**Overdue** Stephanie Perkins, 2025-10-07 A SPARKLING ADULT DEBUT FROM BELOVED NEW YORK TIMES BESTSELLING AUTHOR STEPHANIE PERKINS Stephanie Perkins is the reason we write romance. *OVERDUE* is the book her readers have been waiting for. —Christina Lauren, New York Times bestselling author of *The Paradise Problem* Is it time to renew love or start a new chapter? Ingrid Dahl, a cheerful twenty-nine-year-old librarian in the cozy mountain town of Ridgetop, North Carolina, has been happily dating her college boyfriend, Cory, for eleven years without ever discussing marriage. But when Ingrid’s sister announces her engagement to a woman she’s only been dating for two years, Ingrid and Cory feel pressured to consider their future. Neither has ever been with anybody else, so they make an unconventional decision. They’ll take a one-month break to date other people, then they’ll reunite and move toward marriage. Ingrid even has someone in mind: her charmingly grumpy coworker, Macon Nowakowski, on whom she’s secretly crushed for years. But plans go awry, and when the month ends, Ingrid and Cory realize they’re not ready to resume their relationship—and Ingrid’s harmless crush on Macon has turned into something much more complicated. *Overdue* is a beautiful, slow-burn romance full of lust and longing about new beginnings and finding your way.

*Gender(ed) Identities* Tricia Clasen, Holly Hassel, 2016-08-25 This volume brings together diverse, cross-disciplinary scholarly voices to examine gender construction in children's and young adult literature. It complements and updates the scholarship in the field by creating a rich, cohesive examination of core questions around gender and sexuality in classic and contemporary texts. By providing an expansive treatment of gender and sexuality across genres, eras, and national literature, the collection explores how readers encounter unorthodox as well as traditional notions of gender. It begins with essays exploring how children's and YA literature construct communities formed by gender, ethnicity, sexuality, and in face-to-face and virtual spaces. Section II's central focus is how gendered identities are formed, unpacking how texts for young readers ranging from Amish youth periodicals to the blockbuster *Divergent* series trace, reproduce, and shape gendered identity socialization. In section III, the essential literary function of translating trauma into narrative is addressed in classics like *Anne of Green Gables* and *Pollyanna*, as well as more recent works. Section IV's focus on sexuality and romance encompasses fiction and nonfiction works, examining how children's and young adult literature can serve as a regressive, progressive, and transgressive site for construction meaning about sex and romance. Last, Section IV offers new readings of paratextual features in literature for children -- from the classic tale of *Cinderella* to contemporary illustrated novels. The key achievement of this volume is providing an updated range of multidisciplinary and methodologically diverse analyses of critically and commercially successful texts, contributing to the scholarship on children's and YA literature; gender, sexuality, and women's studies; and a range of other disciplines.
