Colinas que arden, lagos de fuego Javier Reverte,2012-05-24 «Volver a las colinas, las praderas, los bosques y los lagos del este de África, después de varios años de ausencia, acelera los latidos del corazón y renueva los fluidos del espíritu. Además de eso, recorrer a pie alguno de sus senderos, igual que lo hicieron los antiguos exploradores, resulta tan emocionante como diferente a otro tipo de viaje.» Javier Reverte Diez años después de publicarse *Los caminos perdidos de África*, Javier Reverte regresa con *Colinas que arden, lagos de fuego*. Las escalas de este nuevo viaje narran su paso por el fantasmal lago Turkana, en el norte de Kenia, por el Tanganika, en Tanzania, o Chitambo, la pequeña aldea de Zambia donde murió David Livingstone y quedó enterrado su corazón. Javier Reverte, maestro de la literatura de viajes en lengua española, nos relata con una prosa muy personal y alejada de tópicos se reencuentro con los habitantes y paisajes del África de nuestros días, salpicándolos con pinceladas del pasado del continente negro, del colonialismo europeo y la época de las exploraciones. Sin caer en el patetismo o la blandura, el autor recoge la cara y la cruz, las sombras y las luces de un continente tan sufrido como hermoso. El humor, la ternura, la épica y la sensualidad se mezclan en este extraordinario libro de viajes de la mano de un escritor inimitable que se ha ganado el afecto de miles de lectores. Reseñas: «La gran literatura de viajes en lengua española.» ABC Cultural «La narración de estos cuatro viajes por algunos de los escenarios más bellos, salvajes y asombrosos de África destila aventura y contagia vitalidad. Un precioso relato que alcanza y describe la esencia de África.» Viajar «Como siempre con el flâneur Reverte, la gente con la que intima en el camino es de lo mejor de la experiencia.» El País

Nuevos Paradigmas en la Actual Revolución Científica Y Tecnológica, Los Raúl Torres Martínez,2003

Las malas lenguas Juan Domingo Argüelles,2018-03-30 ¿Autosustentable?, ¿campus universitario?, ¿acceso de entrada?, ¿gente de color?, ¿adulto en plenitud?, ¿todos y todas?, ¿transgénero?, ¿nosotr@s?, ¿introducir al interior?, ¿roomie?,

¿socialité?, ¿establishment? Las malas lenguas es un irónico y mordaz recorrido por varios errores comunes que circulan en libros, periódicos, revistas e internet. Son efectos de lo políticamente correcto, los extranjerismos mal adaptados, el lenguaje incluyente y las malas traducciones, que han hecho de nuestra lengua un verdadero desastre. En esta obra, Juan Domingo Argüelles repasa las redundancias, los errores de conjugación, la mala pronunciación, la falta de concordancia y otros deslices que cometemos tanto hablantes cultos como los de menor escolarización. Además hace una fuerte crítica a las instituciones encargadas de normar la lengua que resultan retrógradas y poco competentes, ofrecen malas definiciones y omiten del diccionario entradas necesarias y muy usadas en México y América Latina. Un libro para evitar las barbaridades que decimos y escribimos en español.

Las abandonadoras Begoña Gómez Urzaiz, 2022-05-25 ¿Qué clase de madre abandona a su hijo? Una historia sobre la maternidad, la creación y la culpa. 2.a edición «Un libro fascinante, lleno de reflexiones muy lúcidas.» ISAAC ROSA «Ha escrito el mejor tipo de libro: el que no sabías que necesitabas hasta que aparece.» JIA TOLENTINO «Me ha situado en un lugar incómodo y estimulante.» AIXA DE LA CRUZ «¿Qué clase de madre abandona a su hijo?» La frase tiene algo de bíblico y podría haberla pronunciado casi cualquiera en cualquier momento de la historia. También ahora, cuando nos replanteamos todos los matices políticos de la maternidad. Estamos programados para entender y perdonar que una mujer se separe de sus hijos por pura supervivencia material, pero una vez subimos un par de peldaños en la escala de necesidades la cosa se vuelve moralmente más brumosa. A raíz de una inquietud personal, casi una obsesión, por las madres abandonadoras, Begoña Gómez Urzaiz se acerca a este fenómeno con una mezcla bien trabada de reflexiones propias en torno a la culpa, la crianza competitiva y la madre como sujeto creativo. Ahí aparecen los relatos biográficos de mujeres reales y de ficción que vivieron maternidades turbulentas y maternidades límite. Muriel Spark, Doris Lessing, Ingrid Bergman, Mercè Rodoreda, Maria Montessori, Gala Dalí, Joni Mitchell y también Anna Karenina, Nora Helmer y la Carol de Patricia Highsmith tienen en común haberse separado de sus hijos. De todas ellas, seguro, alguien dijo: «¡Qué clase de madre...!». La periodista debuta en el formato largo con este libro personal, deslumbrante y revelador «Lo he devorado. La prosa te agarra y te lleva, su voz guía pero no aturde.» EIDER RODRÍGUEZ «Ha sido empezar el libro y no poder parar. Es un alivio para las madres imperfectas.» KARMELE JAIO «Uno de los mejores textos que he leído sobre las ambivalencias de la maternidad.» GABRIELA YBARRA «Una lectura, a veces triste, a veces divertida, sobre los cientos (si no miles) de razones que pueden llevar a una madre a abandonar a sus criaturas.» KATIXA AGIRRE «Esto es no ficción literaria de la mejor clase: lleno de ideas autónomas, intuición y seguridad.» CLAUDIA DURASTANTI «Una exploración muy rica sobre un tema complejo.» Tessa Hadley

