Reign of the Anunnaki Jan Erik Sigdell, 2018-09-11 Reveals the ongoing alien manipulation of humanity and how we can break free • Explores how the Anunnaki have maintained invisible surveillance over us and how they control our development through religion, secret societies, and catastrophes • Reveals how they feed off our energies and how this ability has allowed them to remain here on Earth as multidimensional entities, enforcing their control invisibly • Explains how they established religion to control us and how Gnostic Christianity--which came from Christ and not the Anunnaki--offers a way out of their matrix of control Cuneiform texts found on clay plates in Mesopotamia tell us about an extraterrestrial race, called the Anunnaki, who came from space to exploit our planet. Through genetic manipulation, they created modern humans from existing earthly life forms to serve them as slaves. They physically left our planet millennia ago, but as Jan Erik Sigdell reveals, their influence and control over humanity is still pervasive and significant. Sigdell explains how the Anunnaki have maintained invisible surveillance over us as well as control over how humanity develops, setting limits on our evolution and holding back our development by means of manipulation and catastrophes, including the deluge immortalized in the Bible and many other ancient myths. He shows how they still manipulate our politics and affairs via secret societies, such as the Illuminati, and the political elite, such as the Bilderberg Group. Examining ancient descriptions of the Anunnaki as entities that resemble winged reptiles or amphibians, the author also explores their diet and how they feed off blood and the energies given off by lower life forms, such as humans, when they are expressing extreme negative emotions, having sex, or dying. This energy-feeding ability has allowed them to remain here on Earth as multidimensional entities, enforcing their control invisibly. He explains how the Anunnaki established religions as tools for control, setting up the major religions with themselves as “gods” and playing them against each other to keep humanity’s attention away from ongoing Anunnaki manipulation. They have also hidden from us the existence of the true highest creator, who created the cosmos as well as the Anunnaki themselves. The author reveals how the highest creator sent a messenger called Jesus to expose the Anunnaki and show us a way out of their matrix of control through a spirituality based on love, empathy, and sacred sexuality. But the “god” of the Anunnaki defeated this messenger and replaced him with a false Christ. This led to the development of Paulinian Christianity under Anunnaki influence, as well as other parallel religions such as Islam, and the suppression and elimination of the original Christianity, Gnostic Christianity. With the discovery of hidden Gnostic texts and

teachings at Nag Hammadi in 1945, the way is now paved for our release from the reign of the Anunnaki.

There Are Save Two Churches Only, Volume II D. Christian Markham, 2015-11-09 A journey through disturbing yet crucial matters that must be considered prior to End Times and Christ's return. This second volume takes a different approach from the first. It is a journey, not a pick-and-choose buffet. It begins by taking the reader where the first volume left off, down the rabbit hole. The journey concludes in confronting the LDS reader with a crucible, wherewith one's faith and trust in Christ (and in Christ alone) will be put to the ultimate test. There are save two churches only: Which one does your everyday mindset, and your personal and professional choices, testify that you are a member of? What is the foundation upon which you anchor your sacred testimony? How close, how intimate, how cherished is your relationship with Jesus Christ? If you are not prepared to answer these questions with full conviction of heart, then you are not ready to contemplate the contents of this book.

Behold! a Pale Horse Milton Cooper, 2018-05-02 William Cooper turned out to be right; and that's all we have to say about his self-published Book. Let's keep copies of this treatise for our grandchildren and their children, so the spectre of corruption and perfidy that we the late 20th century generation experienced, will never occur again in seven generations.

Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been "Spiritualized" for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today's Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, "Is the Bible only about Israel?" And, if so, how does it affect our Eschatology today? This book answers these hard questions...

Behold a Pale Horse William Cooper, 2012-04-11 Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to

inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to talk due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been talking, he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. Bill Cooper is the world's leading expert on UFOs. -- Billy Goodman, KVEG, Las Vegas. The only man in America who has all the pieces to the puzzle that has troubled so many for so long. -- Anthony Hilder, Radio Free America William Cooper may be one of America's greatest heroes, and this story may be the biggest story in the history of the world. -- Mills Crenshaw, KTALK, Salt Lake City. Like it or not, everything is changing. The result will be the most wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands. -- William Cooper, October 24, 1989.

