Knocked Up by Prince Dashing Lilian Monroe,2019-10-10

Ice Queen Lilian Monroe,2022-05-16 I'm a queen. Nothing more. Not a woman, not a widow, and definitely not a mother. All my broken memories are buried in a box at the bottom of the Arctic sea. The newspapers call me stoic, but I just call it survival... ..until Asher shows up, and a hairline crack appears on the surface of the ice that's kept me safe for so long. My childhood friend is all grown up. Broad shoulders, smoldering gaze, hands that make my mind run wild. For the first time in years, I remember what it feels like to want. To be wanted. He melts the frost clinging to my heart and shows me everything I've pushed away. Offers me a new life with the brush of his lips against mine, a whisper in my ear, a curl of heat in the deepest part of my core. But Asher has secrets, and I have responsibilities. A queen can't put down her crown for anything. Not for love. Not even for betrayal. Definitely not for Asher.

Ready or Not Cara Bastone,2024-02-13 A surprise pregnancy leads to even more life-changing revelations in this “absolutely buoyant read” (Elle). “Bastone delivers on this truly heartwarming, funny, and real story. Come for the dog bar, stay for the special, slow-burn romcom.”—Abby Jimenez, New York Times bestselling author A BEST BOOK OF THE YEAR: The Washington Post, NPR, Elle Eve Hatch lives for surprises! Just kidding. She expects every tomorrow to be pretty much the same as today. She loves her cozy apartment in Brooklyn that’s close to her childhood best friend Willa, and far from her midwestern, traditional family who has never really understood her. While her job is only dream-adjacent, it’s comfortable and steady. She always knows what to expect from her life . . . until she finds herself expecting after an uncharacteristic one-night stand. The unplanned pregnancy cracks open all the relationships in her life. Eve’s loyal friendship with Willa is feeling tense, right when she needs her the most. And it’s actually Willa’s steadfast older brother, Shep, who steps up to help Eve. He has always been friendly, but now he’s checking in, ordering her surprise lunches, listening to all her complaints, and is . . . suddenly kinda hot? Then, as if she needs one more complication, there’s the baby’s father, who is (technically) supportive but (majorly) conflicted. Up until this point, Eve’s been content to coast through life. Now, though—maybe it’s the hormones, maybe it’s the way Shep’s shoulders look in a T-shirt—Eve starts to wonder if she has been secretly desiring more from every aspect of her life. Over the course of nine months, as Eve struggles to figure out the next right step in her expanding reality, she begins to realize that family and love, in all forms, can sneak up on you when you least expect it.

The Billionaire's Wife 1 (BWWM Interracial Romance) Viola Black,2016-09-11 High school was a blast. Never had she imagined it would go by so quickly. Memories of friends that had long since come and gone. Laughter that still echoed

through the corridors of her mind. Each thought of those people made her stomach turn on end. The betrayal she felt from them was more than she could comprehend. Xavier was dead. He had passed, and Dawnika knew it before they even got to the hospital. It came as a bit of a shock that he ended up like his father. He was healthy, never did anything that he shouldn't have. For Christ's sake he was captain of the soccer and football team. Xavier was as healthy as could be, yet he gave no sign of life. One moment, he was breathing, the next he was lying, sprawled out on the couch. They were watching cheesy horror flicks, and laughing at every flaw, when he started to appear uncomfortable. At first, she wasn't really worried, of course that was the first mistake that she made. He was her boyfriend, and she should've always been concerned, however, she wasn't. The reason why would remain unknown to her. Twenty minutes later, he was complaining of chest pains and asked her to call an ambulance. She did, but when they arrived, she knew they were too late. He wasn't breathing. He wasn't moving. That of course nearly gave her a heart attack. Moreover she passed out, and when she woke up she was at the hospital, lying in a bed. The Best Mistake Jenika Snow,2021-03-11 One drunken night, Shoshanna Clarke let her inhibitions go and said yes to Toby Mason. But it wasn't just one night of fun because sleeping with the town bad boy ended up completely changing her life. Everything changed for Toby after the night he shared with Shoshanna. He knew he'd never want anyone else, but fear of scaring her away with his need to keep her close left Toby not saying anything. She's a good girl, and he'd been known for being the bad boy. But before Toby could tell Shoshanna he wanted her for more than that one encounter, he was forced to leave town due to a family emergency. Finding out she was pregnant after a one-night-stand wasn't ideal, especially not when the father left town and she had no way of contacting him. It wasn't until Toby's return that she had to finally face her new reality and tell him everything. But was Toby ready to be a father? Was he ready to start a family with her? Or was their one night all he wanted? Reader note: This was previously published as Her Best Mistake. It's been recovered and re-edited, but the story itself is the same. It may have material sensitive to some readers.

Learning Curves Beth Younger,2009-07-09 Adolescence is a time of growth, change, and confusion for young women. During this transition from childhood to adulthood, sex and gender roles become more important. Meanwhile, depictions of females—from the hyper-sexualized girls of music videos to the chaste repression of Purity Balls—send mixed messages to young women about their bodies and their sexuality. Over the last several decades, authors of young adult novels have been challenged to reflect this concern in their work and have responded with varying degrees of success. In *Learning Curves: Body Image and Female Sexuality in Young Adult Literature*, Beth Younger examines how cultural assumptions and social constraints are reinforced and complicated through common representations of young women. Each chapter analyzes a recurrent theme in the history of young adult literature, including issues of body image, pregnancy, abortion, lesbianism, and romance. By examining selected novels for their sexual content, situating them within their social and historical context, and analyzing their discursive qualities, the author reveals the multitude of complex ways that society depicts teenagers and their sexualities and offers a critique of patriarchal culture that gives value to the female experience.

Nine-Month Surprise Jacqueline Diamond,2024-09-18 How badly will Leah’s one-night fling with a handsome stranger backfire? As a teacher, she can count the ways! First comes the surprise pregnancy... and a second jolt when Will arrives in her small town as the new obstetrician! But they can’t ignore their attraction in this emotionally rewarding enemies-to-lovers romance from an author whose books have sold more than 7 million copies. Welcome to Downhome, Tennessee, a town that

desperately needs doctors. Each book of the series features a new physician, along with unexpected romance and drama. "...filled with funny moments... the characters are true to life. Jacqueline Diamond has a wonderful writing style." —Tamra Dickey, Roundtable Reviews.

Accidental Pregnancy Aiden Bates, 2018-08-13 Chase: It's lonely at the top. I don't have much and I certainly never expected to become a father. Falling in love? I... I don't know. One night stands were commonplace until I met Sean. His passion for the betterment of my circus family's animals makes him a little stuffy, but he's got such gorgeous eyes. I can't let myself think that way. Next week I'll be in some other town, staring into the eyes of some other man. ...Won't I? Sean: Of all the ridiculous things to happen in my life, falling pregnant from a one-night stand was something even I wouldn't have guessed. I knew the risk. I took it. If nothing else, at least the baby will be raised in the lap of luxury--and he'll be taught compassion for the animals his father is so close to. Still, really? A trapeze artist? I.. should really try to find him. Just to tell him about the baby, you understand. It's not like I have the hots for him or anything. Honest. This 50,000 word book will thrill, chill and mystify you with scenes so hot
