James Herriot Mitzi Brunsdale,1997 James Herriot, one of the best-known contemporary British authors, is known for his autobiographical, semi-fictional stories of the life of a veterinarian in the dales of Yorkshire in the 1930s through the 1950s, as well as his children's versions of these animal stories. With book sales in the millions, he is a major figure in the popular culture of our time. In this text, Mitzi Brunsdale traces James Herriot's life and works. Written in a serious yet easy-to-read style, she mixes this biography with 20th-century British history and an overview of the history and people of Yorkshire. This comprehensive study covers Herriot's five autobiographical books, his children's books, and film and television renditions of his works.

James Herriot's Cat Stories James Herriot,1994-09-15 Between these covers, teller and tales finally meet in a warm and joyful new collection that will bring delight to the hearts of readers the world over: James Herriot's Cat Stories. Here are Buster, the kitten who arrived on Christmas; Alfred, the cat at the sweet shop; little Emily, who lived with the gentleman tramp; and Olly and Ginny, the kittens who charmed readers when they first appeared at the Herriots' house in the worldwide bestseller *Every Living Thing*. And along with these come others, each story as memorable and heartwarming as the last, each told with that magical blend of gentle wit and human compassion that marks every word from James Herriot's pen.

The Best of James Herriot James Herriot,1998-09-15 The Best of James Herriot is one of the most extraordinary volumes ever devoted to the work and world of a contemporary writer. Within its covers are unforgettable episodes from the remarkable series of memoirs that began with *All Creatures Great and Small*-the ones my family and I have laughed at over the years and the ones my readers have said they most enjoyed, as Herriot, himself, put it. Yet the book is far more than a simple anthology: Its gorgeous pages also include hundreds of line drawings and color photographs, capturing Herriot's Yorkshire in a worthy complement to the writer's words. The 1991 publication of *Every Living Thing*, rendered the original edition of this book incomplete. This fall will mark the publication of the complete, definitive edition with the addition of five of his best, more recent stories, as well as new art. Once again The Best of James Herriot becomes the quintessential Herriot volume-one of those invaluable books that will be loved as much in decades to come as it is today.

Vet in a Spin James Herriot,1993 James Herriot, strapped into the cockpit of a Tiger Moth trainer, feels rather out of place, but he hasn't found a new profession and it surely won't be long before the RAF come round to his point of view... James Herriot's sixth volume of unforgettable memoirs sees him dreaming of the day when he can rejoin his wife Helen, little son Jimmy, veterinary partner Siegfried, the eternal student Tristan - and all the old Darrowby crows, both two-legged and four.
