**Five Point Someone** Chetan Bhagat, 2004 Set in IIT, in the early '90s, *Five Point Someone* portrays the lives of the protagonist Hari and his two friends Ryan and Alok. It explores the darker side of IIT, one in which students- having worked for years to make it into the institute- struggle to maintain their grades, keep their friends and have some kind of life outside studies.

*Five Point Someone* Chetan Bhagat, 2014-11 *Five Point Someone* is Chetan Bhagat's debut novel which revolves around the lives of Ryan, Alok, and Hari. The three lads become close friends while trying hard to survive in an exceedingly competitive environment. The three boys join IIT with a passion to excel and come out successfully as the best graduates. However, their life turns upside down when their grades fall lower than they had ever expected. Meanwhile, Hari falls in love with his professor's daughter, and Alok and Ryan cannot stop disputing each other. *Five Point Someone* was successfully able to strike a chord with the millions of youngsters across India. Hari, Alok and Ryan have to deal with unpleasant and cynical teachers, assignments and projects, stress of unending examinations, and a stringent academic schedule. Will they be able to survive the IITs? Or will they succumb to the tedious and age-old education system of India? -- Provided by publisher.

The Writing of the Nation by Its Elite MK Raghavendra, 2021-07-15 This volume examines the idea of India as it emerges in the writing of its anglophone elite, post-2000. Drawing on a variety of genres, including fiction, histories, non-fiction assessments – economic, political, and business – travel accounts, and so on, this book maps the explosion of English-language writing in India after the economic liberalization and points to the nation's sense of its growing importance as a producer of culture. From Ramachandra Guha to William Dalrymple, from Arundhati Roy to Pankaj Mishra, from Jhumpa Lahiri to Amitav Ghosh, from Amartya Sen to Gurcharan Das, from Barkha Dutt to Tarun Tejpal, this investigation takes us

from aesthetic imaginings of the nation to its fractured political fault lines, the ideological predispositions of the writers often pointing to an asymmetrically constituted India. A major intervention on how postcolonial India is written about and imagined in the anglophone world, this book will be of great interest to scholars and researchers of cultural studies, literature, history, and South Asian studies. It will also be of interest to general readers with an inclination towards India and Indian writing.

*Representations of Children and Success in Asia* Shih-Wen Sue Chen, Sin Wen Lau, 2022-09-28 This edited volume explores how success is conceptualized and represented in texts for young people in Asia. The essays in this collection examine how success for children relates to education, family, gender, race, class, community, and the nation. It answers the following questions: How is success for children represented in literature, cinema, and popular media? In what ways are these images grounded in the historical, political, and cultural contexts in which they are produced and consumed? How does childhood agency influence ideas about success in Asia? Highlighting the similarities and differences in how success is defined for children and young adults in Japan, South Korea, People's Republic of China, Singapore, Taiwan, Indonesia, Vietnam, and India, this volume argues that success is an important keyword in the literary and cultural study of childhood in Asia.

**The World of Chetan Bhagat** Nishant Pandya, Chetan Trivedi, 2014-10-01 The book comprises the study the reflection of revolutionary nature of youth and the manifestation of modern society as are depicted in Chetan Bhagat's Five Point someone and One Night at the Call Center. The chief element that permeates throughout the novels is conflict - an age old element exploited by the most of the writers. How the Youth is over burdened with expectations and dreams? How the Youth is sandwiched between their own freewill and so called (according to Youth) experienced and worldly wise people? The expectations lead toward disillusionment. It is believed that all have freedom of expression, but most often our minds are shackled or restricted by so called dogmas and principles. The conflict in this story arises from the way characters are expected to view the world. Here what I mean by the term disillusion is what Freud says, in The Future of an Illusion, It is characteristic of the disillusion that it derives from people's wishes.... It needs not necessarily be false, that is to say, unrealistic or incompatible with reality.
