Fall of Capitalism and Rise of Islam Mohammad Malkawi,2010-04-22 The Fall of Capitalism and the Rise of Islam provides a critical analysis of the current financial crisis in the US and the world at large. It concludes that the current crisis could very well be a sign of failure of the underlying system of capitalism. The book shows that the system of capitalism contains serious faults and defects at the core theory level. Economic and financial crisis periodically occur whenever these defects are triggered by various conditions and political decisions during the life of capitalism. The collapse of financial institutions, the crash of the housing market, the evaporation of trillions of dollars, the creation of virtual unreal wealth, and the decline of productivity are symptoms of the potential failure of the ideology of capitalism. This failure has serious impact on the life quality of billions of people around the world who suffer from poverty, hunger, health insecurity, lack of education, and serious inhuman conditions. The world order under capitalism witnessed multiple world wars, political and economic instability, colonialism, absence of peace, deprivation of justice and polarization of wealth and power. This book predicts a potential crash and collapse of the world order under the pressure of a failing capitalism. Concurrent to the decline and potential collapse of capitalism, the book makes an account of another global phenomenon, namely the second rise of Islam. The rise of Islam, similar to the first one that lasted for thirteen hundred years, is a comprehensive rise that brings up the economic system together with the political system, and the moral system together with the legal system. It is much needed and sought to introduce to the world a system full of justice, fairness, and geared toward productivity and human righteousness. The new rise of Islam is argued to be in the best interest of the human societies around the world, and that the propagated fear of this rise is unfounded. The book provides a detailed description of the economic system and the political economy of Islam. It provides compelling evidence that the Islamic political economy characterized by sustained productivity and wealth distribution guarantees the satisfaction of the basic needs of a human. The Islamic political economy integrates several mechanisms for natural distribution of wealth, while it maintains a high level of productivity through the inhibition of usury, hoarding, and exploitation. The Fall of Capitalism and the Rise of Islam makes extensive references to a score of historians, scholars, and scientists who provide a fair testimony of the Islamic civilization and the ideology of Islam.

The Meaning of Surah 71 Nuh (Prophet Noah As) from Holy Quran (El Sagrado Coran) Bilingual Edition

Standard Version Jannah Firdaus Mediapro,2019-04-13 The Meaning of Surah 71 Nuh (Prophet Noah AS) From Holy Quran (El Sagrado Coran) Bilingual Edition English Spanish Standard Version. Surah 71 Nuḥ (Prophet Noah AS) is the seventy-first sura of The Holy Quran with 28 ayat. It is about the Islamic prophet Noah (Nuḥ) and his complaint about his people rejecting all warning God gave them through Prophet Noah AS (Nuh). In Nuh, the seventy-first surah, the Quran refers to Nuh's

prophethood in snippets. Nuh is a messenger of God. When Nuh realizes the messages are not accepted by the community, he supplicated to God. God planned to flood the community of Nuh at a specified time. God commanded Nuh to warn the people of the flood. God brings forth the water from the skies to prove Nuh's message to be accurate. In the Quran, the flood is a symbolization of the mercy of God to the believers. Allah SWT (God) gives the world a new beginning. The disbelievers disbelieved God's message and messenger Nuh so they were drowned. Because his people are unable to grasp the idea of the existence of one God, the lives of Prophet Muhammad SAW and Prophet Nuh AS (Noah) are parallel to each other for the time of the revelation of this surah. The surah was used to increase the faith of the believers; it shows that Prophet Nuh AS (Noah) before Prophet Muhammad SAW had difficulties in dealing with the disbelievers of his time. Ayat 1-4 discusses the message Nuh received from God to share with his community, to serve God. In Ayat 5-20, Nuh informs God that his people are not accepting his message. Nuh tries to make clear to the people that all of the Earth, the sun, the moon are signs of God's existence. In Ayat 21-24, Nuh asks God to rid the world of the evildoers because they refused to abandon their idols and encourage others to do the same. In Ayat 25-28, the disbelievers were all drowned and sent to Hell (as a result of the flood). Nuh asks God to forgive the believers and to destroy the disbelievers.
