The Unremembered Peter Orullian, 2025-08-22 Peter Orullian's epic fantasy debut *The Unremembered* has been critically acclaimed, earning starred reviews and glowing praise. But now it gets even better. In anticipation of the second volume in Orullian's epic series, and for one of the few times in our publishing history, we at Tor are choosing to relaunch a title with an author's definitive edition. In addition to stunning updates to the original text, we're also including an exclusive short story set in the world of *Vault of Heaven* as well as a sneak preview of the sequel, *Trial of Intentions*, and a glossary to the universe. The gods who created this world have abandoned it. In their mercy however, they sealed the rogue god-and the monstrous creatures he created to plague mortal kind-in the vast and inhospitable wasteland of the Bourne. The magical Veil that protected humankind for millennia has become weak and creatures of nightmare have now come through. Those who stand against evil know that only drastic measures will prevent a devastating invasion. Tahn Junell is a hunter who's unaware of the dark forces that imperil his world, in much the same way his youth is lost to memory. But an imperious man who wears the sigil of the feared Order of Sheason and a beautiful woman of the legendary Far have shared with Tahn the danger. They've asked him, his sister, and his friends to embark with them on a journey that will change their lives . . . and the world . . . forever. And in the process, he'll remember . . . At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Star Trek: Wounds, Book 2 Ilsa J. Bick, 2005-10-01 Starfleet Corps of Engineers Trapped on a strange world, Dr. Elizabeth Lense finds herself aiding the Jabari freedom fighters as their new medic, working with equipment she finds primitive on people wounded in their fight against the Kornak. All the while she hopes that her crewmates on the *da Vinci* might rescue her -- and not blame her for the death of Julian Bashir.... Unknown to her, though, Bashir is alive, recovering in a Kornak military facility, where he becomes the focus of a power struggle between the medical and military personnel in the hospital. When the Jabari attack the hospital, Lense and Bashir find themselves on opposite sides of a conflict that can only end in tragedy....

Dream Man Kimberly Dean,2015-02-19 Each night, Devon Bradshaw dreams of him – her fantasy lover. She can feel his heated gaze on her and hear his deep breaths, yet as consuming as their shared desire is, they can't connect. Until she performs a love spell. Cael Oneiros is stunned when Devon appears on his cosmic plane. For months, he's watched over her as her Dream Weaver, a Greek god of dreams. As a sleeper assigned to his care, his job has been to lead the beautiful redhead into REM sleep. Visiting her each night, though, has led to deeper feelings. He wasn't supposed to fall in love with her, but he has. Now every night Devon visits Cael, their connection grows – but even the most innocent of spells can have repercussions. All around town, people are acting strangely. Tempers are short, and chaos is starting to reign. Nobody is dreaming. Nobody except Devon. When her dream man shows up in flesh and blood, she has to decide if he's really the man of her heart... or the demon of her nightmares.

The Prince of Ruins T.W. Bradfield,2024-11-10 In the empire of Ingvald, where magic is the norm, Jahn's lack of it makes him a rare exception. His close bond with Maree, a nobleman's daughter, takes a dramatic turn when he discovers his true identity – he is the older twin brother of Princess Elora and the rightful heir to the throne. This revelation thrusts them into a world of royal secrets and peril. As they navigate a labyrinth of political intrigue and church conspiracies, Jahn's unique non-magical nature and Maree's emerging magical talents become key to their survival. Their journey challenges their understanding of their world, testing the limits of their friendship, loyalty, and love. 'Prince of Ruins' weaves a rich tapestry of magic, romance, and rebellion. It delves into the complexities of destiny and power, inviting readers to explore a realm where hidden truths and royal legacies define the future. Jahn, Maree, and Elora's story is not just about fighting against the odds; it's about discovering one's true place in a world where nothing is as it seems.
