

Decker Lazarus Series In Order

Faye Kellerman

The Burnt House LP Faye Kellerman, 2007-08-07 At 8:15 in the morning, a small commuter plane carrying forty-seven passengers crashes into an apartment building in Granada Hills, California. Shock waves ripple through Los Angeles as L.A.P.D. Lieutenant Peter Decker works overtime to calm rampant fears of a 9/11-type terror attack. But a grisly mystery lives inside the plane's charred and twisted wreckage. The fate of an unaccounted-for flight attendant—twenty-eight-year-old Roseanne Dresden—remains a question mark more than a month after the horrific event, when the young woman's irate stepfather calls, insisting that she was never onboard the doomed plane. Instead, he claims, she was most likely murdered by her abusive, unfaithful husband. But why, then, was Roseanne's name included on the passenger list? As the jagged pieces slowly fall into place, a frightening picture begins to form: a mind-searing portrait of unimaginable evil that will challenge Decker's and Rina's own beliefs about guilt and innocence and justice.

Sacred and Profane Faye Kellerman, 1987 Detective Peter Decker's camping trip into the foothills above Los Angeles was meant to help get him closer to the young sons -Sammy and Jake - of his girlfriend, Rina Lazarus. So when the older boy stumbles on a horrific find - two charred human skeletons - Decker is filled with appalled guilt, not to say plunged into a case of double murder. And it is a truly horrifying case. One that takes him from the middle-class respectability of the suburbs to the terrifying crack dens of Hollywood Boulevard. But he is constantly drawn back to the fact that the only unifying thread in a network of violence and sickening corruption seems to be the deaths of two apparently very different young girls...

The Ritual Bath Faye Kellerman, 1991 Faye Kellerman, wife of Jonathan Kellerman, bestselling author of *When the Bough Breaks*, weaves a fascinating mystery set in Los Angeles' orthodox Jewish community.

Prayers for the Dead Faye Kellerman, 1996 As public pressure to locate and convict the killer of a well-known surgeon continues to mount, Lieutenant Peter Decker seems to be finding more questions than answers.

Jupiter's Bones Faye Kellerman, 1999 LAPD Lieutenant Peter Decker investigates the death of Dr. Euler Ganz, a former astrophysicist who led a pseudoscientific cult under the name of Father Jupiter.

Milk and Honey Faye Kellerman, 2002-12-31 In the silent pre-dawn city hours -- alone with his thoughts about Rina Lazarus, the woman he loves, three thousand miles away in New York -- LAPD detective Peter Decker finds a small child, abandoned and covered in blood that is not hers. It is a sobering discovery, and a perplexing one, for nobody in the

development where she was found steps forward to claim the little girl. Obsessed more deeply by this case than he imagined possible, Decker is determined to follow the scant clues to an answer. But his trail is leading him to a killing ground where four bodies lie still and lifeless. And by the time Rina returns, Peter Decker is already held fast in a sticky mass of hatred, passion, and murder -- in a world where intense sweetness is accompanied by a deadly sting.

Grievous Sin Faye Kellerman, 2009-10-13 The birth of their baby girl has filled Rina Lazarus and her husband, LAPD Homicide Detective Peter Decker, with joy mingled with sorrow, since complications have ensured that they can have no more children. But the situation is grim at the hospital, which has been devastated by severe budget cutbacks and staff shortages. And when a respected nurse vanishes along with a newborn from the nursery, Peter and Rina fear for the safety of their own precious child—especially when the missing nurse's car is found at the bottom of a cliff . . . with a corpse inside. A most grievous sin has been committed. In pursuit of justice, Decker—with the help of his tough-as-nails partner, Marge, and an able assist from his teenage daughter, Cindy—follows a twisted path that winds through a sinister maze of hospital politics, misplaced passions, and torturous mind games that can all too easily lead to murder.

