Matt Brown

[Around the Way Girl](#) Taraji P. Henson, 2016-10-11 From Taraji P. Henson, Academy Award nominee, Golden Globe winner, and star of the award-winning film *Hidden Figures* and the 2023 film *The Color Purple*, comes an inspiring and funny memoir—"a bona fide hit" (*Essence*)—about family, friends, the hustle required to make it in Hollywood, and the joy of living your own truth. With a sensibility that recalls her beloved screen characters, including Katherine, the NASA mathematician, Yvette, Queenie, Shug, and the iconic Cookie from *Empire*, Taraji P. Henson writes of her family, the one she was born into and the one she created. She shares stories of her father, a Vietnam vet who was bowed but never broken by life's challenges, and of her mother who survived violence both at home and on DC's volatile streets. Here, too, she opens up about her experiences as a single mother, a journey some saw as a burden but which she saw as a gift. *Around the Way Girl* is also a classic actor's memoir in which Taraji reflects on the world-class instruction she received at Howard University and how she chipped away, with one small role after another, at Hollywood's resistance to give women, particularly women of color, meaty significant roles. With laugh-out-loud humor and candor, she shares the challenges and disappointments of the actor's journey and shows us that behind the red carpet moments, she is ever authentic. She is at heart just a girl in pursuit of her dreams in this "inspiring account of overcoming adversity and a quest for self-discovery, written with vitality and enthusiasm" (*Shelf Awareness*).

One Blood Denene Millner, 2023-09-05 A People Magazine Pick. "In delicious, decadent prose, Denene Millner does what few authors can—compose a sprawling multigenerational tale that is necessary American reading. *One Blood* sings the song of the South in a voice that is heartbreaking, hopeful, and resilient. A masterpiece." —Tara M. Stringfellow, National Bestselling author of *Memphis* Join New York Times bestselling author Denene Millner as she explores the lives of three generations of women tied together by love, hope, dreams, ambition...and family secrets in this epic novel. Meet Grace: raised by her beloved grandmother in tension-filled, post-segregation Virginia, Grace is barely a teenager when she loses her grandmother. Shellshocked, she is shipped up North to live with her formidably ambitious Aunt Hattie—a woman who firmly left behind her

Southern roots in pursuit of upward mobility. Feeling like a fish out of water in the high society world filled with fancy teas and coveted debutante balls, Grace's only place of comfort is with the smart, handsome son of one of the society's grand dames. Meet Delores: beautiful, intelligent and fierce, Delores a.k.a. Lolo has never had it easy. Once she makes it north, she puts aside her dream of being a model to do what she has to do to survive as a woman with little money and no mooring: get married and have a family of her own. When secrets start to spill out and she and her family slowly begin to unravel, Lolo is willing to do whatever it takes to keep her dream intact and those she loves together. Meet Rae: when Lolo's headstrong daughter, Rae discovers that she is adopted, it's just one secret among others that her family is keeping. When Rae finds out that she's about to become a mother herself, she knows that there is an important reckoning that must be faced about herself and her two mothers. Potent, poetic, powerful, told with deep love, and spanning from the Great Migration to the civil unrest of the 1960s to the quest for women's equality in early 2000s, Denene Millner's beautifully wrought novel explores three women's intimate, and often complicated, struggle with what it truly means to be family.
