The Truth Shall Set Your Wallet Free Nicholas W. Stuller, 2018-11-13 The Truth Shall Set Your Wallet Free is aimed at debunking the myths that prevent people from achieving their wealth goals. And the first myth that needs to be bashed is that financial advisors are only for the very rich. In fact, there are more financial advisors who cater to modest-income Americans than those who cater to the rich. Myths propagated by the media, regulators, and even the financial industry itself harm every American, from those at the poverty level to billionaires and everyone in between. This is the first time a holistic view of the entire advice market has been written by a non-advisor industry insider, without bias from any of the financial services sectors.

Nonstop Metropolis Rebecca Solnit, Joshua Jelly-Schapiro, 2016-10-19 Nonstop Metropolis, the culminating volume in a trilogy of atlases, conveys innumerable unbound experiences of New York City through twenty-six imaginative maps and informative essays. Bringing together the insights of dozens of experts—from linguists to music historians, ethnographers, urbanists, and environmental journalists—amplified by cartographers, artists, and photographers, it explores all five boroughs of New York City and parts of nearby New Jersey. We are invited to travel through Manhattan's playgrounds, from polyglot Queens to many-faceted Brooklyn, and from the resilient Bronx to the mystical kung fu hip-hop mecca of Staten Island. The contributors to this exquisitely designed and gorgeously illustrated volume celebrate New York City's unique vitality, its incubation of the avant-garde, and its literary history, but they also critique its racial and economic inequality, environmental impact, and erasure of its past. Nonstop Metropolis allows us to excavate New York's buried layers, to scrutinize its political heft, and to discover the unexpected in one of the most iconic cities in the world. It is both a challenge and homage to how New Yorkers think of their city, and how the world sees this capital of capitalism, culture, immigration, and more.
