Quotationary - The A-Z Book of Quotations Nasser Amiri, 2024-06-27 Compiled over many years by Nasser Amiri, this is by far the most comprehensive collection ever compiled of carefully selected quotations from the world's great philosophers, writers, historians, musicians and thinkers. Quotationary is a source of inspiration for every writer, book-lover and thinker. It contains the thoughts of many of the finest minds since ancient man started to express his wit and wisdom in aphoristic form. It is inspirational, instructive, amusing and literary; alongside a dictionary and thesaurus it is a must-have purchase for any author, writer, journalist or anyone working with words.

The Tree Climbing Cure Andy Brown, 2022-12-15 Our relationship with trees is a lengthy, complex one. Since we first walked the earth we have, at various times, worshiped them, felled them and even talked to them. For many of us, though, our first memories of interacting with trees will be of climbing them. Exploring how tree climbers have been represented in literature and art in Europe and North America over the ages, *The Tree Climbing Cure* unpacks the curative value of tree climbing, examining when and why tree climbers climb, and what tree climbing can do for (and say about) the climber's mental health and wellbeing. Bringing together research into poetry, novels, and paintings with the science of wellbeing and mental health and engaging with myth, folklore, psychology and storytelling, *Tree Climber* also examines the close relationship between tree climbing and imagination, and questions some longstanding, problematic gendered injunctions about women climbing trees. Discussing, among others, the literary works of Margaret Atwood; Charlotte Bronte; Geoffrey Chaucer; Angela Carter; Kiran Desai; and J.R.R. Tolkien, as well as work by artists such as Peter Doig; Paula Rego; and Goya, this book stands out as an almost encyclopedic examination of cultural representations of this quirky and ultimately restorative pastime.

Stone Broke Heiress Danielle Owen-Jones, 2024-09-06 Six months ago, I was the heiress to a soup empire worth millions. Now, I'm standing in a giant dumpster. Bella Whittington's caviar-and-Cristal life comes crashing down when she walks in on her fiancé and best friend tangled up in page 34 of the Kama Sutra, limbs everywhere. But her plan to dull the pain with Daddy's credit card is totalled by the news that they've lost the family business. Suddenly Bella's both single and completely broke. Shivering in her dingy new studio apartment after a traumatic incident with a homemade turmeric face mask (Hello Tangerina Jolie!), Bella realises she must pull up her Gucci socks and get a job, fast. But Dan, the gorgeous, grumpy owner of

the local soup kitchen, hates the Whittingtons, so a teensy lie about her surname gets Bella through the door, and set loose on the stove... Minestrone with a side of melted spatula, anyone? When Bella's ex returns with a golden ticket back to her glitzy old life, should she accept? Because that would mean no more box wine and frozen pizza nights with Dan. No more singalongs to the crackly kitchen radio. No more my-heart-is-as-melted-as-that-spatula moments when he finally cracks a reluctant smile... But if Dan finds out the truth about who she really is, will she even have the choice? An absolutely hilarious, feel-good rom com that will have you snorting with laughter. The new must-read for fans of Sophie Kinsella, Lindsey Kelk and Schitt's Creek! Readers love Stone Broke Heiress: 'Had me in stitches from start to finish... The romance left my heart full and my spirits lifted.' Goodreads reviewer, [REDACTED] 'Blew me away in the best possible way. Reading it felt like being held in a warm hug by a fairy godmother and I never wanted to let go... I hereby crown Owen-Jones the Northern Queen of the Rom-Coms, and long may she reign!' Goodreads reviewer, [REDACTED] 'I laughed from the very first line... A joy to read. Quick witted, sharp and fun... Perfect.' Bobs and Books, [REDACTED] 'An amazing gem... I enjoyed it from start to finish and kept laughing out loud... I truly recommend reading this, it's just a pure joy.' Goodreads reviewer, [REDACTED] 'Laugh out loud... A read that'll have you devouring every word in a single sitting as you laugh, cry, and cheer for the characters.' alohabooksandbujos, [REDACTED] 'I loved Bella and she reminded me very much of Becky Bloomwood from the Shopaholic series... it was a total joy to get lost in her world. I finished this book with a smile on my face and what more could you want from a rom-com!' Goodreads reviewer, [REDACTED] 'WOW! ... I was slow to put the book down, and quick to pick it back up. When this happens I say the book has "the pull", and this is one of those books... Very Sophie Kinsella-esque.' PoweredByPepsi, [REDACTED] 'Made me laugh all the way through from the first word to the last... Well worth 5 stars.' Goodreads reviewer, [REDACTED] 'An absolute treat to read. Heart-warming and laugh-out-loud funny.' Goodreads reviewer, [REDACTED] 'My favourite read of 2022... This book has it all.' BookishxBlondie, [REDACTED] 'An absolute joy... A real heart-warming hug of a book and a tonic to curl up with during the stormy weather - but would have been just as good company with a glass of fizz on a sun lounger.' Goodreads reviewer, [REDACTED] 'I absolutely loved this book!... captured my attention from the start and just drew me in... You will finish the book with a warm feeling in your heart and a smile on your face.' NetGalley reviewer, [REDACTED]

