Understanding Marilynne Robinson Alexander John Engebretson, 2017-11-06 A comprehensive study of the award-winning Midwestern author of fiction and nonfiction Alex Engebretson offers the first comprehensive study of Marilynne Robinson's fiction and essays to date, providing an overview of the author's life, themes, and literary and religious influences. Understanding Marilynne Robinson examines this author of three highly acclaimed novels and recipient of the National Book Critics Circle Award for fiction, the Pulitzer Prize for fiction, the Orange Prize for fiction, and the National Humanities Medal. Through close readings of the novels and essay collections, Engebretson uncovers the unifying elements of Robinson's work: a dialogue with liberal Protestantism, an emphasis on regional settings, the marked influence of nineteenth-century American literature, and the theme of home. The study begins with *Housekeeping*, Robinson's haunting debut novel, which undertakes a feminist revision of the Western genre. Twenty-four years later Robinson began a literary project that would bring her national recognition, three novels set in a small, rural Iowa town. The first was *Gilead*, which took up the major American themes of race, the legacy of the Civil War, and the tensions between secular and religious lives. Two more *Gilead* novels followed, *Home* and *Lila*, both of which display Robinson's gift for capturing the mysterious dynamics of sin and grace. In Understanding Marilynne Robinson, Engebretson also reviews her substantial body of non-fiction, which demonstrates a dazzling intellectual range, from the contemporary science-religion debates, to Shakespeare, to the fate of liberal democracy. Throughout this study Engebretson makes the argument for Marilynne Robinson as an essential, deeply unfashionable, visionary presence within today's literary scene.

This Life, This World: New Essays on Marilynne Robinson's Housekeeping, Gilead, and Home, 2015-09-29 This book explores the author's award-winning novels while also engaging her non-fiction. As the first book devoted entirely to Robinson and to her diverse contributions to literature and scholarship, *This Life, This World* familiarizes readers with the major currents in her thought and moves scholarly dialogue into new theoretical directions. An interdisciplinary group, the contributors bring to their subject a diversity of perspectives—Romanticism, ecocriticism, medicine and literature, religion and literature, theology, American Studies, critical race theory, and feminist and gender studies—that reflects the amplitude and fecundity of Robinson's art and thought. The book begins with an annotated timeline and concludes with a substantive written interview with Robinson wherein she reflects on her work and its reception. A tremendous resource for Robinson

enthusiasts and for readers interested in the questions she raises in her fiction and non-fiction.

Encyclopedia of Contemporary Christian Fiction Nancy M. Tischler,2009-09-10 A biographical encyclopedia of American and British Christian-themed writers from World War II to the present, covering acclaimed literary works and popular evangelical fiction. Encyclopedia of Contemporary Christian Fiction: From C.S. Lewis to Left Behind spans the entire breadth of Christian-themed British and American writing from World War II to the present—well-known and less familiar authors, acclaimed literary novels, and popular writing in a variety of genres (mysteries, thrillers, romances), works that explore matters of faith, works that challenge orthodoxy and church practices, and works wholly written by and for devout evangelicals. Encyclopedia of Contemporary Christian Fiction offers 90 alphabetically organized entries covering the field's most important writers. Each entry includes a brief biography, religious and educational background, a survey of major works and themes, and a summary of critical response, as well as a bibliography of major works and criticism. By examining evocative, sometimes overlooked Christian elements in modern fiction, and by exploring the depth and scope of popular evangelical fiction, Encyclopedia of Contemporary Christian Fiction offers the richest, most complete portrait of the role of faith in modern English writing ever published.
