Your beliefs are merely habitual thinking patterns that you learned as a child, and many of them work very well for you. But other beliefs may be limiting your ability to create the very things you say you want. You need to pay attention to your thoughts so that you can begin to eliminate the ones creating experiences that you don't want. As Louise discusses topics such as health, forgiveness, prosperity, creativity, relationships, job success, and self-esteem, you'll see that affirmations are solutions that will replace whatever problem you might have in a particular area. By the end of this book, you'll be able to say I can do it with confidence, knowing that you're on your way to the wonderful, joy-filled life you deserve.

You Can Heal Your Life Louise L. Hay, 2017 Louise L. Hay, bestselling author, is an internationally known leader in the self-help field. Her key message is: If we are willing to do the mental work, almost anything can be healed. The author has a great deal of experience and firsthand information to share about healing, including how she cured herself after being diagnosed with cancer. An excerpt from *You Can Heal Your Life* Life Is Really Very Simple. What We Give Out, We Get Back What we think about ourselves becomes the truth for us. I believe that everyone, myself included, is responsible for everything in our lives, the best and the worst. Every thought we think is creating our future. Each one of us creates our experiences by our thoughts and our feelings. The thoughts we think and the words we speak create our experiences.

All is Well Louise Hay, Mona Lisa Schulz, MD, PHD, 2014-05-06 Whenever there is a problem, repeat over and over: All is well. Everything is working out for my highest good. Out of this situation only good will come. I am safe. In this healing tour de force, best-selling authors Louise L. Hay and Dr. Mona Lisa Schulz have teamed up for an exciting reexamination of the quintessential teachings from *Heal Your Body*. All Is Well brings together Louise's proven affirmation system with Mona Lisa's knowledge of both medical science and the body's intuition to create an easy-to-follow guide for health and well-being. And, for the first time ever, they present scientific evidence showing the undeniable link between the mind and body that makes these healing methods work. Bringing focus and clarity to the effects of emotions on the body, All Is Well separates the body into seven distinct groups of organs—or emotional centers—that are connected by their relationship to certain emotions. Structured around these emotional centers, the authors outline common imbalances and probable mental causes for physical illness. They also include case studies that show a complete program for healing that draws from all disciplines, including both traditional and alternative medicine, affirmations, nutritional changes, and so much more. Using the self-assessment quiz, the holistic health advice, and an expanded version of Louise's original affirmation chart, you can learn how to heal your mind and body with affirmations and intuition and live a balanced, healthy life.

Mirror Work Louise Hay, 2016-03-22 AN ESSENTIAL SELF-CARE GUIDEBOOK FROM THE NEW YORK TIMES BESTSELLING AUTHOR OF YOU CAN HEAL YOUR LIFE LOUISE HAY'S 21 DAY SIGNATURE DAILY PRACTICE FOR LEARNING HOW TO LOVE YOURSELF BASED ON HER MOST POPULAR VIDEO COURSE, LOVING YOURSELF Mirror work has long been Louise Hay's favorite method for cultivating a deeper relationship with yourself, and leading a more peaceful and meaningful life. The Mirror Principle, one of Louise's core teachings, holds that our experience of life mirrors our relationship with ourselves; unless we see ourselves as loveable, the world can be a dark and lonely place. Mirror work—looking at oneself in a mirror and repeating positive affirmations—was Louise's powerful method for learning to love oneself and experience the world as a safe and loving place. Each of the 21 days is organized around a theme, such as monitoring self-talk, overcoming fear, releasing anger, healing relationships, forgiving self and others, receiving prosperity, and living stress-free. The daily program involves an exercise in front of the mirror, positive affirmations, journaling, an

inspiring Heart Thought to ponder, and a guided meditation. Packed with practical guidance and support, presented in Louise's warmly personal words, MIRROR WORK—or Mirror Play, as she likes to call it—is designed to help you: • Learn a deeper level of self-care • Gain confidence in their own inner guidance system • Develop awareness of their soul gifts • Overcome resistance to change • Boost self-esteem • Cultivate love and compassion in their relationships with self and others In just three weeks, you will establish the practice of Mirror Work as a tool for personal growth and self-care, and a path to a full, rich life. MIRROR WORK CHAPTERS INCLUDE: WEEK ONE · Loving Yourself · Making Your Mirror Your Friend · Monitoring Your Self-Talk · Letting Go of Your Past · Building Your Self-Esteem · Releasing Your Inner Critic WEEK TWO · Loving Your Inner Child - Part One · Loving Your Inner Child - Part Two · Loving Your Body, Healing Your Pain · Feeling Good, Releasing Your Anger · Overcoming Your Fear · Starting Your Day with Love WEEK THREE · Forgiving Yourself and Those Who Have Hurt You · Healing Your Relationships · Living Stress Free · Receiving Your Prosperity · Living Your Attitude of Gratitude · Teaching Mirror Work to Children · Loving Yourself Now “Mirror work—looking deeply into your eyes and repeating affirmations—is the most effective method I’ve found for learning to love yourself and see the world as a safe and loving place. I have been teaching people how to do mirror work for as long as I have been teaching affirmations. The most powerful affirmations are those you say out loud when you are in front of your mirror. The mirror reflects back to you the feelings you have about yourself. As you learn to do mirror work, you will become much more aware of the words you say and the things you do. You will learn to take care of yourself on a deeper level than you have done before. The more you use mirrors for complimenting yourself, approving of yourself, and supporting yourself during difficult times, the deeper and more enjoyable your relationship with yourself will become.” Love, Louise Hay
