**The Tyger** William Blake, 1969

**William Blake and the Digital Humanities** Roger Whitson, Jason Whittaker, 2013 William Blake's work demonstrates two tendencies that are central to social media: collaboration and participation. Not only does Blake cite and adapt the work of earlier authors and visual artists, but contemporary authors, musicians, and filmmakers feel compelled to use Blake in their own creative acts. This book identifies and examines Blake's work as a social and participatory network, a phenomenon described as zoamorphosis, which encourages -- even demands -- that others take up Blake's creative mission. The authors reexamine the history of the digital humanities in relation to the study and dissemination of Blake's work: from alternatives to traditional forms of archiving embodied by Blake's citation on Twitter and Blakean remixes on YouTube, smart mobs using Blake's name as an inspiration to protest the 2004 Republican National Convention, and students crowdsourcing reading and instruction in digital classrooms to better understand and participate in Blake's world. The book also includes a consideration of Blakean motifs that have created artistic networks in music, literature, and film in the twentieth and the twenty-first centuries, showing how Blake is an ideal exemplar for understanding creativity in the digital age.

**William Blake's "London" - An Interpretation** Samir Mazarweh, 2010-12-19 Seminar paper from the year 2010 in the subject English Language and Literature Studies - Literature, grade: 1,7, University of Heidelberg (Anglistik), course: Proseminar 1 London, language: English, abstract: This paper tries to provide an insight into the analysis of 18th century author William Blake's poem 'London'. Comments from Blake experts like the following from Edward Thompson make this task appear easy. He said: 'London' is among the most lucid and instantly available of the Songs of Experience. On the one hand I agree to this statement. The poem itself is easy to understand, not much background information about the author's life, his visions, and his complete works is required to grasp the message. However, an analysis has to provide more than just

make the message of a poem understandable. It should inter alia deal with the circumstances the author lived in, the work of which the poem is part of, and last but not least, the stylistic devices and linguistic images used in this piece of art. In the case of 'London', this has been done by professionals many times, a fact leading us to another important point that makes the task appear easier than it actually is: The mass of biographies, comments, analyses, and criticisms that have been written about Blake and his works. The advantage is obvious: Every line of 'London' has been discussed and commented on, and all that must be done is find adequate information. At the same time this amount of literature presents many different approaches to analyse the poem; too many to introduce them in a seminar paper. Hence, this assignment tries to show a few aspects only: After introducing the author and the 'Songs of Innocence and of Experience' briefly, it follows a short summary of the poem and an overview of the stylistic devices. The sixth chapter is the analysis itself, focusing on the social criticism of the poem and dealing with the very complex relations between reading, and hearing, and seeing.

Shakespeare and Classic Works in the Classroom Dennis Carter, 2013-10-23 With supportive guidelines for Key Stages 2 and 3 this book offers active approaches for teaching pre-twentieth century literature with confidence. Key texts including The Odyssey, Hamlet and The Rime of the Ancient Mariner are explained in a very practical and accessible way. This text allows for creativity amongst pupils at the same time as improving their reading and writing abilities within the literacy strategy objectives and KS3 English framework guidelines. The author looks to develop an active pedagogy that encompasses the literacy strategy, the KS3 English framework and the creative arts. Using case studies from primary and secondary school projects a series of lessons are proposed for each year group from Year 4 though to Year 8. The lessons cover poetry, drama, story and the novel.

**The Tyger and The Lamb by William Blake** William Blake, This resource offers a written version of William Blake's two poems, 'The Tyger' and 'The Lamb', for analysis and exploration.

**Taming the Beast** Mark R. Sneed, 2021-11-08 Leviathan, a manifestation of one of the oldest monsters in recorded history (3rd millennium BCE), and its sidekick, Behemoth, have been the object of centuries of suppression throughout the millennia. Originally cosmic, terrifying creatures who represented disorder and chaos, they have been converted into the more palatable crocodile and hippo by biblical scholars today. However, among the earliest Jews (and Muslims) and possibly Christians, these creatures occupied a significant place in creation and redemption history. Before that, they formed part of a backstory that connects the Bible with the wider ancient Near East. When examining the reception history of these fascinating beasts, several questions emerge. Why are Jewish children today familiar with these creatures, while Christian children know next to nothing about them? Why do many modern biblical scholars follow suit and view them as minor players in the grand scheme of things? Conversely, why has popular culture eagerly embraced them, assimilating the words as

symbols for the enormous? More unexpectedly, why have fundamentalist Christians touted them as evidence for the cohabitation of dinosaurs and humans?

**Tyger, Tyger** William Blake, 2016-03-03 'How can the bird that is born for joy / Sit in a cage and sing?' A selection of Blake's most haunting verse, including 'The Songs of Innocence and Experience'. One of 46 new books in the bestselling Little Black Classics series, to celebrate the first ever Penguin Classic in 1946. Each book gives readers a taste of the Classics' huge range and diversity, with works from around the world and across the centuries - including fables, decadence, heartbreak, tall tales, satire, ghosts, battles and elephants.
