Prodigal Heart Christine D'Clario, 2017-09-05 Your life is worth saving through God's grace. Though she is now an award-winning Latin contemporary Christian music artist and worship leader, Christine D'Clario spent the early years of her life overcoming personal hardships, including the death of her father; moving to another country; feelings of unforgiveness, loss, and rejection; being sexually molested; and even living a double life while being a leader in the church. In *Prodigal Heart* Christine shares her compelling story and the joy she experienced in surrendering completely to God. This book is for all those who believe their lives are broken beyond repair and for those who think their scars are too deep to be healed. You will see a true story of redemption, giving you hope that any life is worth saving.

**The Fear App Study Guide** Bill Hanson, 2015-12-17 What if you could discover a way to live your life without fear? What if a new vegetable that was just discovered could keep you from getting a deadly disease? Would you eat it? What if a new exercise developed would extend your life by twenty years? Would you try it? What if the information in *The Fear App Study Guide* would help you to remove those needless fears that run through our minds and keep us from following God's will in our lives? Would you read it? The apps we have on our phones were developed to make a function or activity much easier or to assist us in some specific way. *The Fear App Study Guide* and available *The Fear App* book are similar dynamic tools. This Study Guide will help you identify the fears you may not even be aware of. The Lord has prepared ministry service for all of us to be involved in (Ephesians 2:10). If you allow fear to control service decisions, you'll miss God's best for your life and the blessings that come with following His will. This study guide is an easy read, a very practical approach, and not too in-depth or over-the-top, getting right to the point of the fears we all experience in our lives.

God's Generation of Hope Carl Barrett, 2024-11-27 In a day and age where society and culture are veering further away from the teachings of God's word in homes globally, it is becoming more and more evident that there is a breakdown within the walls of family homes across this great land. Undoubtedly, these times of confusion in the home, schools, and communities are escalating each passing day, creating more division and disheartenment. With all the spiritual threats

robbing people's children of Hope, something within the walls of the home must change for the well-being of these young ones, today more than ever. If parents and family leaders don't engage with their children and rein in these apparent issues, they will continue to see a generation of people spiraling out of control. This book, *God's Generation of Hope*, is going to reveal some heart-wrenching and eye-opening facts about how external forces are creeping inside the lives of families and creating a distance between the household and Almighty God. Someone must take ownership immediately for the children's state of spiritual survival. Parents, action is needed today to instill the Living Hope in the lives of the younger generation like never before!

**More Precious Than Gold** Nanci J. Gravill, 2022-02-04 Have you ever thought that perhaps God wants to do a greater work in your heart instead of just fixing your problems? Or have you ever wanted to know God in a more meaningful way? Well, you can find both the wisdom and truth that you seek in my new book, *More Precious Than Gold*. Filled with thirty unique essays and devotions, my inspiration to write this book came from hearing a doctor talk about how much our culture has changed and the impact it's had on all of us. So tucked into the back of the book you'll find some great exercises just before the Spiritual Connections section. They'll help keep you from the snares of our culture and guide you to the green pastures of peace and tranquility that you need. You'll also enjoy messages that offer a fresh perspective so you can live life with more passion including: *Happy Habits*, *An Anchor of Hope*, *Choose to Forgive*, *A New Mental Toughness*, *Wholeness Healing*, *Take a Drink of Great Happiness*, *Unspeakable Joy*, *Find the Gift*, *New Beginnings*, *The Green Bean Club*, and more. So, dear friend, come and spend time with the most trustworthy friend of all — God. You'll not only learn about Him, but you'll find He's a God who loves you and longs for you to draw near to Him. —Nanci J. Gravill Draw near to God, and He will draw near to you. James 4:8a - ESV

Perseverance Tawnya Brown, 2025-10-27 At some point in everyone's life they will have to choose whether to give up or to push on. It's not always an easy choice. Life seems to move us in directions that we don't always want to go. This book will take on many different challenges. There will be biblical examples of perseverance along with real life stories. Some may be hard to read, others may not seem that bad, but all have one thing in common; the people involved chose to persevere rather than give up or give in. They fought and they trusted God when there was no other way to go and the road seemed to always have a dead end. I am sure that you will find at least one example that relates to you in a way that shows you what you need to know; You are not the only one to go through it and you too can survive and be an overcomer. Consider it pure joy, my brothers and sisters, whenever you face trials of many kinds, because you know that the testing of your faith produces perseverance. Let perseverance finish its work so that you may be mature and complete, not lacking anything. —James 1:2-4

**A Woman of Gold** Robert W. Killick PhD,2024-06-20 Even after sixty-four years of marriage my friends tell me I am brave to write my wife's biography. However I have always worked on the principle that "fortune favours the brave" but anyway, what can go wrong? I mean, I don't forget the date of her birthday and where she was born! Well, I can recite the story of how she expertly handled the mundane, the challenging ups and downs, the unexpected, and inexplicable vagaries of life while balancing her roles as a wife, mother of three, grandmother of six, teacher, co-director of a chemical company, elder of her church, philanthropist and avid tennis player. Nevertheless we shall not forget Shakespeare's well-remembered prayer put on the lips of Hamlet's guards: "Angels and ministers of grace, defend us ..." But yes, I will be brave, as Judy told me to be!
