**James Dennistoun**

*The Duke Gets Desperate* Diana Quincy, 2023-09-26 Diana Quincy returns with a steamy affair between an Arab-American woman who inherits a run-down castle in the English countryside and the duke who asserts the castle is his, in the first book in a brand-new Victorian historical romance series. Anthony Cary, Duke of Strickland, inherits his spendthrift father's title and can finally restore the family castle to its former glory. But at the reading of the will, Strick is stunned to learn that his father has secretly disentailed him, leaving the family manor—home to twelve generations of dukes—to Strick's American stepmother. Everyone knows Strick detests the dowager duchess, and when she dies mysteriously, damning rumors start to surface. When Raya Darwish unexpectedly inherits her glamorous late cousin's castle in the English countryside, she clashes with the charismatic young duke who insists the castle is rightfully his. The estate is practically bankrupt, so she must find a way to work with the duke in order to save both of their futures. The two cannot stand each other, but mutual disdain soon gives way to desire. When questions arise about how her cousin died, Raya cannot help wondering if Strick's sudden unbridled passion for her is part of a scheme to get his castle back...

Only all too soon they've gone beyond friendship, and the taste of the forbidden is too tempting to ignore... From Harlequin Historical: Your romantic escape to the past. **The Duke's Ballad** Andre Norton, Lyn McConchie, 2005 The Duke's Ballad is the tale of Aisling, a young witch from a family gifted with a magical power that she must protect from her brother, Kirion, who wields magic unlike the rest of the family's. He gains power only by a terrible means: by killing others who wield magic. Years ago, Aisling fled her native Kars when Kirion, working for the Duke of Kars, tried to kill her. Since Aisling's departure, Kirion has tightened his insidious hold on Duke Shastro. The malevolent sorcerer's dark influence works through Shastro to cast a deadly pall over all of Kars. A fatal chain of events is triggered when Kirion pitches the people of Kars into a war with a neighboring clan. Aisling recruits

her younger brother Keelan and returns in disguise, determined to undermine Kirion's power and unseat his evil pawn from the throne. Accompanied also by a catlike telepathic beast, Aisling becomes part of Shastro's court. But even as she begins to learn the ways of court power, a brutally cold winter besieges the land, testing the endurance of the people of Kars, who have little cheer in that darkest season. As Kars and its people contend with Kirion's depredations, the warring clan's raids, and the devastating winter, Aisling and Keelan must somehow, through guile, persistence and ingenuity, find a way to avoid the attention of their dangerous older brother, and save the people from his murderous sorcery. Only if they can survive Kirion's terrible power can they deliver the dukedom into the peace and prosperity it once knew.

**Always a Temptress** Eileen Dreyer,2011-10-01 His greatest battle is just beginning . . . Captain Harry Lidge has done his duty. After losing too many good men on the battlefield, he's ready to put his responsibilities behind him and live a life free of care. But first he has one last mission: find out what the most outrageous woman in London, the same woman who betrayed him nearly a decade earlier, is concealing, before her secrets take down the crown. Her heart is the only thing she won't risk . . . Surrounded by ardent admirers and a few loyal friends, Lady Kate Seaton glides through the ton on a confection of couture gowns and bon mots. No one suspects that beneath her lighthearted façade Kate hides a sorrow so scandalous she'll do anything to keep it hidden. But only when she trusts Harry with the truth and only when he trusts her with his heart can they stop the villains all too willing to kill Kate to attain their ultimate goal: destroy England.

*The Army of the Swabian League 1525* Douglas Miller,2019-12-19 The Swabian League was established as a defensive alliance of princes, prelates, and Imperial cities to maintain the peace within the territory of Southern Germany. In 1525 the League faced an existential threat in the form of an attempt by the exiled Duke Ulrich of Württemberg to retake his territory and a series of localised peasant uprisings which united into a movement for political reform. The League was forced to mobilise a mercenary army at a time of financial crisis and a shortage of Landsknechts, many of whom were fighting in the Italian Wars. This book presents a detailed inside account of the different components and internal organisation of the League army. It focuses on two campaigns led by its supreme commander, Georg Truchsess von Waldburg, to maintain discipline during an intensive six-month campaign to thwart the Duke of Württemberg and smash the peasant rebellion whilst attempting to appease his political overlords within the League.
