Edna O'Brien and the Art of Fiction Maureen O'Connor, 2021-10-15 Edna O'Brien and the Art of Fiction provides an urgent retrospective consideration of one of the English-speaking world's best-selling and most prolific contemporary authors. This study considers the pioneering ways O'Brien represents women's experience, family relationships, the natural world, sex, creativity, and death, and her work's long anticipation of movements such as #metoo.

Edna O'Brien Amanda Greenwood, 2003 Amanda Greenwood examines Edna O'Brien's representations of women in Ireland and beyond. The author focuses on issues of femininity, masculinity and the problems of terrorism, decolonisation and abortion law as discussed and elaborated upon by O'Brien in her writings.

Correspondences and Contrasts in Foreign Language Pedagogy and Translation Studies Katarzyna Piątkowska, Ewa Kościółkowska-Okońska, 2013-05-24 The book constitutes a selection of 18 papers on foreign language pedagogy (11 papers) and translation studies (9 papers). The first part of the book is devoted to foreign language pedagogy. The articles in this part focus on issues such as English as lingua franca, foreign language teacher training, the role of individual learner differences in language learning and teaching especially with respect to strategies of language learning as well as psychological and socioaffective factors. The part focusing on translation studies comprises articles devoted to a variety of topics. It places a wide range of readings within the context of varying translation domains such as translation competence, literary translation, translation strategies, translation teaching (including strategies of dictionary use) and translator training. The combination of the above aspects intends to underline the truly interdisciplinary nature of translation.

Back to the Present, Forward to the Past International Association for the Study of Irish Literatures. Conference, 2006 The island of Ireland, north and south, has produced a great diversity of writing in both English and Irish for hundreds of years, often using the memories embodied in its competing views of history as a fruitful source of literary inspiration. Placing Irish literature in an international context, these two volumes explore the connection between Irish history and literature, in particular the Rebellion of 1798, in a more comprehensive, diverse and multi-faceted way than has often been the case in the past. The fifty-three authors bring their national and personal viewpoints as well as their critical judgements to bear on Irish literature in these stimulating articles. The contributions also deal with topics such as Gothic

literature, ideology, and identity, as well as gender issues, connections with the other arts, regional Irish literature, in particular that of the city of Limerick, translations, the works of Joyce, and comparisons with the literature of other nations. The contributors are all members of IASIL (International Association for the Study of Irish Literatures). Back to the Present: Forward to the Past. Irish Writing and History since 1798 will be of interest to both literary scholars and professional historians, but also to the general student of Irish writing and Irish culture.

Girl Edna O'Brien, 2019-10-15 "A stunning novel, another remarkable achievement from one of the English language's greatest living writers," the acclaimed author of *The Country Girls* (Michael Schaub, NPR). I was a girl once, but not

anymore. So begins *Girl*, Edna O'Brien's harrowing portrayal of the young women abducted by Boko Haram. Set in the deep countryside of northeast Nigeria, this is a brutal story of incarceration, horror, and hunger; a hair-raising escape into the manifold terrors of the forest; and a descent into the labyrinthine bureaucracy and hostility awaiting a victim who returns home with a child blighted by enemy blood. From one of the century's greatest living authors, *Girl* is an unforgettable story of one victim's astonishing survival, and her unflinching faith in the redemption of the human heart. "The rhythm of *Girl* is intermittent and fearsomely strong; reading this novel is like riding the rapids . . . O'Brien's understanding of, and sympathy for, girls in trouble transcends culture." —Terrence Rafferty, *The Atlantic* "A masterpiece, a heart-wrenching story of loss and redemption powerfully rendered in O'Brien's singular voice, which is at once fierce and tender, conscientious and visionary." —*The Irish Times* "Throughout her long career, Edna O'Brien has proved to be an exceptionally brave writer, resolved to tell the truth, loyal to nothing except her memory, her imagination and her faith in the power and beauty of language . . . It's a tribute to O'Brien's skill as a writer—her ability to inhabit the minds of her characters and to craft virtuosic sentences—that *Girl* is immensely painful to read." —Francine Pose, *New York Times Book Review*
