Catholics on the Hill Vincent Krische, 2018-11 In a voice you'll remember, Father Vince takes you into the amazing story he lived at St. Lawrence Catholic Campus Center. It's an adventure and an inspiration! You'll find yourself in it, one way or another, and find yourself strengthened by the Source of Monsignor's strength, to go on in your own work. As he says, What a great time to be a Catholic!

Choosing the Right College 2014-15 John Zmirak, 2014-03-11 "By far the best college guide, for both its honesty and its insights." —Thomas Sowell Over the past decade, Choosing the Right College has established itself as the indispensable resource for students—and parents—who want the unvarnished truth about America's top colleges and universities. It is the most in-depth, independently researched college guide on the market, using on-campus sources to turn up the best—and worst—aspects of nearly 150 schools. Just as important, Choosing the Right College covers the intellectual, political, and social conditions that really matter, including: · The integrity and rigor of the curriculum · Which courses and professors to take—and which to avoid · The prevalence of politics in the classroom and the state of free speech—all highlighted with ISI's unique "traffic light" · Living arrangements, safety, and other keys to student life · How to get a real education at any school Beyond all that, this brand-new edition of Choosing the Right College features a host of innovations, including: "So You're Looking For..." top-five lists of colleges for all types of students; a quick list of each school's strengths and weaknesses; an insider's look at the pros and cons of online education; and more. This new edition of Choosing the Right College also provides the financial information families need in this age of soaring tuition. What are the most overpriced colleges—and which are relatively good values? What is the average student-debt load? To cap it all off, Choosing the Right College introduces the groundbreaking feature "Blue Collar Ivies"—in-depth reports on the best affordable colleges in all fifty states. Choosing the Right College 2014-15 will completely change the way young people make a life-altering decision.

Amazing Grace for Survivors Jeff Cavins, 2014-06-30 "For when I am weak, then I am strong." - 2 Cor 12:10 As Christians, we recognize that life's struggles can bring us strength and peace even if the challenges remain. This means that surviving is more than merely getting through an ordeal. It is being triumphant in spirit, regardless of the outcome. In Amazing Grace for Survivors, you will witness God's power as He forms and strengthens ordinary people who faced extraordinary circumstances. You will experience the pain in these stories and share the glory of their triumph. In the end, their grace becomes yours, for we are one body in Christ. In Amazing Grace for Survivors, you will meet: A man with cancer whose fear of dying teaches him how to live. A disabled girl who comes to understand that all life is precious. A woman who fights to adopt her son from Vietnam, and then fears she only brought him home to die. A heartbroken mother that learns to trust that her autistic son is in God's hands. A mother that hunts down her drug-addicted daughter and brings her home. ...and many more

Stories from the Phog Chelan David, 2025-10-14 It can be hard to describe the pull of Kansas basketball to those not in the know. Basketball is an important part of the equation, but it's more than just the game. It's about family and friendships, traditions and superstitions. It's about wearing your lucky sweatshirt and watching a game over the holidays with your aunts and uncles and cousins and grandparents. It's about making the pilgrimage to Allen Fieldhouse in the bitter cold and gathering at the Wheel or Johnny's after the game. It's about rejoicing in the team's victories and mourning their losses. All of these components coalesce to form what is known as Jayhawk Nation. In Stories from the Phog, lifelong KU hoops fan and Lawrence native Chelan David invites readers on a journey through forty years of Kansas basketball. It begins with a trip to an arcade with David Magley, Indiana's Mr. Basketball in 1978, includes the 2022 National Championship game, and culminates with the changing landscape of college basketball that we are witness to today. In between are encounters with Larry Brown, Danny Manning, Roy Williams, Bill Self, Gradey Dick, and other legends of the Kansas program, and memories from KU fans. Also included are anecdotes from descendants of James Naismith and Phog Allen. A must-read for any KU basketball fan, Stories from the Phog puts readers in the seats at Allen Fieldhouse as the Beware of the Phog banner is unfurled for the very first time, the Jayhawks score 150 points against Kentucky, freshman Jacque Vaughn hits a game winning three-pointer against Indiana, and Nick Collison receives a standing ovation from Dick Vitale. Relive the exhilarating come-from-behind victories against Missouri in 2012 and against West Virginia in 2017, a game that set the record for the loudest crowd roar at an indoor sports event.