Con ojos de cocodrilo Alberto Massa Gálvez, 1997

Fuentes especializadas en Ciencias Sociales y Humanidades Raquel Gómez Díaz, Araceli García Rodríguez, José Antonio Cerdón García, 2017-09-14 Una de las tareas fundamentales de la investigación científica es la revisión de la

literatura especializada para su cotejo, crítica y fundamentación. El investigador se encuentra ante la difícil tarea de buscar, identificar, analizar y ponderar entre miles de contribuciones, con calidades y procedencias muy diferentes. Además, cada disciplina científica posee sus propias fuentes de información con pesos y distribución distintos según las áreas. Para el investigador, pero también para el docente o para el estudioso de cualquier nivel, el conocimiento de las principales fuentes existentes en su campo de conocimiento es imprescindible para poder abordar cualquier estudio con solvencia y seguridad. Estas fuentes, por otra parte, se han ido incrementando y diversificando a medida que las ciencias han ido evolucionando, mejorando en sus prestaciones, cobertura y accesibilidad, gracias sobre todo a la combinación de contenidos y tecnologías de la información. Bases de datos, páginas web, blogs especializados, repertorios, asociaciones profesionales, revistas, etc., constituyen un abanico de recursos a los que hay que prestar atención para estar actualizado en cualquier materia que se estudie. En esta obra se muestra un análisis de las fuentes de información especializadas más importantes que existen en las disciplinas asociadas a las Ciencias Sociales y las Humanidades, mediante una exposición y un examen crítico de ellas. Cada uno de los capítulos ha sido elaborado por especialistas reputados en la materia, con conocimientos adquiridos tras largos años de experiencia e investigación.

Studia geologica Salmanticensia ,1980

Los blancos estáis locos Luis Melgar,2017-03-21 Cuando en agosto de 2013 la segunda jefatura de la embajada de España en Guinea Ecuatorial queda libre, Luis Melgar lo tiene claro: va a ser suya. Las intensas relaciones con la penúltima colonia española, que sigue mirándose en muchos sentidos en su antigua metrópolis, hacen de Malabo un destino apetecible para el joven diplomático, su marido Pablo y su perro Churchill, que esperan poder vivir su propia aventura africana. Los preparativos para la mudanza, sin embargo, pronto se convierten en un curso acelerado de guinealogía, una ciencia en la que lo imprevisible es la norma, con contenedores llenos de muebles que tardan meses en llegar a su destino, trámites interminables regidos por el caos, peticiones de visado en cada esquina y una consigna que Luis pronto hará suya: en Guinea lo fácil es difícil, lo difícil es muy sencillo y lo imposible se consigue sin pestañear. Una vez en África, el surrealismo se sucede en la embajada, igual que las visitas sin freno de los familiares de ambos, y una figura se erige como protagonista absoluta de la vida cotidiana de Luis y Pablo: Yolanda, la joven bubi que se encarga de su casa, fuente inagotable de sentido común y oráculo de usos y costumbres de la isla, para quien todas las actividades de los recién llegados son motivo de la más absoluta perplejidad.

El Caso De Un Cocodrilo En Internet Introduction

In today's digital age, the availability of El Caso De Un Cocodrilo En Internet books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of El Caso De Un Cocodrilo En Internet books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of El Caso De Un Cocodrilo En Internet books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing El Caso De Un Cocodrilo En Internet versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, El Caso De Un Cocodrilo En Internet books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring

knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing El Caso De Un Cocodrilo En Internet books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for El Caso De Un Cocodrilo En Internet books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include

MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, El Caso De Un Cocodrilo En Internet books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of El Caso De Un Cocodrilo En Internet books and manuals for download and embark on your journey of knowledge?

FAQs About El Caso De Un Cocodrilo En Internet Books

1. Where can I buy El Caso De Un Cocodrilo En Internet books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