The Unidentified Colin Dickey, 2021-07-20 America's favorite cultural historian and author of *Ghostland* takes a thought-provoking and deliciously unsettling (Publisher's Weekly) tour of the country's most persistent unexplained phenomena In a world where rational, scientific explanations are more available than ever, belief in the unprovable and irrational--in fringe--is on the rise: from Atlantis to aliens, from Flat Earth to the Loch Ness monster, the list goes on. It seems the more our maps of the known world get filled in, the more we crave mysterious locations full of strange creatures. Enter Colin Dickey, Cultural Historian and Tour Guide of the Weird. With the same curiosity and insight that made *Ghostland* a hit with readers and critics, Colin looks at what all fringe beliefs have in common, explaining that today's Illuminati is yesterday's Flat Earth: the attempt to find meaning in a world stripped of wonder. Dickey visits the wacky sites of America's wildest fringe beliefs--from the famed Mount Shasta where the ancient race (or extra-terrestrials, or possibly both, depending on who you ask) called Lemurians are said to roam, to the museum containing the last remaining evidence of the great Kentucky Meat Shower--investigating how these theories come about, why they take hold, and why as Americans we keep inventing and re-inventing them decade after decade. *The Unidentified* is Colin Dickey at his best: curious, wry, brilliant in his analysis, yet eminently readable.

Und die Hölle folgte ihm nach Peter Tremayne, 2012-02-17 Fidelma ermittelt in Norditalien. Eigentlich wollte Fidelma in der Abtei Bobium bei Genua ihren alten Lehrer aus Kindertagen besuchen. Schon der Weg dorthin ist gefährlich, denn in der Gegend herrschen große Spannungen zwischen den Anhängern verschiedener christlicher Glaubensrichtungen. Fidelmas

alter Lehrer hat seine Auffassung in aller Öffentlichkeit gepredigt und wurde dafür zusammengeschlagen. Fidelma kann gerade noch mit ihm reden, dann stirbt er. In der Abtei regiert die Angst, Gerüchte von einem sagenumwobenen Goldschatz gehen um. Man rät Fidelma immer wieder, so schnell wie möglich abzureisen. In einem fremden Land und ohne Kenntnis der Sprache gelingt es ihr, ein düsteres Geheimnis aufzudecken ... „Das beste an diesem Buch ist Schwester Fidelma - eine kluge, emanzipierte, mutige Frau, die ihre Widersacher in Grund und Boden argumentiert.“ Südwestrundfunk.

Behold a White Horse Cisco Wheeler, 2009 My people are destroyed for lack of Knowledge (Hosea 4:6). This book is not meant for those who refuse to step out of their box, but instead cling onto their blinders, believing that the world is exactly as they have always been taught it is. Rather, it is specially written for those who discern that things are not exactly as they seem, and are dedicated to the pursuit of truth and knowledge. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places (Ephesians 6:12). Behold a White Horse is a roller coaster ride engaged in a myriad of related topics. The reader will be taken all the way back to ancient Babylon - the foundation of all secret societies, and continue on through Egypt and Rome. Other topics covered are ceremonial magick, kundalini power and evil spirits, the Talmud, Kabbalah, the apostasy of the Christian church today, alchemy, Papal Rome and the Catholic church, false prophets of the world, televangelists - wolves in sheep's clothing, & pagans in the pulpit. Who changed the truth of God into a lie, and worshipped and served the creature more than the creator, who is blessed forever. Amen (Romans 1:25) This work is spiritually based, using many scriptures. It is the prayer of the author that through careful reading of these pages, the reader can connect the dots into a whole new level of discernment to help guard against demon traps and the many devices of Satan. Knowledge is power and the truth really does set you free.

The Pale Horse Agatha Christie, 2012 And I looked, and behold a pale horse; and his name that sat on him was Death, and Hell followed with him. Writer/historian Mark Easterbrook stopped into a coffee shop for a quick meal and witnessed an argument between two young women that ended with one pulling out a handful of hair from the other. The unfortunate woman had an unusual name, Thomasina Tuckerton, and Easterbrook remembered it when he saw it again in the obituary notices. Meanwhile the police begin to investigate the murder of an elderly priest who was killed on his way home after hearing a last confession. Stuffed in the priest's shoe was a list of names, including that of the police inspector. As the two threads of the story weave through London, out to the country, on to Birmingham and back to London, the circuitous path

leads to witchcraft and murder.

Behold a Pale Horse B. Milton Hyde, 2021-11-30 And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him (Revelations 6:8, KJV). One man would blaze such a path of death and destruction across the western frontier that he would be forever associated with this passage. Disowned by his family, betrayed by his commanding officer, and framed for atrocities he did not commit, he was branded a murderer and a traitor. Living life on the run and forced to kill those who would take his freedom and his life, he nevertheless fought to defend, and sometimes avenge, those who could not do so themselves. Labelled a monster by most, he was considered a hero by some. In time his name would be lost to history, but he would live on in legend, known only as the Pale Rider. This is how his story begins.
