**The Shakti Gawain Essentials** Shakti Gawain, 2015-06-04 Shakti Gawain is a pioneer in the field of personal development. For over three decades she has been a bestselling author and an internationally renowned teacher of consciousness. Shakti has assisted thousands of people across the globe in developing greater awareness, balance, and wholeness in their lives. For the first time ever, her three classic books, CREATIVE VISUALIZATION, LIVING IN THE LIGHT, and DEVELOPING INTUITION come together in one unsurpassed collection. These renowned books have sold over 10 million copies and have been translated into more than thirty languages. However, they have never been presented in this manner before. This interactive eBook transcends the limitations of a physical book and truly presents Shakti's passion and knowledge in a unique and powerful way

*Creating True Prosperity* Shakti Gawain, 2011-02-08 This practical handbook presents Shakti Gawain's definition of prosperity, one that places importance on the fulfillment of our real desires rather than the amount of money we have. Most people equate prosperity with money — if they only had more of it, they would prosper. In this new, innovative look at self-fulfillment, personal-growth pioneer Shakti Gawain shows us the pitfalls of such thinking — how people, regardless of their wealth, eventually find money fails to offer true contentment. Shakti Gawain presents a new definition of prosperity, one that places importance on fulfillment of the heart and soul rather than on monetary gain. She dismantles the cause-and-effect relationship most people construct around money and happiness, without ignoring the important role money plays in our lives. She challenges us to pay attention to our deepest longings, and yet to discard false desires. Shakti shows us how to create true prosperity, which includes satisfying relationships, happiness, and fulfillment. Her unique method of self-examination helps readers recognize the paradoxical relationships they establish with money. Instead of either denying its value or giving it too much importance, Gawain shows how money can be used to teach people to identify where they need more balance in their lives, freeing them to pursue fulfilling relationships and personal satisfaction — the main ingredients of true prosperity. She speaks with authority and warmth as she sheds new understanding on a subject that concerns us all.

Thought-provoking, inspiring, and always affirming, these universal truths will help you recognize and release old patterns as well as open you to new ways of being — physically, mentally, emotionally, and spiritually.
