Through a journey of heartbreak, love, and time, Mia must abandon the rules she was raised with at the Community. As she does, she realizes that reading can transport you to other worlds or bring them to you, and that readers and writers affect one another in mysterious ways. She learns that time is more fluid than she can imagine, and that love is stronger than any chains that bind you. As a girl Mia fell in love with a book. When We Flew Away: A Novel of Anne Frank Before the Diary Alice Hoffman, 2024-09-17 Bestselling author Alice Hoffman delivers a stunning novel about one of contemporary history's most acclaimed figures, exploring the little-known details of Anne Frank's life before she went into hiding. Anne Frank's *The Diary of a Young Girl* has captivated and inspired readers for decades. Published posthumously by her bereaved father, Anne's journal, written while she and her family were in hiding during World War II, has become one of the central texts of the Jewish experience during the Holocaust, as well as a work of literary genius. With the Nazi occupation of the Netherlands, the Frank family's life is turned inside out, blow by blow, restriction by restriction. Prejudice, loss, and terror run rampant, and Anne is forced to bear witness as ordinary people become monsters, and children and families are caught up in the inescapable tide of violence. In the midst of impossible danger, Anne, audacious and creative and fearless, discovers who she truly is. With a wisdom far beyond her years, she will become a writer who will go on to change the world as we know it. Critically acclaimed author Alice Hoffman weaves a lyrical and heart-wrenching story of the way the world closes in on the Frank family from the moment the Nazis invade the Netherlands until they are forced into hiding, bringing Anne to bold, vivid life. Based on extensive research and published in cooperation with the Anne Frank House in Amsterdam, *When We Flew Away* is an extraordinary and moving tour de force. Perfect for Alice Hoffman fans and readers of every age. Adding new poignance to a story whose ending we already knew, Alice Hoffman has deftly recreated the child Anne Frank with all her wit, mischief, and uncertainties. This fictionalized account of the increasingly desperate years that preceded the famous diary breaks readers' hearts one more time. But it reminds us of how important it is to remember and honor all that was lost. -- Lois Lowry, Newbery Award-winning author of *Number the Stars* We can highly recommend Alice Hoffman's novel of Anne Frank's life, set in the dramatic and terrible circumstances of those first war years. We hope it will persuade young readers that contributing to a better world is both necessary and possible. --Ronald Leopold, Executive Director, Anne Frank House