52 Quotes to live by by Zett Why, 2012 *52 Quotes to Live By* is a Self Help category book written by Zett Why. It's a spiritual and philosophical book that discusses what really makes us happy. Due to many objective and subjective reasons, we are often forced to go in directions which wouldn't be our choice under other conditions. We usually follow the goals imposed by society, friends, or just egoism created by ourselves. The more intellectual we become, the less often we feel satisfaction in our consciousness. We postpone moments of happiness to particular points in time, and believe that we will be happy when we achieve them. But right after having achieved them, we set new goals, and go on to the next goal. This race has no end... Oriental wisdom says - if you don't let the bee go out of the hive, she will not be able to bring back nectar. Letting go of your

knowledge is an art and the high road to wisdom. Wisdom accommodates opposites. The intellect is not capable of this. You have to let go of Rightness, too. Then you won't be hurt by knowing. Only this will help you become reborn, and only this will let you find joy in simple things. Only this way leads to happiness... Pleasure in consciousness is all that we need. It's a guiding star, showing us whether we are on the right Way, or not. Alienation from pleasure is called Suffering. Pleasure seeking (desire) is called Hope. The appearance of a pleasurable moment - Happiness. Permanence in being in a condition of pleasure is called Love. A condition of pleasure which involves all your entity is called Nirvana. People who are able to stay in a condition of overpowering pleasure in consciousness all the time, call it the Supreme Truth. Here is all that is Human... In his book, Zett Why encourages learning to differentiate real joy from egoism. He also offers 52 Ways about how to achieve a feeling of satisfaction in consciousness. In describing the ways, Zett analyzes aspects of daily life and introduces practical recommendations about how to find our real I, and joy in our daily life.

Narrative and Grief Patricia English-Schneider, Deleasa Randall-Griffiths, 2023-05-15 Grief and loss are fundamental aspects of the human experience. *Narrative and Grief* examines the desire to make sense out of the nonsensical by exploring specific stories of loss and grief, spanning from the loss of a parent, child, or partner, loss within larger family systems; and ambiguous and anticipatory loss to broader cultural aspects of grief. The autoethnographic essays in this book reflect on the unique and individual experiences of each contributor's story. Simultaneously, these essays reveal that although each grief experience is unique, it is also collective, evoking broader cultural themes related to loss and grief. Scholars of communication, sociology, and family studies will find this book of particular interest.

Death until Resurrection Joseph Saligoe, 2020-03-11 What really happens to the soul when people die? This groundbreaking book may appeal both to Luther experts and to those who know little about the Reformer. It demonstrates that Luther constantly taught over the last twenty-four years of his life that death is like an unconscious sleep. It also shows why this matters today for Christians. *Death until Resurrection* is a great first step in understanding God's plan for renewal of the creation that can alleviate our common fears about death. Seeing what exactly the scriptural writers meant regarding death--as interpreted by one of the most prominent church leaders ever--also provides the benefit of helping us better understand core doctrines such as our resurrection, the nature of hell, and eternal life through salvation. This book offers that which very few writers on Luther have done: an explanation that can unravel his apparent contradictions and the Luther paradox on the nature of death and the soul using Luther's own words scattered throughout his voluminous writings. Learn which group of widely acclaimed authors (or experts) on Luther was correct about what Luther believed about death: Lohse

and George, or Althaus and Thiselton.

With a little wine, drama and laughs they discuss their dreams, betrayals, families and, without a doubt, the men in their lives that come and go. But tonight, ladies' night out arrives with a twist - and a revelation that could either threaten a longstanding friendship or bring 4 women closer to understanding themselves, their men and their secret passions than ever before.
