Think Like Me Brandon Wells,2021-05-01 Think Like Me gives my perspective on how to handle and conduct oneself throughout everyday life. From discussing what lies are and how to identify their respective categories, to encouraging readers to find inner confidence during times of insecure moments. It is meant to help others understand difficult emotions, and to look at situations through a fair pair of eyes. In my unique view of the world, I explain that we are inescapably tied to our emotions, and I dissect what it means to be human. Rejecting the notion that, you're being too sensitive, and accepting that I don't believe anyone actually deserves anything, at all. This book has the ultimate goal of finding inner peace, and stabilizing our relationships that we have with ourselves, so that we can live our lives without regret, and be at peace with our innermost self.

Psychological Commentaries on the Teaching of Gurdjieff and Ouspensky Maurice Nicoll,1996-08-01 When Maurice Nicholl was studying in Zurich, he met Jung, and Ouspensky. He went on to study with Gurdjieff, and from 1931 to his death in 1953, he began at Ouspensky's request, a programme of work devoted to passing on the ideas he had received. Reissued in hard cover, these five unedited commentaries are taken from the weekly lectures and talks Nicoll gave to his students in England and which were recorded verbatim; the sixth volume is an index produced by the Gurdjieff society Washington DC. These differ from Nicholl's more polished works - they are more concerned with directly applying certain deep ideas to daily life.