The Forgotten Faye Kellerman, 2009-10-13 Rina Lazarus and her husband, LAPD Homicide Lieutenant Peter Decker, are shocked by an outrage that cuts close to the spiritual heart of their family. Rina's small storefront synagogue has been desecrated with anti-Semitic graffiti and grisly Nazi death camp photographs. The alleged perpetrator is seventeen-year-old Ernesto Golding, a rich kid obsessed with haunting suspicions about the origins of his Polish paternal grandfather. Then Ernesto is found brutally murdered, along with his therapist, Dr. Mervin Baldwin, at an exclusive nature camp that caters moneyed, troubled children. For Decker and his wife, unraveling the truth behind Ernesto's violent death becomes more terrifying with each sinister twist. For lethal secrets with roots in the horrors of a past generation are coming to the surface, propelling Peter and Rina into a ghastly world of ruthless parents and damaged youth -- and toward a dark evil and its ultimate retribution.

Sanctuary Faye Kellerman, 2009-10-13 A diamond dealer and his entire family have mysteriously disappeared from their sprawling Las Angeles manor, leaving the estate undisturbed and their valuables untouched. Investigating detective Decker is stumped-faced with a perplexing case riddled with dead ends. Then a second dealer is found murdered in Manhattan, catapulting Decker and his wife, Rina, into a heartstopping maze of murder and intrigue that spans the globe...only to touch down dangerously in their own backyard. A diamond dealer and his entire family have mysteriously disappeared from their sprawling Los Angeles manor, leaving the estate undisturbed and their valuables untouched. Investigating detective Decker is stumped-faced with a perplexing case riddled with dead ends. Then a second dealer is found murdered in Manhattan, catapulting Decker and his wife, Rina, into a heartstopping maze of murder and intrigue that spans the globe. . . .only to touch down dangerously in their own backyard.

Serpent's Tooth Faye Kellerman, 2009-10-13 A man walks into a trendy Los Angeles restaurant -- a disgruntled ex-employee with an automatic weapon -- and seconds later, thirteen people are dead and thirty-two more have been wounded. It is a heinous act of mass slaughter that haunts Homicide Detective Peter Decker. But, though eyewitnesses saw only the lone gunman -- who apparently took his own life after his bloody work was done -- evidence suggests more than one weapon was fired. It is a disturbing inconsistency that sends Decker racing headlong into a sordid, labyrinthine world of Southern California money and power, on an investigation that threatens to destroy his reputation and his career.

Walking Shadows Faye Kellerman, 2018-08-28 Detective Peter Decker and his wife, Rina Lazarus, risk life and limb to solve a pair of brutal murders that may be tied to a crime from more than twenty years ago in this intense and addictive mystery from New York Times bestselling author Faye Kellerman. On a quiet suburban street in upstate Greenbury, New York, the brutally beaten body of a young man is discovered in the woods adjacent to an empty vacation home. Twenty-six-year-old Brady Neil a resident of the neighboring town of Hamilton, had no criminal record, few friends, worked full-time, and attended community college. But as Detective Peter Decker learns, the clean-cut kid is linked to the criminal world. When Brady was a baby, his father, Brandon Gratz, was convicted of robbing and killing the owners of a local jewelry store. While Gratz and his partner, Kyle Masterson, admitted to the robbery, they swore they left the owners, Glen and Lydia Levine, very much alive. The experienced detective knows there's more to this homicide case than the records show. As he digs into Gratz's past, Decker begins to suspect that the son's murder may be connected to the father's sins. Before he can put together the pieces, Decker finds out that one of Brady Neil's friends, Joseph Boch—aka Boxer—has gone missing. Heading to Boch's house with his temporary new partner, Hamilton PD cop Lenora Baccus, they discover a bloodbath. Who would savagely kill two innocent men—and why? Finding the answers will require all of Decker's skill and knowledge, the help of his fellow Greenbury detectives, Tyler McAdams and Kevin Butterfield, and information gleaned from his wife Rina's behind the scenes investigation to put all the pieces of this deadly puzzle together . . . and see justice done.

