

Russian Mafia Romance S

Alexis Abbott

Alexei R. E. Saxton,2015-10-08 Ordinary Tara Noland leads a boring existence until she sees something she was never meant to observe. Head of the Russian mafia in his city, Alexei Varnakov can't let her go after she witnesses him murdering an underling. He should follow the code of the vory v zakone and eliminate her, but he can't. Instead, he decides to keep the fiery redhead. It's the only way she can stay alive, but she's defiant and fights him at every turn. He can break his little fox with passion, but can he ever win her trust? This story contains violence and sexual situations some readers might find objectionable. If you don't like darker erotic romances, this mafia romance might not be the book for you. However, if you enjoy a possessive Alpha male who takes what he wants despite a defiant woman determined to resist him, wickedly dark acts meant to break resistance, and rough (but consensual) sex, get ready to meet Alexei.

Unbroken Love Cristiane Serruya,

Havok: a Bad Boy Mafia Romance Riley Rollins,2016-07-31 His love is a death sentence. HAVOK I'm a hitman for the Russian mafia, a savage killer. I stalk my targets with bloodlust in my heart, while my family rots away in the wet Moscow soil. I've got nothing. No one. Then I met her. Such a sweet little thing, her body driving me wild up on that stage. But there's so much torment in those baby blues. She's too good for this life, too good for a murderer like me. My mission was just a side job. Kidnap her, cash her out for a cool hundred grand. F*ck that. Not with those killer curves and those submissive eyes that beg for my domination. I'm gonna take her and protect her until the bitter end, even if it means slaughtering every last son of a b*tch in this city. I just can't protect her from myself. This is a standalone, full-length mafia romance with a filthy-mouthed, possessive bad boy. Dark mafia themes throughout. Guaranteed HEA.

Damaged Love Cristiane Serruya,

Knocked Up by the Bratva Boss Rosa Milano,2021-12-12 I'm marrying a brutal Bratva boss. He thinks I'm the heiress to a criminal empire. But I'm just a catering student with the worst luck in the world. Six weeks ago I had a one night stand with a handsome stranger. He introduced me to a world of intense pleasure and firm discipline. Then he vanished and I was left totally alone. Only I've just found out I'm not alone. There's me trying to move on and forget the past. And there's his baby, growing inside me. Out of nowhere he's come back and kidnapped me. He's demanding we get hitched. Immediately. I've tried saying no. Tried to tell him there's no way I can marry him. But like he told me last time we were together, when

Grigor Pavlov wants something, he gets it. *Knocked Up by the Bratva Boss* is a Russian dark mafia romance. It contains intense scenes that may trigger some readers. Please only purchase if comfortable with firm discipline and the D/s dynamic.

House of Trump, House of Putin Craig Unger, 2019-09-03 THE NEW YORK TIMES BESTSELLER “The story Unger weaves with those earlier accounts and his original reporting is fresh, illuminating and more alarming than the intelligence channel described in the Steele dossier.”—The Washington Post *House of Trump, House of Putin* offers the first comprehensive investigation into the decades-long relationship among Donald Trump, Vladimir Putin, and the Russian Mafia that ultimately helped win Trump the White House. It is a chilling story that begins in the 1970s, when Trump made his first splash in the booming, money-drenched world of New York real estate, and ends with Trump’s inauguration as president of the United States. That moment was the culmination of Vladimir Putin’s long mission to undermine Western democracy, a mission that he and his hand-selected group of oligarchs and Mafia kingpins had ensnared Trump in, starting more than twenty years ago with the massive bailout of a string of sensational Trump hotel and casino failures in Atlantic City. This book confirms the most incredible American paranoias about Russian malevolence. To most, it will be a hair-raising revelation that the Cold War did not end in 1991—that it merely evolved, with Trump’s apartments offering the perfect vehicle for billions of dollars to leave the collapsing Soviet Union. In *House of Trump, House of Putin*, Craig Unger methodically traces the deep-rooted alliance between the highest echelons of American political operatives and the biggest players in the frightening underworld of the Russian Mafia. He traces Donald Trump’s sordid ascent from foundering real estate tycoon to leader of the free world. He traces Russia’s phoenix like rise from the ashes of the post-Cold War Soviet Union as well as its ceaseless covert efforts to retaliate against the West and reclaim its status as a global superpower. Without Trump, Russia would have lacked a key component in its attempts to return to imperial greatness. Without Russia, Trump would not be president. This essential book is crucial to understanding the real powers at play in the shadows of today’s world. The appearance of key figures in this book—Paul Manafort, Michael Cohen, and Felix Sater to name a few—ring with haunting significance in the wake of Robert Mueller’s report and as others continue to close in on the truth.

