

# Dibs In Search Of Self Virginia Axline

## Virginia M. Axline

Dibs: In Search of Self Virginia Axline, 2019-07-29 In 1947, Virginia Axline introduced professional psychotherapists to a new way of working with children called Nondirective Play Therapy. In 1964, she introduced the rest of the world to “Dibs”. Dibs is silent. Dibs is a mystery to his parents and teachers. Dibs cannot be reached no matter how hard they try. He hides under tables and lashes out at other children. Some think he’s incapable of learning and interacting in a regular classroom. Some think he’s emotionally disturbed. Everyone is desperate to fix him, except for “Miss A”. “Miss A,” as Dibs calls her, believes that Dibs already knows the answers and can show her what he needs if she is patient enough, accepting enough, and observant enough. Dibs’ parents think she’s wasting her time trying to watch him play. He doesn’t play and he doesn’t talk. Dibs’ mother finally agrees to let Miss A try her methods, but she’s not holding her breath. “Miss A” then introduces Dibs and us to her special play room, where children can be just exactly who they truly are. The room is not magical, but the relationship between therapist and child is. In the safety and freedom of this special relationship, we begin to see what Axline meant when she first encouraged therapists to offer children the opportunity to “play out these feelings” and “realize the power within [themselves]”. “A ‘must read’ classic for play therapists!” — Charles E. Schaefer, PhD, RPT-S, Professor Emeritus of Psychology, Fairleigh Dickinson University; Co-Founder and Director Emeritus, The Association for Play Therapy “Dibs: In Search of Self is a timeless account of Axline as play therapist, advocate, and partner in Dibs’ therapeutic journey. I marvel at Axline’s ability to encompass multiple roles while demonstrating integration in all of her interactions; whether in the playroom, conducting classroom observations or working with Dibs’ parents. This is essential reading for play therapists, child development and counseling practitioners.” — Natalya Ann Lindo, PhD, LPC, CCPT-S, CPRT-S, Associate Professor & Counseling Program Coordinator, University of North Texas “There are many books on play therapy theory. There are many books on play therapy techniques. There is only one book that goes beyond theory and technique, getting to the heart of what play therapy is all about. Dibs captures the depth of connection and life-changing impact that play therapy can engender between a child and a therapist.” — Nick Cornett, PhD, LPC, LMFT, RPT, Assistant Professor, John Brown University

Dibs Virginia M. Axline, 1975

**Dibs** Virginia Mae Axline, 1990 This is the story of a little boy named Dibs. He would not talk. He would not play. Judged mentally defective, he was oblivious both to other children and to his teacher; in reality he was a brilliant, lonely child

trapped in a prison of fear and rage, a prison from which only he could release himself. And, through psychotherapy and love, he did. December Monday 20 Dibs is the only real person I ever met in the classroom who could teach me what it means to be a complete person.

**Dibs in Search of Self** Virginia M. Axline,1986-06-12 The classic of child therapy. Dibs will not talk. He will not play. He has locked himself in a very special prison. And he is alone. This is the true story of how he learned to reach out for the sunshine, for life . . . how he came to the breathless discovery of himself that brought him back to the world of other children.

**Dibs** Virginia Mae Axline,1964

Dibs in Search of Self Virginia M. Axline,2022-03-03 When renowned psychotherapist Virginia Axline first encountered Dibs at his New York School, he was a little boy lost to the world. He would not talk. He would not play. He sat alone, defying every attempt at interaction. Axline was the last resort. This is her seminal account of how, through weekly play therapy sessions over the course of one year, Dibs's extraordinary character, and the reason for his silent withdrawal, were gradually revealed. Dibs in Search of Self is a classic of child therapy, and a moving story of transformation.

**Dibs: in Search of Self** Virginia Mae Axline,1971

**Classic Case Studies in Psychology** Geoff Rolls,2019-12-06 The human mind is both extraordinary and compelling. From the leader who convinced his followers to kill themselves to the man who lost his memory, these famous accounts have provided invaluable insights for scholars and researchers and amazed the public at large. Brought to life by Rolls, each case is contextualized with more typical behaviour, while the latest thinking in each subfield is also discussed. Revised and updated, this new edition features two new case studies including the 'Jim Twins' by Thomas Bouchard, an amazing case of twins separated at birth and adopted by different parents yet when reunited 30 years later shared so many behavioural characteristics. It also features a new issues and debates chapter. Classic Case Studies in Psychology is accessibly written and requires no prior knowledge of psychology, just an interest in the human condition. The book will amaze, sometimes disturb, but above all enlighten its readers. Geoff Rolls has taught psychology for over 26 years and is currently Head of Psychology at Peter Symonds College, Winchester, UK. He is the author of the popular Women Can't Park, Men Can't Pack (Chambers, 2009), which investigates gender stereotypes (including driving), and also Taking the Proverbial (Chambers, 2007), which explores the psychological truth behind well-known proverbs and sayings. .

**Reading Between the Lines** Marion E. Neville Lynch,2005 Reading Between the Lines: A Balanced Approach to Literacy is a handbook that will enhance your ability to become a more effective reader. It teaches how to read interactively, to monitor emotional responses to text, and to think «outside of the box» for a comprehensive interpretation of text. Reading Between the Lines also suggests creative ways to link reading and writing effectively to produce summaries, critiques, and syntheses.

### **The National Union Catalogs, 1963- ,1964**

**Handbook of Play Therapy** Kevin J. O'Connor, Charles E. Schaefer, Lisa D. Braverman, 2015-10-19 A complete, comprehensive play therapy resource for mental health professionals Handbook of Play Therapy is the one-stop resource for play therapists with coverage of all major aspects written by experts in the field. This edition consolidates the coverage of both previous volumes into one book, updated to reflect the newest findings and practices of the field. Useful for new and experienced practitioners alike, this guide provides a comprehensive introduction and overview of play therapy including, theory and technique, special populations, nontraditional settings, professional and contemporary issues. Edited by the founders of the field, each chapter is written by well-known and respected academics and practitioners in each topic area and includes research, assessment, strategies, and clinical application. This guide covers all areas required for credentialing from the Association for Play Therapy, making it uniquely qualified as the one resource for certification preparation. Learn the core theories and techniques of play therapy Apply play therapy to special populations and in nontraditional settings Understand the history and emerging issues in the field Explore the research and evidence base, clinical applications, and more Psychologists, counselors, marriage and family therapists, social workers, and psychiatric nurses regularly utilize play therapy techniques to facilitate more productive sessions and promote better outcomes for patients. Handbook of Play Therapy provides the deep, practical understanding needed to incorporate these techniques into practice.

**Using Counselling Skills in Social Work** Sally Riggall, 2012-05-18 This practical book enables students to develop key counselling skills that can help to enhance their practice and help to place the service-user at the centre of the decision making process. Relationship building will be a key area of the text and relevant counselling skills for achieving this in social work settings such as empathic responding will be illustrated in detail together with examples of dialogue and analysis of interventions. The role and importance of self-awareness will be discussed together with various exercises to develop the readers' own knowledge of themselves.

*You're the Critic* ,1972

### **Client-Centered and Experiential Psychotherapy in the 21st Century** Jeanne C. Watson, Rhonda N.

Goldman, Margaret S. Warner, 2002 This book includes 39 papers presented at the International Conference on Client-Centered and Experiential Psychotherapy held in Chicago in May 2000. This international collection of papers, spanning theory and practice across classical client-centred to experiential psychotherapy, offers a rich diversity of thinking and opinion.
