**No Surrender** Hiroo Onoda,1999 In the Spring of 1974, Second Lieutenant Hiroo Onoda of the Japanese army made world headlines when he emerged from the Philippine jungle after a thirty-year ordeal. Hunted in turn by American troops, the Philippine police, hostile islanders, and successive Japanese search parties, Onoda had skillfully outmaneuvered all his pursuers, convinced that World War II was still being fought and that one day his fellow soldiers would return victorious. This account of those years is an epic tale of the will to survive that offers a rare glimpse of man's invincible spirit, resourcefulness, and ingenuity. A hero to his people, Onoda wrote down his experiences soon after his return to civilization. This book was translated into English the following year and has enjoyed an approving audience ever since. Book jacket.

No Surrender Hiroo Onoda,1975 Personal account of his commando training in the Japanese Army, his wartime assignment to harass U.S. troops in the Philippines and 30 years alone on a jungle island awaiting word of Japanese victory.

**War, Conflict and Security in Japan and Asia Pacific, 1941-1952** Louis Allen,2011-06-24 It was Louis Allen's work on Japan which dominated his prodigious output as a scholar, researcher and writer and which received greatest attention internationally. This collection of his writings focuses entirely on his principal fields of research, viz, Japan and the Pacific

**Asian Loot** Charles C. McDougald,1993 Charles C. McDougald lived in Asia for twenty years, including ten years in the Philippines from 1972 to 1982. His impeccable research stems from an academic background whose credentials include a bachelor of science degree from the University of Georgia, a master's degree from the Asian Institute of Management, and a doctorate in business from the University of the Philippines. The data he gathered for his doctoral dissertation was the genesis of his 1987 book *The Marcos File*, which exposed the Marcos regime for its corruption and excesses. It was while working on a book about Marcos' hidden wealth that he stumbled on the story of a treasure hunt headed by Marcos. His close friendship with the national security director provided him access to the corridors of power. He was asked to find out the truth, both about the legendary treasure and the Marcos gold. His academic credentials, plus his military background-- he was a captain in the Green Berets in Vietnam-- made him a natural choice. He returned to the Philippines. A cave-in killed two of his men and overnight this top-secret operation made the front page of almost every major newspaper in the world.

**Rape and Woman's Identity** William B. Sanders,1980-07 Rape is an assault on a woman's identity, reputation, and sense of self, according to the author. Sanders originally intended to study the interaction of police and rape victims, but

found it necessary to widen the scope of his research to include the legal, cultural, and social context of rape; its typical physical process; the reasons for it; and its effect on victims. What emerges is a study of rape from every possible viewpoint -- one that leads the author to a discussion of sex role and self in society. 'Altogether, this book is eminently readable. It is written in a simple, comprehensive style, very rare in works employing a dramaturgical, ethnomethodological approach. The chapters and sections are short and peppered
