

Fire And Fury Miles Stone

ML Yell

Fire and Fury John McRae,1998

Fire and Fury Dr Miles Stones,2023-08-10 *Fire and Fury: The Story of the Maui Fire and its Implications for Climate Change* is a gripping and eye-opening account of one of the most devastating wildfires in Hawaii's history, and how it reveals the urgent need to address the global climate crisis. The book chronicles the events of August 8-11, 2023, when a massive fire swept across the island of Maui, fueled by drought, heat, and hurricane winds. The book describes the harrowing experiences of the people who lived through the fire, as well as the heroic efforts of the firefighters and rescuers who battled the flames. The book also examines the causes and consequences of the fire, both locally and globally, and how it exposes the vulnerability of our society and our planet to the impacts of climate change. The book draws on scientific research, eyewitness accounts, official reports, and media coverage to provide a comprehensive and compelling narrative of the Maui fire and its implications for climate change. The book also offers practical solutions and recommendations on how we can prevent and prepare for future wildfires, and how we can reduce our greenhouse gas emissions and adapt to a changing climate. *Fire and Fury: The Story of the Maui Fire and its Implications for Climate Change* is a must-read for anyone who cares about the environment, the future of humanity, and the fate of our beautiful planet.

Milestone Documents in American History Paul Finkelman,Bruce A. Lesh,2008 *Milestone Documents* is a new series combining full-text primary source documents with engaging, readable analysis. Plus free online access to the full content of

this great reference set is available.Exploring the Primary Sources That Shaped America launches the Schlager Group's Milestone Documents. This series brings primary source documents and insightful analysis to Salem's history offerings. The series is also a key part of Salem History, the new online database available free to purchasers of the print edition.Primary source documents have always occupied a central role in the study of history. Most existing reference sources, however, treat these documents as an afterthought. This new series - the focus of a new imprint by the Schlager Group, and available exclusively through Salem Press - fills the gap by offering students and researchers in-depth, analytical essays illuminating famous primary source documents from U.S. and world history.The first publication in this remarkable series is Milestone Documents in American History: Exploring the Primary Sources That Shaped America. This fully illustrated, four-volume series will treat more than 130 iconic documents from the Revolutionary era to the twenty-first century.Milestone Documents in American History offers an innovative approach to historical reference. Each entry includes the full text of the document in question as well as an in-depth, analytical essay that places the document in its historical context. With content aligned to the National History Standards and signed essays written by a team of nearly 100 esteemed historians, Milestone Documents in American History offers an unparalleled reference tool for students conducting primary source research.Among the documents included in the set are Revolutionary era standards such as Patrick Henry's Liberty or Death speech, the Declaration of Independence, and the Constitution. Important presidential sources include Thomas Jefferson's first inaugural address, Abraham Lincoln's Gettysburg Address, John F. Kennedy's 1963 address on integration, and George W. Bush's address on September 11, 2001. Influential decisions of the Supreme Court are also included, from Brown v. Board of Education to Bush v. Gore. Critical documents related to minority rights are also present: Andrew Jackson's message On Indian Removal, the Seneca Falls Declaration, Martin Luther King, Jr.'s I Have a Dream speech, and the Equal Rights Amendment.Special features include a general subject index, an index by category, and hundreds of photographs and other images. In addition, history educators will find eight detailed and useful teacher's guides containing dozens of student activities.
