotations Bahman Dehgan,2015-08-31 “America is a land of wonders, in which everything is in constant motion and every change seems an improvement.... No natural boundary seems to be set to the efforts of man; and in his eyes what is not yet done is only what he has not yet attempted to do”—Alexis de Tocqueville, Democracy in America (1835).

“Americans will pay a big price for an invention that will help them save time they don’t know what to do with”—Anonymous. This collection of quotations—both serious and humorous—about America is divided into 19 main topics: The Nation, The American People, Places, Nature, Mind, The Individual, Human Relations, Social Life, Culture and Media, Literature and Language, Religion and Belief, Past and Future, History, War and the Military, International Relations, Politics and Government, Law and Order, Business and Economy, and Food. Each main topic is divided into subtopics; for example, “Culture and Media” has these: Architecture, Art, Charlie Chaplin, Dance, Fashion, Intellectuals, Marilyn Monroe, Movies, Music, Elvis Presley, and Television. The author attributes each quote to its speaker, author or composer, and wherever possible, provides the date of the quote and the name of the work in which it was published. In the case of uncertainty about the exact date of a quote, the author provides the birth and death dates of the person to whom the quote is attributed. Also included are a keyword and subject index and a speaker index.

The Columbia Dictionary of Quotations Robert Andrews,1993 Over 11,000 of these 18,000 quotations have never before appeared in a quotation book. Chosen not for their familiarity but for their quality and their relevance in the 1990s, these provocative quotations cover subjects from adolescence and adoption to yuppies and zoos.

Redressing the balance Zita Dresner,1988 Gathers humorous stories, poetry, and essays by American writers from Anne Bradstreet to Erma Bombeck and Erica Jong.

Contemporary literary criticism Daniel G. Marowski,1973 Entries include critical commentary, brief biographical information, a portrait when available, a list of principal works, and may also include a further reading section.

The Power to Persuade Sally De Witt Spurgin,1989

Women in History: 300 Word Search Puzzles Rebecca Falcon,2021-12-21 Women in History: 300 Word Search Puzzles puts your knowledge to the text with 300 fun-filled word searches about strong and powerful women throughout history that will keep you on your toes for hours a time!