Beholden to the Bratva Maura Rose, 2018-02-18 VIKTOR Ruthless. Brutal. Bloodthirsty. That's my reputation, and as a member of the Sokolov crime family, I've earned it. I'm good at what I do, and although I may not enjoy conducting business quite as much as my father, I know how to do what has to be done. Even if it means ruining lives. Even if it means killing. The high point of my week is when we have our business meetings at the restaurant where the lovely Lina serves as a waitress and brightens the room with her sweet, nervous smile. She is the daughter of Darius, the restaurant's owner--and Darius is deep in debt to Bogdan, the boss of the Sokolov Bratva...and my father. Lina is gorgeous. She's angelic. She blushes when she looks at me. But she hates us for what we are. And now, I have to kidnap her. Business is business, after all, and Darius has to pay. Lina Business has been bad for years now, but my father refuses to close the doors of the restaurant. Rather than wiping down tables to clear away food, I'm cleaning off tables to keep the dust from settling. No one eats here anymore...except them. The criminals. The businessmen. The Bratva. Every week, they come in and have a meeting in our banquet room, and even though my father puts on a show of friendliness when they walk through the doors, I can tell there is fear in his eyes when he sees them--and that makes me afraid, too. There has to be more to their relationship than a simple love of good comfort food, but my father refuses to talk about the history between him and Bogdan. I can't stand them. They're bad for business and leave a bad taste in my mouth. I hate the way they look at me, and I hate that I have to smile in their faces while they muddy our restaurant with their vile presence. I hate them all. Except one. The one with the icy blue eyes that linger on me, the quiet one with the handsome, brooding face. Despite knowing what he is and what he does for a living, I can't help myself. He's hot. He's mysterious. And damn it all to hell, I want him. Beholden to the Bratva is a standalone full-length steamy romance novel with a heat level (and action-packed drama) sure to leave you dripping with sweat! No cliffhangers, no cheating, and a guaranteed HEA!

The Chronicles of Young Dmitry Medlov: Volume 3 Latrivia Welch, Latrivia S. Nelson, 2018-04-09 No crime boss has ever been as brilliant, beautiful and deadly as young Dmitry Medlov, and this Red Fella proves his affirmation in Volume 3 of *The Chronicles*, the longest of the short-story series. Two years after meeting Lady Catherine Hutton and after fleeing Moscow to

London, Dmitry has found the secret weapon to securing riches beyond his wildest dreams through a false marriage with British royalty. Their quid pro quo arrangement was supposed to be a short-lived farce designed to give Lady Hutton one last thrilling sexual escapade before she met her untimely demise. However, in the process of teaching Dmitry how to be a real gentleman and making Catherine feel like a young woman again, the curious couple accidentally develops deep feelings for each other. When Catherine realizes that Dmitry is in it for more than just the money, she leaves him a gift that rocks the foundations of the Medlov Crime Family - her entire estate worth over one billion pounds. Dmitry's new fortune, however, comes with a high price. The board of directors of the company he now owns wants him dead; one of the Vory elite gifts him the daughter of an Angolan war lord, and his brother, Ivan, falls for a woman who is as much of a sociopath as he is. There is also the matter of the media who declares him London's most eligible bachelor. While trying to steer away from the attention he's getting country-wide with his new fortune, he finds himself drawn to the beautiful African scholar, Elsa, a student at Oxford who might just be able to help him stay in control of his multi-national corporation and remember what it's like to actually like a girl. Passion strikes when the two are forced to live together while she reorganizes his business, but Dmitry wants more than sex from Elsa. He wants her home-country contacts. Read the eleven-chapter, page-turning novelette that tops its two predecessors (Volume 1 & 2) with more action, romance, sex, murder and mafia. For more info on Latrivia S. When the Bratva hired me as security for the night, I didn't know it was a flesh trade. I could have kept my cool, done my job, but then I saw her. Pure as a lily, dressed in skimpy lingerie, and being auctioned off to the foulest men in Brighton Beach. I'm not used to this white knight shit, but I did what I had to do. I outbid those pieces of trash. I bought myself a bride. What the hell do I do with a sweet, subservient woman who's been trained to obey her husband? I can think of some things my baser instincts want me to do... But when she submits to me, I'm going to be the man that deserves it, not just the one she owes it to. So I'm going to make her life better. I'm going to make her want me just as bad as I want her.
