**Muslims Inspirational Quotes** Abdullah Hawa,2020-10-26 Often, one feels like giving up in the face of tiring challenges that life keeps us presenting with. However, times like these test our mettle to the fullest. The trials of life are a test from Allah (SWT), we must be prepared for them all the time. If you are facing a lot of hardship, it means that Allah (SWT) has something good for you in-store. This is a fact that is validated by the saying of Prophet Muhammad (SAW). He (SAW) said: If Allah wants to do good to somebody, He afflicts him with trials.Source: Sahih al-Bukhari 5645

They Must Be Stopped Brigitte Gabriel,2008-09-02 They Must Be Stopped is New York Times bestselling author Brigitte Gabriel's warning to the world: We can no longer ignore the growth of radical Islam-we must act soon, and powerfully. Drawing from seventh-century teachings, Gabriel probes into how fundamentalist Islam, under the guise of religious liberty, perpetuates hatred towards western values while exploiting the U.S. legal system. This crucial work takes a hard look at madrassas, flagging their surge in America as part of a rising radical army on U.S. soil. Gabriel fearlessly critiques an overbearing climate of political correctness that often stifles candid discussions about radical Islam. She passionately advocates that America must shed its restraint, questioning its complacency towards this growing internal threat, and

demand its representatives to take protective action. Delving into its religious and historical basis, the encroachments across the globe, and systemic abuses of democracy in the name of religion, They Must Be Stopped serves as a clarion call to the world.

What's Right with Islam Is What's Right with America Feisal Abdul Rauf,2009-10-13 An American imam offers answers for today's toughest questions about Islam, and a vision for a reconciliation between Islam and the West. One of the pressing questions of our time is what went wrong in the relationship between Muslims and the West. Continuing global violence in

the name of Islam reflects the deepest fears by certain Muslim factions of Western political, cultural, and economic encroachment. The solution to the current antagonism requires finding common ground upon which to build mutual respect and understanding. Who better to offer such an analysis than an American imam, someone with a foot in each world and the tools to examine the common roots of both Western and Muslim cultures; someone to explain to the non-Islamic West not just what went wrong with Islam, but what's right with Islam. Focused on finding solutions, not on determining fault, this is ultimately a hopeful, inspiring book. What's Right with Islam systematically lays out the reasons for the current dissonance between these cultures and offers a foundation and plan for improved relations. Wide-ranging in scope, What's Right with Islam elaborates in satisfying detail a vision for a Muslim world that can eventually embrace its own distinctive forms of democracy and capitalism, aspiring to a new Cordoba - a time when Jews, Christians, Muslims, and all other faith traditions will live together in peace and prosperity.
