Barber's Violin Concerto, 2016

The Concerto Michael Steinberg, 2000-10-26 Michael Steinberg's 1996 volume *The Symphony: A Reader's Guide* received glowing reviews across America. It was hailed as wonderfully clear...recommended warmly to music lovers on all levels (Washington Post), informed and thoughtful (Chicago Tribune), and composed by a master stylist (San Francisco Chronicle). Seiji Ozawa wrote that his beautiful and effortless prose speaks from the heart. Michael Tilson Thomas called *The Symphony* an essential book for any concertgoer. Now comes the companion volume--*The Concerto: A Listener's Guide*. In this marvelous book, Steinberg discusses over 120 works, ranging from Johann Sebastian Bach in the 1720s to John Adams in 1994. Readers will find here the heart of the standard repertory, among them Bach's Brandenburg Concertos, eighteen of Mozart's piano concertos, all the concertos of Beethoven and Brahms, and major works by Mendelssohn, Schumann, Liszt, Bruch, Dvorak, Tchaikovsky, Grieg, Elgar, Sibelius, Strauss, and Rachmaninoff. The book also provides luminous introductions to the achievement of twentieth-century masters such as Arnold Schoenberg, Be'l Bartok, Igor Stravinsky, Alban Berg, Paul Hindemith, Sergei Prokofiev, Aaron Copland, and Elliott Carter. Steinberg examines the work of these musical giants with unflagging enthusiasm and bright style. He is a master of capturing the expressive, dramatic, and emotional values of the music and of conveying the historical and personal context in which these wondrous works were composed. His writing blends impeccable scholarship, deeply felt love of music, and entertaining whimsy. Here then is a superb journey through one of music's richest and most diverse forms, with Michael Steinberg along as host, guide, and the best of companions.

Samuel Barber Barbara B. Heyman, 1994-05-12 Samuel Barber (1910-1981) was one of the most important and honored American composers of the twentieth century. Writing in a great variety of musical forms--symphonies, concertos, operas, vocal music, and chamber music--he infused his works with poetic lyricism and gave tonal language and forms new vitality. His rich legacy includes such famous compositions as the *Adagio for Strings*, the orchestral song *Knoxville: Summer of 1915*,

three concertos, and his two operas, the Pulitzer Prize-winning *Vanessa and Antony* and *Cleopatra*, a commissioned work that opened the new Metropolitan Opera House at Lincoln Center. Generously documented by letters, sketchbooks, original musical manuscripts, and interviews with friends, colleagues and performers with whom he worked, this is the first book to cover Barber's entire career and all of his compositions. The biographical material on Barber is closely interspersed with a discussion of his music, displaying Barber's creative processes at work from his early student compositions to his mature masterpieces. Heyman also provides the social context in which this major composer grew: his education, how he built his career, the evolving musical tastes of American audiences, his relationship to musical giants like Serge Koussevitzky, and the role of radio in the promotion of his music. A testament to the significance of the new Romanticism, Samuel Barber stands as a model biography of an important American musical figure.

All Music Guide to Classical Music Chris Woodstra, Gerald Brennan, Allen Schrott, 2005-09 Offering comprehensive coverage of classical music, this guide surveys more than eleven thousand albums and presents biographies of five hundred composers and eight hundred performers, as well as twenty-three essays on forms, eras, and genres of classical music. Original.

The Concerto for Violin and Orchestra by Samuel Barber Verna Lucile Baer, 1945 Among the present generation of American composers, the name of Samuel Barber is pre-eminent. In an age in which composition has been strongly experimental, Barber has entered the front-rank of composers without resorting to current mannerisms. It is his fine feeling for beauty and design rather than his harmonic or technical innovations which have made his writings distinctive. Therefore in discussing the Barber Concerto for Violin and Orchestra particular emphasis will be placed upon the form and the relationship of the solo instrument to the orchestra. No detailed study of the harmonic structure will be given. The thesis will be written from the standpoint of the performer with the main attention focused upon the rhythmic devices and the violinistic style of the composer. A brief biographical sketch and a review of the early performances of the Concerto will complete the contents of the thesis.

A Methodology of Study for Samuel Barber's Concerto for Violin and Orchestra Op. 14 Jessica K. Platt, 2009

Masterworks of 20th-Century Music Douglas Lee, 2013-01-11 Masterworks of 20th-Century Music introduces more than one hundred of the greatest compositions by world-renowned composer that have entered the standard orchestral repertory. The author surveyed dozens of major American orchestras to focus on those works that an average audience member is most likely to hear. Concertgoers who are intimidated by the modern repertoire finally have a single resource that will help them understand and enjoy it. Like an educated guide, he walks the listener through the piece, explaining how all the elements come together to form a unified whole. This book serves the general reader interested in 20th-century music, plus students, teachers, and scholars.

Samuel Barber Nathan Broder,1985-11-19

Carter David Schiff,2018-07-02 Elliott Carter (1908-2012) was the foremost composer of classical music in America during the second half of the 20th century. Over the course of a career that spanned seven decades, he consistently produced works that critics hailed as creatively daring, intellectually demanding, and emotionally complex. Distancing himself from the various schools and movements that grew and waned in popularity during the postwar era, Carter cultivated a deeply personal musical style that he developed and refined up until the very end of his life. This book of the composer springs from author David Schiff's life-long interest in Elliott Carter's music and his close personal connection with the composer which spanned over forty years. This critical overview of Carter's life and work explores aspects of the composer's life about which he was usually reticent--and occasionally misleading--such as his complicated relationships with Charles Ives, Aaron Copland, Nicolas Nabokov, and his own parents. Schiff's study of Carter's complete oeuvre--from his politically charged Depression-era ballets to the deeply personal and reflective late works--is based on extensive study of the composer's personal sketches and letters. Featuring an in-depth look at the legacy project of Carter's final decade, seven settings of American modernist poetry by E.E. Cummings, T.S. Eliot, Marianne Moore, Ezra Pound, Wallace Stevens and William Carlos Williams, this newest addition to the Master Musicians Series paints with a fine brush the story of America's foremost composer of the second half of the twentieth century.

Billboard ,1995-01-21 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform.
