Transactions of the International Astronomical Union Immo Appenzeller,2012-12-06 IAU Transactions XXIIIB summarizes the work of the XXIIInd General Assembly. The discourses given during the Inaugural and Closing Ceremonies are reproduced in Chapters I and III, respectively. The proceedings of the two sessions of the General Assembly will be found in Chapter II, which includes the Resolutions and the report of the Finance Committee. The Statutes, Bye-Laws and a few working rules of the Union are published in Chapter IV. The Accounts and other aspects of the administration of the Union are recorded in Chapter V, together with the report of the Executive Committee for this last triennium, and provide the permanent record for the Union in the period 1991-1994. This volume also contains the Commission reports from The Hague compiled by the Presidents of the Commissions (Chapter VI). Finally, Chapter VII contains the list of countries adhering to the Union and the alphabetical, geographical and commission membership lists of about 8000 individual members. The IAU still appears to be unique among the scientific Unions in maintaining this category of individual membership which contributes in a crucial way to the spirit and the aims of the Union.

Les DAF 052 Amphores du nord-est de la Gaule (territoire français) Juliette Baudoux,1996 À partir d'un recensement systématique des amphores romaines découvertes sur une centaine de sites du nord-est de la Gaule, cette recherche aborde quelques aspects de l'histoire économique provinciale, relatifs aux importations et à la consommation des denrées alimentaires, sous l'Empire romain, dans cette région située, dans l'Antiquité, sur un axe de circulation de première importance, reliant le couloir rhodanien aux camps du limes germanique. Des attributions d'origine sont tentées à travers l'analyse morphologique, épigraphique et la description macroscopique des pâtes de ces récipients. L'observation des

différences de distribution des produits met en lumière l'orientation des courants commerciaux dans cette région au cours du temps et des usages alimentaires spécifiques en milieu rural ou urbain.
