Natalie Savage Carlson

The Family Under the Bridge Natalie Savage Carlson, 1989-02-15 This is the delightfully warm and enjoyable story of an old Parisian named Armand, who relished his solitary life. Children, he said, were like starlings, and one was better off without them. But the children who lived under the bridge recognized a true friend when they met one, even if the friend seemed a trifle unwilling at the start. And it did not take Armand very long to realize that he had gotten himself ready-made family; one that he loved with all his heart, and one for whom he would have to find a better home than the bridge. Armand and the children's adventures around Paris -- complete with gypsies and a Santa Claus -- make a story which children will treasure.

About the Novel: The Family Under the Bridge is a Newbery Honor winning story about the Calcet family—a mother and her three children—who end up living under a bridge on the Seine River. Here, they befriend the carefree Parisian hobo, Armand. When two nosy women appear at their makeshift home, and it appears that the authorities have been summoned, Armand takes the family to live with a community of gypsies. Here, they are befriended and their relationship with the old hobo deepens. After promising the children a new home for Christmas, Armand decides his only option is to seek employment, and he manages to get a job as the caretaker of an apartment building, which offers the family a place to stay. Here, they determine to live as one big family, with Armand serving as the grandfather the children never had.