Bone Box Faye Kellerman, 2017-02-28 In this thrilling chapter in Faye Kellerman's bestselling series, Rina Lazarus makes a shocking discovery in the woods of her upstate New York community that leads her husband, police detective Peter Decker, through a series of gruesome, decades old, unsolved murders, pointing to a diabolical, serial killer who's been hiding in plain sight. On a bright and crisp September morning, while walking a bucolic woodland trail, Rina Decker stumbles upon human remains once buried deep beneath the forest grounds. Immediately, she calls her husband, Peter, a former detective lieutenant with LAPD, now working for the local Greenbury Police. Within hours, a vista of beauty and tranquility is transformed into a frenetic crime scene. The body has been interred for years and there is scant physical evidence at the gravesite: a youthful skeleton, a skull wound and long dark strands of hair surrounding the bony frame. As Decker and his partner, Tyler McAdams, further investigate, they realize that they're most likely dealing with a missing student from the

nearby Five Colleges of Upstate—a well-known and well-respected consortium of higher learning where Rina works. And when more human remains are found in the same area, Decker and McAdams know this isn't just a one-off murder case. Short-staffed and with no convenient entry into the colleges, Decker enlists Rina's help to act as the eyes and ears of campus gossip. Winding their way through a dangerous labyrinth of steely suspects and untouchable academics, Decker, McAdams, and Rina race to protect their community from a psychopathic killer still in the area—and on the hunt for a fresh victim.

The Forgotten Faye Kellerman, 2002 A place of worship is vandalised, daubed swastikas testifying to a hatred that, for a time at least, defies understanding. But the Deckers, Rina and her detective husband Peter, soon realise the violence done to their synagogue can be traced to one deeply disturbed adolescent, Ernesto Golding. Born into privilege but obsessed by the past, he is eventually charged, his case closed. But Peter Decker still worries that others were involved. And six months later Ernesto is found murdered. Suddenly Decker and his family are plunged into a ghastly world of damaged youth, ruthless parents and secrets, with roots deep in the horrors of the last generation, which seem to demand ultimate retribution...

The Theory of Death Faye Kellerman, 2015-10-27 Now living in upstate New York, former LAPD lieutenant Peter Decker is plunged into a bizarre web involving academia, underworld crime, and calculating killers in this compulsive novel in New York Times bestselling author Faye Kellerman's beloved Decker and Lazarus series. Former LAPD lieutenant Peter Decker is relishing the quiet and slow pace of his new job with the Greenbury police department. The work is low stress and engaging, and it's been almost a year since the last murder in this sleepy upstate New York town. Then the body of a nude man is found deep within the woods, shattering Decker's peace. The death appears to be a suicide—a single shot to the head, the gun by his side. But until the coroner's ruling, the scene must be treated as a suspicious crime. Without any personal effects near the body, Decker must dig to uncover his identity, a task made difficult by the department's tight budget and limited personnel. Luckily, Decker gets some unexpected help when his friend and former Greenbury colleague Tyler McAdams calls, looking for a quiet place to study for his law finals. The investigation takes Decker and McAdams to Knead Loft College, where they must penetrate the indecipherable upper echelons of mathematics and mathematical prodigies. Beneath the school's rarified atmosphere they discover a sphere of scheming academics, hidden cyphers—and most dangerous of all—a realm of underworld crime that transforms harmless nerds into cold, calculating evil geniuses. It will take all of Decker's experience and McAdams's brains to penetrate enigmatic formulas and codes and solve a dark, twisted crime devised by some brilliant and depraved masterminds.

Lost Boys Faye Kellerman, 2021-01-12 Faye Kellerman returns with an atmospheric, fast-paced mystery set in bucolic upstate New York, full of unexpected twists and turns that build to a shocking and surprising end—the latest thrilling entry in her New York Times bestseller Decker/Lazarus series. When Bertram Lanz goes missing from a local diner near Greenbury, the entire community of the small upstate New York town volunteers to search the surrounding woods. Bertram had been on

