Building Biblical Values Harold J. Westing, Penelope L. Thome, Penny Thome, Westing and Thome provide a variety of group activities written to help readers become intentional about their spiritual values.

Center of the Universe Bill Johnson, 2010-12-01 Center of the Universe—A Look at Life From the Lighter Side are slices of life from a pastor to his congregation that mixes real concern with real humor. From tales about fly-fishing and an uncontrollable hunting dog to a revival in Africa and healing the homeless, this compilation of 93 stories brings smiles as well as profound insight. With a very casual style and voice, the author relates directly with the reader as a personal friend, committed to sharing valuable lessons he learned on the lighter side of life.

Character for Life Don Hawkinson, 2005 An in depth study of famous American men and women who exhibited tremendous character in their respective eras. Meet Scripture-guided reformers like David Brainard and Sojourner Truth. Don Hawkinson has crafted an amazing book that records the true character and nature of early Americans, from the political, religious, and social justice arenas, includes well-known figures like George Washington, to more obscure great Americans like John Witherspoon and Benjamin Rush. Each profile runs 6 -- 12 pages and provides readers/students with concise information for reports and presentations.

The Honeycomb Is Waiting Nancy Petrey, 2016-07-09 Nancy Petrey brings her poetry and music together as a fragrant offering to the LORD! And then she shares it with us with an additional short devotion that will not only bring out your Bible for further study but also encourage you to keep notes (even a journal!) to rejoice in what God is saying and doing in your life. Most importantly, The Honeycomb Is Waiting will cause you to fall more deeply in love with Jesus—and an added bonus, the more you experience Nancy Petrey's personality, you will also fall in love with her. You will discover she is charming and witty, yet able to bring you to accepting some hard-hitting truth. On one of the pages Nancy offers up a prayer: "Help me to cultivate a good sense of humor and be a blessing to others." I can most assuredly tell her, "Nancy, He has answered your prayer." Who but Nancy could write with elegance when speaking of kudzu? Michael Finesilver Executive Director, Everlasting Life Outreach

You Can Raise a Well-Mannered Child June Hines Moore, 1996-07-10 This book is for every parent or grandparent who

wants well-behaved children, but doesn't want to be the manners police. Written by a nationally recognized manners expert, it offers contemporary rules of correct behavior, plus detailed instructions on how to teach them effectively. Good manners improve children's self-confidence, enhance their competitive edge in the workplace, and make their parents proud.-- Not just a list of manners, but how to teach them-- Not just rules, but reasons for the rules-- Biblical foundations for manners-- Four personality styles, and how to teach children with each of them-- Table manners, personal introductions, correspondence and more

20 Things Adoptive Parents Need to Succeed Sherrie Eldridge, 2009-10-27 Do I have what it takes to be a successful adoptive parent? Does my child consider me a successful parent? Will I ever hear my rebellious teen say, "I love you"? What tools do I need to succeed? In her groundbreaking first book, *Twenty Things Adopted Kids Wish Their Adoptive Parents Knew*, Sherrie Eldridge gave voice to the very real concerns of adopted children, whose unique perspectives offered unprecedented insight. In this all-new companion volume, Eldridge goes beyond those insights and shifts her focus to parents, offering them much-needed encouragement and hope. Speaking from her own experience as an adoptee and an expert in the field of adoption, Eldridge shares proven strategies and the moving narratives of nearly one hundred adoptive families, helping parents gain a deeper understanding of what is normal, both for their children and themselves. By first strengthening yourself as a parent, you'll be able to truly listen to your child, and to connect with him on every level, by opening the channels of communication and keeping them open forever. Then you and your child can grow closer through the practical exercises at the end of every chapter. Discover how to • be confident that your role in your child's life is vital and irreplaceable • pass on the legacy of healthy self-care by assessing and regulating your stress • communicate unconditional love to your child • talk candidly with your child about her adoption and her birth family • teach your family how to respond positively to insensitive remarks about adoption • connect with other adoptive families--and build a support network • plus learn to become a "warrior" parent...settle the "real parent" question...cope with emotional triggers--what to do when you "lose it" . . . celebrate the miracle of your family...and much more

Forming a New Generation Walter Fremont, Trudy Fremont, Gilbert Fremont, 1990 This book was written to provide the philosophy, principles, and methods that youth leaders need in leading, guiding, and training youth for full-time Christian service. Many ideas and suggestions are old ones that have stood the test of time; some are fresh, new ones being used in today's successful youth groups. This book should be a help to either new or experienced youth leaders and lay leaders in developing a truly successful youth ministry and in building teens for God. - Preface.
