*Tuesdays with Morrie* Mitch Albom, 2007-06-29 #1 NEW YORK TIMES BESTSELLER • A special 25th anniversary edition of the beloved book that has changed millions of lives with the story of an unforgettable friendship, the timeless wisdom of older generations, and healing lessons on loss and grief—featuring a new afterword by the author “A wonderful book, a story of the heart told by a writer with soul.”—Los Angeles Times “The most important thing in life is to learn how to give out love, and to let it come in.” Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was his college professor Morrie Schwartz. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn’t you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man’s life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final “class”: lessons in how to live. “The truth is, Mitch,” he said, “once you learn how to die, you learn how to live.” *Tuesdays with Morrie* is a magical chronicle of their time together, through which Mitch shares Morrie’s lasting gift with the world.

*Tuesdays with Morrie* Mitch Albom, 2010 Its been ten years since Mitch Albom first shared the wisdom of Morrie Schwartz with the world. Now twelve million copies later in a new afterword, Mitch Albom reflects again on the meaning of Morrie’s life lessons and the gentle, irrevocable impact of their Tuesday sessions all those years ago. Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn’t you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man’s life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college.

Their rekindled relationship turned into one final class: lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

**Cases on Active Blended Learning in Higher Education** Padilla Rodriguez, Brenda Cecilia, Armellini, Alejandro, 2021-02-12 Active blended learning (ABL) is a pedagogical approach that combines sensemaking activities with focused interactions in appropriate learning settings. ABL has become a great learning tool as it is easily accessible online, with digitally rich environments, close peer and tutor interactions, and accommodations per individual learner needs. It encompasses a variety of concepts, methods, and techniques, such as collaborative learning, experiential learning, problem-based learning, team-based learning, and flipped classrooms. ABL is a tool used by educators to develop learner autonomy, engaging students in knowledge construction, reflection, and critique. In the current educational climate, there is a strong

case for the implementation of ABL. *Cases on Active Blended Learning in Higher Education* explores strategies and methods to implement ABL in higher education. It will provide insights into teaching practice by describing the experiences and reflections of academics from around the world. The chapters analyze enablers, barriers to engagement, outcomes, implications, and recommendations to benefit from ABL in different contexts, as well as associated concepts and models. While highlighting topics such as personalized university courses, remote service learning, team-based learning, and universal design, this book is ideal for in-service and preservice teachers, administrators, instructional designers, teacher educators, practitioners, researchers, academicians, and students interested in pedagogical approaches aligned to ABL and how this works in higher education institutions.

*It's Always Something* Gilda Radner, 2015-06-02 To honor the twentieth anniversary of beloved comedienne Gilda Radner's death from ovarian cancer comes a commemorative edition of her memoir, *It's Always Something*—featuring an updated resource guide for people living with cancer and a tribute by Radner's former colleagues at Saturday Night Live. As a cast member on the original Saturday Night Live, Gilda Radner created a compelling character named "Roseann Rosannadanna" who habitually ended her routine with the line, "It's always something," which was her father's favorite expression about life. Radner chose the catch-phrase she made famous as the title to her brave, funny, and painfully honest memoir: the story of her struggle against cancer and her determination to continue laughing. Gilda's Club, a network of affiliate clubhouses that seeks to provide a social and emotional support community to people living with cancer, was founded in Radner's memory in 1991. The name of the organization comes from a remark Gilda once made, that cancer gave her "membership to an elite club I'd rather not belong to." In partnership with Gilda's Club, *It's Always Something* includes valuable information for all whose lives have been touched by cancer and reminds us of the important place laughter has in healing. Told as only Gilda Radner could tell it, *It's Always Something* is the inspiring story of a courageous, funny woman fighting to enjoy life no matter what the circumstances. She died in 1989. Gilda's Club is distinguished by its unique philosophy and program, "cancer support for the whole family, the whole time." Learn more about Gilda's Club at [GildasClub.org](http://GildasClub.org).
