Lamb of God Anthony M. Harrington, Wyatt Adams, 2014-11-17 When Mitchell Wallace halts his suicidal plunge from an overpass to help a little lamb who has wandered onto the busy interstate below, he sets into motion a chain of events that alter his life as well as the lives of his best friend and his sister. Together, they are thrust into a terrifying and hilarious battle between good and evil that has them facing off against a band of shadow demons, violent giants, a horde of homeless undead, and satanic forces bent on claiming the earth as their domain. On a roadtrip from hell, the trio of unlikely heroes and a bible-quoting magical lamb race against time to find the mystical Lost Staff of Ba'al, the only thing that can save the earth from a demonic undertaking. If they don't kill each other in the process, they just might save the world.

to those who love: an open letter anonymous, 2018-03-18 This book was made to show myself that I could do anything I put my mind to. It is full of my love, my sadness, my joy, my fear and so many more things. I made this book with a little bit of every piece of me and I just hope you enjoy it.

INTERGALACTIC BASTARD Dave Walsh, 2022-03-25 The galaxy's mightiest warriors laughed at humans entering their arena... until they met the bastard. Coop Sabre, along with his exploding barbed wire bat, Guy, has turned the galaxy upside down, taking crowds across the galaxy by storm. The brutal bloodsport of alien deathmatches was no place for the average person, but nothing about Coop and his reckless fighting style was average. With everything he desires seemingly within reach, an unwanted question pops into his mind: Is this really what he wants out of his life? The vicious cycle of violence, addiction and depression takes a toll on every warrior. It's up to Coop to find where he belongs, or he risks losing it all. He is the INTERGALACTIC BASTARD. *** INTERGALACTIC BASTARD is an over-the-top cyberpunk science fiction adventure story built on a foundation with a lot of heart. Built on a foundation of imagining a future where humans unlock the galaxy and find dozens of alien races, we find ourselves outmatched and underpowered in the galaxy's sport of choice: gladiatorial combat. No human could hold their own until former bouncer Coop Sabre smashed his way to the top. INTERGALACTIC BASTARD samples from the competitive worlds of mixed martial arts (UFC, Bellator, etc.) and professional wrestling (AEW, WWE, BJW,

GCW, etc.). While there are plenty of combat scenes, the heart of the story revolves around Coop Sabre's quest to build a family for himself and feel comfortable in his own skin, all in a futuristic, cyberpunk setting with evil corporations and all. Goodreads reviewer Kathy Wortham touches on the universality: "Even if you don't like wrestling, SCI-FI readers will like this." Goodreads reviewer Karen does as well: "Walsh's Intergalactic Bastard may appeal to a Sci-Fi audience who are also going through personal struggles and enjoy a bit of UFC thrown in for fun."

KANYA Aakash Dhanurkar, Hitakshi Kathuria, 2022-02-26 Kannya', a story that is inspired by a real incident taken place in Pune. The book that narrates the struggle of a brother coping up with depression to later unfold the reason behind his restive mind. Two young writers from Pune have come up with an idea of writing a full fledged novel to highlight what a family suffers when the hospital bills make their survival tough. However, the growing rapes in our country have surely highlighted the need to step up strongly with our laws against the heinous crime, but we were unaware about one such woman who stood against the evil acts of the society. Her journey could leave many of us in a state of shock, but more than that, she has hoped for someone's better tomorrow.

Banking on Murder K.J. Emrick, 2024-11-27 Christmas cheer is on the line when a mystery threatens to chill the Pine Lake Inn. Dell Powers is ready for a festive Christmas at the Pine Lake Inn with her family and friends, but trouble has a way of disrupting the small town of Lakeshore. This Christmas would be no exception. When Victor Bank, a notorious and obnoxious podcaster checks in to debunk the Inn's haunted reputation, Dell's holiday plans are thrown into chaos. It isn't long before old grudges and hidden secrets emerge, with murderous intent. With her ghostly friends strangely silent and the Inn's guests on edge, can Dell keep the holiday spirit alive and uncover the truth before it's too late?

Growing Up in Flames Zach Jones, 2022-03-01 This contemporary YA novel is perfect for fans of Mark Smith and Vikki Wakefield, and tackles grief, belonging and mental illness.

Three Days to Never Tim Powers, 2009-10-13 Albert Einstein's groundbreaking scientific discoveries made possible the creation of the most terrible weapon the world had ever known. But he made another discovery that he chose to reveal to no one—to keep from human hands a power that dwarfed the atomic bomb. When twelve-year-old Daphne Marrity takes a videotape labeled Pee-wee's Big Adventure from her recently deceased grandmother's house, neither she nor her college-professor father, Frank, realize what they now have in their possession. In an instant they are thrust into the center of a world-altering conspiracy, drawing the dangerous attentions of both the Israeli Secret Service and an ancient European cabal of occultists. Now father and daughter have three days to learn the rules of a terrifying magical chess game in order to escape a fate more profound than death—because the Marritys hold the key to the ultimate destruction of not only what's to come . . . but what already has been.

The Fall of Butterflies Andrea Portes, 2016-05-10 We Were Liars meets Looking for Alaska in a uniquely funny and

heartbreaking teen novel about a passionate-yet-doomed friendship set against a backdrop of wealth and glamour. Willa Parker, 646th and least-popular resident of What Cheer, Iowa, is headed east to start a new life. Did she choose this life? No, because that would be too easy—and nothing in Willa's life is easy. It's her famous genius mother's idea to send her to ultra-expensive, ultra-exclusive Pembroke Prep, and Willa has no intention of fitting in. But when she meets peculiar, glittering Remy Taft, the richest, most mysterious girl on campus, she starts to see a foothold in this foreign world—a place where she could maybe, possibly, sort of fit in. When Willa looks at Remy, she sees a girl who has everything. But for Remy, having everything comes at a price. And as she spirals out of control, Willa can feel Remy spinning right out of her grasp. Andrea Portes, author of the hilarious, heartbreaking *Anatomy of a Misfit*, spins a similarly incandescent, heartfelt story that explores the meaning of friendship, new beginnings, and the precarious joy and devastating pain of finding home in a place—a person—with wings.

Blue Beetle (2011-) #8 Tony Bedard, 2016-08-23 Blue Beetle has abandoned his friends, family and home, setting out on a path that brings him to New York City. As Beetle struggles with the curse of the scarab that is the source of his powers, a loathsome threat emerges—a predator who stalks runaway children.

The Bosses Songbook, 1959

Now I Know Everything Andrew Postman, 1995 What do men really want? When the protagonist of Andrew Postman's clever, urbane first novel is hired by a famous women's magazine to tell women the truth about men, he finds that these postmodern times demand that the question itself be turned on its head. Alone in a world of strong, accomplished women, he starts to realize that he really needs to discover what women want. Hours before being appointed the new Vince of the Vince: A Man's View column in ---r magazine, Andrew Postman (the character, not necessarily the author; then again, who knows?) fails at love inside a New York City landmark. This is the guy who presumes to tell millions of women what men want? The magazine's editors are counting on their new Vince to reinvigorate the column with scintillating reports of his sexual adventures and romantic education. They want him to be both their closet tomcatter and their sensitive guy, the one who's in touch with his feminine side yet is still male enough to elicit a few canceled subscriptions. Vince becomes a big hit, but alter-ego Andrew finds his life inexplicably turning monastic, and he tries with growing desperation to justify his pose as the confident, all-knowing 1990s lover. From his laughing gas-addled liaison with a dentist to his doubt-plagued reaction to a too-good-to-be-true blind date, Andrew's romantic struggles provide fodder for provocative columns and eventually a novel this one.--BOOK JACKET.
