Michael Hoelscher

The Raffel Ticket Keith Raffel, 2025-11-24 Drawing on the past, outraged by the present and still believing in America's future, Keith Raffel examines the nation's challenges with clarity, wit and vision. These sharp, eloquent essays don't just inform—they provoke and entertain. With insights collected from teaching tech ethics at Harvard, founding a Silicon Valley startup, watching over the CIA, studying history, writing bestselling thrillers and raising a family, Raffel offers his own distinctive views on what's going on in this country and world of ours. He'll broaden your horizons, challenge your assumptions and keep you turning the pages. "Keith Raffel is someone I really pay attention to — he doesn't always change my mind, but he always makes me think. We need more like him." Lee Child Creator of the Jack Reacher thrillers "Keith Raffel's experience writing thrillers has prepared him to excel as a columnist lighting up the sky with intellectual fireworks on our stranger-than-fiction politics. Readers will enjoy his sharp analysis and amusing observations on every page as they time-travel the last two years of American life." Congressman Jamie Raskin Author of the #1 New York Times Bestseller *Unthinkable: Trauma, Truth, and the Trials of American Democracy*