a field trip with the staff and fellow residents of the Loving Care Home when he vanished. When no trace of the man is found, the disappearance quickly becomes an official missing persons case and is assigned to detectives Peter Decker and his partner Tyler McAdams. As their investigation deepens, the seasoned Decker becomes convinced that Bertram hadn't lost his way but must have left with someone he knew. Soon Decker discovers that Elsie Schulung, a recently fired nurse who had worked at the home, seemed to be especially interested in Bertram. But answers prove elusive when Elsie disappears and human blood is found in her kitchen. These complications prove to be only the beginning. While combing the woods, searchers discover the remains of one of three young men who had vanished during a camping trip. And for Decker, personal problems are adding pressure as well. After a ten-year absence, the biological mother of Decker and Rina's foster son, Gabriel, has suddenly appeared in New York, children in tow, wreaking emotional havoc on the young man. Juggling the personal and professional, a hot case and a cold case, Decker and McAdams race to find answers, sifting through cabinets of old files, a plethora of clues and evidence, and discouraging dead ends. As ongoing searches for Bertram and the campers' missing remains continue, the frustrated detectives begin to wonder if the woods will ever give up its dark secrets...

Day of Atonement Faye Kellerman, 2011-01-25 Peter Decker of the LAPD never dreamed he'd be spending his honeymoon with his new wife, Rina Lazarus, in an Orthodox Jewish enclave in Brooklyn, New York—or that a terrible event would end it so abruptly. But a boy has vanished from the midst of this close-knit religious community, a troubled youth fleeing the tight bonds and strictures he felt were strangling him. The runaway, Noam, is not traveling alone. A killer has taken him under his wing to introduce Noam to a savage world of blood and terror. And now Decker must find them both somewhere in America before a psychopath ends the life of a confused and frightened youngster whose only sin was to want something more. Kellerman is splendid.

Prayers for the Dead Faye Kellerman, 2012 LAPD homicide detective Peter Decker investigates the murder of famed heart surgeon Azor Sparks, but cannot seem to find an angle among the conflicting stories of the doctor's heirs, his jealous colleagues, and a gang of outlaw bikers.

Blood Games (Peter Decker and Rina Lazarus Series, Book 20) Faye Kellerman, 2011-12-08 The twentieth book in the hugely popular Peter Decker and Rina Lazarus series from New York Times bestselling author Faye Kellerman

Stalker Faye Kellerman, 2000 When Cynthia Decker, daughter of Lt. Peter Decker, discovers someone is stalking her she launches her own investigation - keeping her father in the dark.

The Beast Faye Kellerman, 2013-10-08 When reclusive inventor, Hobart Penny, is found dead in his apartment, the cops think his pet—an adult female tiger—attacked the elderly billionaire. But it soon becomes clear that the beast that killed him is all too human. Digging into the victim's life, LAPD Lieutenant Peter Decker and his colleagues, Detectives Marge Dunn and Scott Oliver, discover that Penny was an exceptionally peculiar man with exotic tastes, including kinky sex with call girls.

Following a trail of clues that leads from a wildlife sanctuary in the San Bernardino Mountains to the wild nightlife of Las Vegas, the detectives are left juggling too many suspects and too few answers. To crack a case involving the two most primal instincts—sex and murder—Decker must turn to a man with expert knowledge of both: Chris Donatti, the dangerous man who is also the father of Decker's foster son, Gabriel Whitman. As their work and intimate worlds collide, family crises and work-related responsibilities might prove too much for Decker's career. When all these shocking truths come out, exactly how will Decker and his wife, Rina, survive?

Decker Lazarus Series In Order Introduction

In today's digital age, the availability of Decker Lazarus Series In Order books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now

access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Decker Lazarus Series In Order books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Decker Lazarus Series In Order books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Decker Lazarus Series In Order versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Decker Lazarus Series In Order books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Decker Lazarus Series In Order books and

manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Decker Lazarus Series In Order books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Decker Lazarus Series In Order books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms

like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Decker Lazarus Series In Order books and manuals for download and embark on your journey of knowledge?

FAQs About Decker Lazarus Series In Order Books

What is a Decker Lazarus Series In Order PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Decker Lazarus Series In Order PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Decker Lazarus Series In Order PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the

PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Decker Lazarus Series In Order PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Decker Lazarus Series In Order PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions.

Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
